Jackson Asks Military Buildup

Gunman Gives Up Meekly After Wanton Killing Of 10

Surrenders In Wyoming After Chase

Hostage Daughter Of Two Victims Is Safe But Hysterical

DOUGLAS, Wyo. (AP)—Charles Starkweather, 19, captured in a wild chase that ended when he meekly stopped his stolen car, faced justice today in the wanton slaying of 10 persons.

The pigeon-toed gunman gave up yesterday in badland country near this cattle town after police said, he had shot a sleeping shoe salesman and fled. It was the final killing in a savage trail which saw nine people gunned down in Nebraska since Monday.

With him was Carol Fugate, 14, whose parents and infant half-sister police say Starkweather killed in the start of a murderous two-state spree.

The bandy-legged little gun toter complained mostly of a small nick in his ear suffered when a sheriff's bullet shattered glass in his stolen sedan.

Unconcerned About Girl
He seemed unconcerned about the girl, who was put under sedation after she had fled his car in hysterics shortly before he was captured.

Converse County Atty. William P. Dixon prepared to file murder charges today against Starkweather in the death of Merle Collison, 37-year-old shoe salesman from Great Falls, Mont. Collison was shot as he slept in his car near Douglas. An autopsy disclosed nine bullet wounds from a .22-caliber rifle.

First-degree murder charges already have been filed against the pair in Nebraska.

Starkweather had an empty .22-caliber rifle when he was surprised by another motorist standing by Collison's car.

Dixon said that one member of the Converse County Board of Commissioners at Douglas wanted to turn Starkweather over to Nebraska authorities but that he had not made any decision. He said he would file the charges in any case, and if it was decided to return Starkweather to Nebraska, he could waive Wyoming's claim on him.

Nebraska Wants Him
Meanwhile, at Lincoln, Neb., Lancaster County Atty. Elmer Scheele said he and two officers would fly to Douglas today.

Scheele said that "we are going to do our utmost to get him back here." Wyoming will have priority on prosecution if Dixon decides to press in the Collison killing.

When captured, Starkweather had an empty .32-caliber pistol, and he snarled that "if I'd had a gun I'd have shot them" (his captors).

There was no immediate statement on any possible charge against the Fugate girl.

Starkweather told officers he had forced her to go along with him on the wild ride that ended in Wyoming cattle country.

She herself fled screaming from the car after Collison was shot, and said that Starkweather was "crazy and she feared for her own life."

Joe Sprinkle, 29-year-old oil company employee, tussled briefly with Starkweather along the road, and wrenched a .22-caliber rifle from his hands. Starkweather had threatened him when he stopped to offer aid.

Bolts In Stolen Sedan

It was then that sheriff's men drove up and Starkweather bolted in the black sedan stolen at Lincoln.

WOUNDS FOUR POLICEMEN—David Taylor, right, 67-year-old Atlantic City handyman, is led from his home only moments after he shot four policemen trying to flush him from his shack with tear gas. Off-duty policeman William Shepperson is at left. Story below. (AP Photofax)

GM President Says:

Production Costs Top Auto Boosts

Robbers Take Money, Drugs

BRIDGEPORT, W. Va. (AP)—Police were investigating today the robbery of a business district drug store located near this Harrison County community's city hall.

Two unmasked gunmen escaped with \$615 and an undisclosed amount of narcotics after entering the Furbie Drug Store last night, Deputy Malt Minard reported.

The store operator and customer were bound before the two robbers escaped in an automobile which had been parked in the city building's parking lot, Minard said. The city building houses the local police department.

\$10,500 Gem Theft Staged By Two Men

WASHINGTON (AP)—Two masked men tied up a couple in their apartment today and then walked out with an estimated \$10,500 worth of jewelry.

Police said \$450 cash also was taken from Luis Fox, 53, and his wife Frances, 40, who live in the Parkhill Apartments.

Fox summoned help by rolling off a bed, bound hand and foot, and knocking the telephone off the hook a few minutes after the gunmen left the apartment.

The robbery took place about 2:20 a. m. shortly after Fox had closed his restaurant, the Fox Lounge, less than a block away. Mrs. Fox walked home with him, they told police, and they rode up to their second floor apartment on the self-operated elevator.

As the elevator doors opened, the shorter of the two masked men stepped up brandishing a revolver. "Go to your apartment and keep quiet or we'll blow your damn brains out!" the Foxes were ordered.

Behind him walked a tall, thin man. Both wore dark fedoras down over their eyebrows and black bandannas high on their faces.

Shortage Of Domestic Help Creates Thriving Business

PASADENA, Calif. (AP)—A typical American shortage has made a good business for Tor Petterson. He imports housemaids.

The 41-year-old Norwegian opened the Scandia Placement Agency seven months ago. Since then he has brought 450 persons here from Scandinavian countries to work as domestics.

"In the United States no one seems to want to work as a domestic," Petterson said. "Living standards are too high; the work no longer appeals to Americans. But Scandinavians feel differently about it. It's good training for them. Good training for marriage, a good way to come to know the United States and its way of life."

Petterson says his imports get \$125 a month, plus room and board. The hiring family pays Petterson's \$65 fee and also the passage money, deducting the latter from the servant's pay over a period of six months or a year.

Petterson came here in 1945 with \$7 and worked his way through California Institute of Technology. He will soon become an American citizen.

The average maid's age is 25 and the average working contract 18 months. Of the 450 imports so far, all but 20 were women. Ten of the men were husbands of maids, Petterson plans to extend his operations to Wales, Scotland, Switzerland and Holland to meet increasing demands.

WASHINGTON (AP)—General Motors President Harlow H. Curtice said today that the higher price tags on its 1958 model cars fail to cover the increased cost of producing them.

"For every dollar of increase in our own costs," he said, "price has increased only 60 cents."

Curtice was called before the Senate Antitrust and Monopoly subcommittee after two days of testimony by Walter Reuther, president of the United Auto Workers.

Wages Biggest Factor

The GM president told the subcommittee, inquiring into pricing practices in the automobile industry, that "increased wage costs have been the largest single element in our rising costs."

He said in his prepared statement that he found it somewhat difficult to reconcile Reuther's "professed concern over inflation with his announced 1958 collective bargaining program."

The UAW has proposed, as part of its goal, a plan under which workers and car buyers would share in the profits of the automobile manufacturers.

Reuther contended that wages have lagged behind productivity and profits and that his profit-sharing plan would help to overcome what he called an imbalance in the economy by increasing purchasing power.

Raps Reduction Proposal

While Curtice made no direct reference to the UAW's recently unveiled profit-sharing plan, he rapped Reuther's proposal of last year that the Big Three auto makers—General Motors, Ford and Chrysler—agree to cut 1958 model prices by \$100.

He called the proposal "completely unrealistic" and said he thought it was obvious that was "just another public relations job."

In return for the proposed price cut, he said, Reuther had offered only to take it into consideration in making contract demands this year.

Fireman Killed, Three Hurt As Fire Hits Plant

WILMINGTON, Del. (AP)—A volunteer fireman was killed and three others hurt today as a fire and series of blasts damaged a chemical plant on the edge of Wilmington.

Killed was Leroy C. Lewis Jr., 24, a member of the Holloway Terrace fire company near here. Two other members of the same company, Robert Hinton, 25, and Theodore Ryan, 24, were treated at Delaware Hospital for cuts of the face.

Charles Powell, 26, a member of the Minkquade, Del., volunteer fire company, was treated for burns of the left hip and abdomen.

A skeleton force of six workers were on the job at the plant of the Halby Products Co., chemical processors, when the fire started. Firemen said apparently the blasts were exploding drums of ether stored outside the blazing structure, a concrete block warehouse.

Plans Aired For Second U. S. 'Moon'

Firing Of First Still Awaited; Second Will Make Global Contact

WASHINGTON (INS)—The Army said today it is preparing an earth satellite for launching "at an early date" that will relay communications from one part of the globe to another.

Gen. John P. Daley, Army special weapons chief, told the House Armed Services Committee in heavily censored testimony that the new satellite would be in addition to the one the Army is attempting to launch this week at Cape Canaveral, Fla.

Daley said the Army already has the missile to launch the more improved satellite.

Outperform Sputniks

The Army witness said the improved satellite would perform functions not possible by the two Soviet Sputniks. Not only would it be used as a communications relay, he said, but it would improve knowledge of world wide meteorological data.

Daley said the Army proposed the new program in November to "give us psychological benefits to offset those that the Soviets have achieved."

Other Testimony

In other testimony, Daley said: "The Jupiter-C missile originally was designed four years ago as a satellite vehicle but that a Pentagon committee chose the Navy Vanguard in 1955 to launch this country's first satellite."

Daley said the Vanguard was chosen in 1955 "on technical grounds without any regard to ballistic missile programs."

The Soviets will have the 5,000-mile intercontinental ballistic missile in operation by July—at least two years before the U. S. will be ready with the Nike-Zeus anti-missile missile.

Chairman Carl Vinson (D-Ga.) proposed that members of the committee would stop an impending Air Force-Army scrap over who should control operation of the Nike-Zeus weapon.

Gen. Lyman L. Lemnitzer, acting Army chief of staff, said the understanding that the Army should operate the weapon was not in writing but is "implicit in everything that has been directed."

Rep. F. Edward Herbert (D-La.) said he had heard the Air Force was not going to accept the decision, which relegated it to developing the radar to track the enemy missile.

Bullet Causes Blast; 1 Dead

LEBANON, Tenn. (AP)—"I fired the last shot, and then I don't know what happened," said 17-year-old Charles Pruett from a hospital bed, four hours after a trailer load of dynamite exploded and killed his companion.

The blast, heard 18 miles away, killed Glenn Turner Guiley, 15, yesterday. Pruett is in serious condition with injuries including loss of an eye and a broken arm.

That last .22 caliber bullet exploded 30 cases—1,300 pounds—of dynamite left in the wooded area a month ago by a Nashville construction firm working on a nearby highway project.

In Space Flight Tests Men Imagine Marching Squirrels, Rocket Ships

By JOHN A. BARBOUR
AP Science Reporter

NEW YORK (AP)—An Air Force scientist says man may find space crawling with these mental hazards:

Marching squirrels, tiny rocket ships that fire pellets, and little men who swing on space ship instruments.

Reporting today to a meeting of the Institute of Aeronautical Sciences, experimental psychologist George T. Hauty told of three pre-space-flight experiments.

One of these was conducted by McGill University scientists of Montreal, Canada. They wanted to find out what happened when you shut off sights, sounds and other sensory stimuli. They closed male

volunteers in cubicles for 48 hours. Soon one subject reported: "A procession of squirrels with sacks over their shoulders marching purposefully across a snow field."

Another said he saw a miniature rocket ship shooting pellets at his arm.

In addition to having hallucinations, the volunteers became irritable and were unable to concentrate on complex ideas.

The volunteers were amused by the visions at first—but later complained that they interfered with their sleep.

Researchers made the experiments to determine if there is a background activity as well as normal sensory activity in the brain.

SLAYER AFTER CAPTURE—Charles Starkweather, 19, is shown in Converse County Jail at Douglas, Wyo., last night as he ate for the first time after his capture and arrest for the

slaying of 10 persons. With him was Carol Fugate, 14, (inset) whose parents and infant half-sister the youth had killed at the start of his murderous two-state spree. (AP Photofax)

Baghdad Pact Nations Issue Communique

Indiscriminate Use Of U. N. Veto Hit; Cooperation Urged

ANKARA, Turkey (INS)—The United States and the five Baghdad Pact powers called today for the major powers to give up "indiscriminate use" of the veto in the United Nations Security Council.

The communique summarizing developments at the four-day Ankara meeting of the pact powers also urged closer cooperation between the Baghdad Alliance and the "other free world regional collective security organizations."

These would be the North Atlantic Treaty Organization and the South East Asia Treaty Organization.

The council, whose meetings were attended by U. S. Secretary of State John Foster Dulles, also demanded "constant exposure of the familiar (Communist) tactics of subversive penetration, falsely presented as friendly co-existence with underdeveloped countries."

—Condemned Red efforts to use for their own ends "nationalism, fear of war, economic distress, the plight of Arab refugees and National Asian sentiments."

—Urged U. N. members to accept the U. N. emergency force idea, so successful on the Egyptian border, as a means of ending disturbances in other critical areas.

Another of the wounded, Detective Wilburth Spriggs, was in serious condition at the hospital. Spriggs was also shot in the face.

The two other officers, Patrolmen Carroll Perry and John Masland, were listed in satisfactory condition.

Police charged Taylor, a Negro, with atrocious assault and battery by shotgun.

The battle started, police said, when two .38 caliber slugs ripped through the living room wall of Charles Campbell, a neighbor of Taylor's.

Campbell stepped out onto his porch to see where the shooting was coming from and was felled with a bullet in the hip. He told police the shot came from the direction of Taylor's shack.

Death Pact Ends Lives Of Couple

DAMASCUS, Md. (AP)—The bodies of an elderly couple, who apparently died in a suicide pact, were found in their home near here last night.

Authorities said Robert Burdette, 69, evidently had hanged himself in the basement and his wife Della, 66, had drowned herself in a bathtub upstairs.

Stocks Move Ahead

NEW YORK (AP)—Stocks were in demand as the steel market moved further ahead in fairly active trading early today.

Suit Publicity Irks Roberto

ROME (INS)—Italian Film Producer Roberto Rossellini was described as furious today over the disclosure that he has asked a Rome court to annul his marriage to Actress Ingrid Bergman.

He was said to have telephoned Miss Bergman in London to apologize for the publicity given the suit.

A hearing on the annulment petition is tentatively scheduled for Feb. 6. Neither Rossellini nor Miss Bergman is expected to be present.

Enraged Man Shoots Down Four Officers

ATLANTIC CITY, N.J. (AP)—A 67-year-old handyman, enraged and nearly blinded by tear gas bombs hurled into his shack, shot and wounded four policemen last night.

Police said the man, David Taylor, ran from his tumbledown cabin with a shotgun ablaze and cut down the four officers in rapid succession before being captured.

Patrolman Joseph Gasparro, who was shot in the face during the encounter, was in critical condition at Atlantic City Hospital today.

Another of the wounded, Detective Wilburth Spriggs, was in serious condition at the hospital. Spriggs was also shot in the face.

The two other officers, Patrolmen Carroll Perry and John Masland, were listed in satisfactory condition.

Police charged Taylor, a Negro, with atrocious assault and battery by shotgun.

The battle started, police said, when two .38 caliber slugs ripped through the living room wall of Charles Campbell, a neighbor of Taylor's.

Campbell stepped out onto his porch to see where the shooting was coming from and was felled with a bullet in the hip. He told police the shot came from the direction of Taylor's shack.

Officer Attempts To Check Auto, Slugged On Head

CHEVERLY, Md. (AP)—Patrolman C. E. Wendel saw a car with its rear end protruding into the roadway early today and got out to investigate.

In the darkness he couldn't make out the license number and bent over to try to read it.

Wendel said he recovered consciousness about 15 minutes later. He said someone slugged him as he was trying to read the plate and he came to lying in the road.

The car was gone. Wendel, 24, radioed for help and was brought to Prince Georges General Hospital. He was admitted with a head injury.

Lodge, Wife Granted Audience By Pontiff

VATICAN CITY (INS)—Pope Pius XII today gave a 15-minute private audience to U. S. Ambassador and Mrs. Henry Cabot Lodge.

Lodge, U. S. ambassador to the United Nations, stopped over in Rome before beginning a visit to Asian capitals.

Union Probe Group Seeks Bribe Details

Contractor Pleads 'Fifth' In Refusing To Discuss 'Offer'

WASHINGTON (AP)—Senate racke

ts probes offered Chicago contractor Stephen A. Healy a second chance today to tell whether he paid \$228,923 in bribes to union chief William E. Maloney.

Healy pleaded yesterday that "it might incriminate me" to tell whether he had bribed Maloney, president of the powerful International Union of Operating Engineers.

He thus became the first witness to plead the Fifth Amendment's protection in the current series of hearings. None of the union witnesses who have testified thus far has refused to answer questions.

To Ill To Testify

The 74-year-old Maloney says he is too ill to testify. The special Senate committee said it has been denied access to 10 bank safety boxes held in the names of Maloney and his wife in various cities.

Healy, 69, heads the S. A. Healy Co. of Chicago, which Kennedy has described as one of the nation's major construction firms.

Country Needs Testimony

Committee Chairman McClellan (D-Ark.) referred to Healy's age in saying that time is getting short and "your country needs" the testimony to help fight evils of corruption in unionism.

Healy refused to answer more than 30 questions dealing with his finances and his relations with union officials.

While Healy smiled grimly, committee investigators testified the books of the Healy company show he withdrew \$228,923 in cash between May 1950 and Dec. 31, 1956.

Nazi Era Began 25 Years Ago

BERLIN (AP)—Twenty-five years ago today, Adolf Hitler and the Nazi party took power in Germany and the "Thousand Year Reich" was born.

The thousand years ended 12 years later after World War II, the murder of six million Jews, the division of Germany and the spread of Russian power.

Hero Describes Life-Death Struggle With Slayer Of 10

CASPER, Wyo. (AP)—"I knew I saw a young man open the car that if he won, I would be dead," highway side of the car and asked Soft-spoken 29-year-old Joe Sprinkle thus summed up his struggle with Charles Starkweather, 19-year-old Nebraska youth, said: "Raise your hands. Help me release the emergency brake or I'll kill you."

They fought for a .22 rifle. Sprinkle was en route from Casper to Cheyenne and Douglas on business for his company, an oil firm.

He said: "About 15 miles east of Douglas I noticed two cars parked on opposite sides of the highway. As I passed I couldn't see anyone in either car."

He went to a side road, turned around and pulled up behind the westbound car.

"He then ran for the other car facing toward Douglas."

"My clothes were torn. As he ran a trucker pulled up and stopped."

(Continued on Page 2; Col. 4)

Need Force To Deter Or Win Conflict

Bomber Production, Atom Sub, Missiles Speedup Said Urgent

WASHINGTON (AP)—Sen. Jackson (D-Wash.) today urged a big spurt in bomber production as one of the "things we need to do immediately to stay alive."

Jackson, a frequent critic of administration defense policies, also called for a quick stepup in production of long-range missiles and nuclear submarines capable of firing such missiles. He said the Army should be built up.

In a speech prepared for the Senate, Jackson said the United States has lost "our two precious allies in past wars—time in which to mobilize, and distance to protect our homeland."

Must Be On Hand

"Today whatever force is required, either to deter war or to win it if deterrence fails, must be on hand—ready at all times," he said.

Jackson did not make clear in his speech whether he felt additional funds for such an accelerated program should be included in a \$1,410,000,000 emergency defense money bill now pending, or whether he had in mind adding to the regular defense appropriations bill for the fiscal year starting July 1.

It was reported that Senate Democratic leaders decided not to try to increase the total of the emergency bill, which has passed the House and now is before the Senate Appropriations Committee. That bill is for the present fiscal year.

Unwise To Seek More

Senate Democratic Leader Lyndon B. Johnson of Texas was understood to have told his party colleagues he believes it would be unwise to seek any additions to the emergency bill. Johnson reportedly said such an effort might delay Senate action on the bill by opening to debate the whole defense structure.

Adm. Arthur W. Radford said he no longer is confident that "no matter what mistakes our country makes in preparing for war—the great strength of our industrial potential will bail us out."

Crediting Russia with producing more long-range missiles faster, Jackson said, "The one and only way to fill the gap is by more long-range manned bombers."

He criticized administration requests to begin building nine new nuclear submarines designed to launch the Navy's Polaris, a 1,500-mile-range missile. He said 15 such subs should be started immediately with an eventual goal of 100.

Finally, he asked that the Army be built up to 18 modern divisions, instead of the 14 now planned in the budget.

95 Accused Of Treason

JOHANNESBURG, South Africa (AP)—A preliminary inquiry today ordered 95 South Africans, opponents of the Nationalist government's white supremacy policy, to stand trial on charges of high treason.

Ending a 13-month-long court hearing corresponding to a grand jury investigation, Magistrate F. C. A. Wessel ruled that there was "sufficient reason for putting all the accused on trial."

The government charged that they sought to overthrow it and set up a Communist state. Defense counsel V. C. Berrange contended his clients used only moral and peaceful persuasion in campaigning against the government's race legislation.

Grains Lower

CHICAGO (AP)—Grain futures prices were weak to lower at the opening of the Board of Trade today.

U. S. Stand Shaky On Summit Talks

By JOHN M. HIGHTOWER
WASHINGTON (AP)—The United States faces mounting difficulties in holding to its position that a summit conference should be held only if there is advance proof it will be successful.

State Department officials are worried over reports from Western Europe that public opinion increasingly favors a top-level conference with Russian leaders on Soviet terms if it cannot be arranged on Western terms.

Officials report that there is so far no basic difference of view among Allied governments on their demand for careful preparation in advance of a top-level session. That preparation would have to afford proof that such a meeting can achieve agreements on important issues.

Public Opinion Powerful
But public opinion in countries like Britain exerts a powerful pressure on government policies as it does here. This may make it difficult for the Allies to maintain a solid front on the matter. Furthermore, the Soviets are expected to exploit to the limit the European interest in a meeting.

The State Department has received a steady stream of reports this week from embassies abroad on European press reaction to comments made by White House news secretary James Hagerty in a Sunday TV interview.

Agenda Agreement
Hagerty said in substance that the only thing necessary was to agree on an agenda. After the broadcast he specifically denied that he meant in any way to modify President Eisenhower's stated ambitions for a meeting.

Nevertheless, reports to the State Department show that his original remarks were interpreted as indicating a modification and in the last three days the department has been making public statements trying to knock down this idea. The latest came from press officer Lincoln White.

Syria-Egypt Union Kindles East Turmoil

Plan Also Viewed As Act For Mutual Self-Protection

By WILLIAM L. RYAN
AP Foreign News Analyst
Syria's desperate-looking pursuit of union with Egypt promises new pressure on government policies for the two countries it may also be a measure of mutual self-protection.

The development is puzzling in many ways. There is much justification for speculation that the extremists of Syria hope and intend to rekindle the flames of pan-Arab nationalism in Iraq, Jordan and Lebanon.

The same consideration could be behind the apparent acceptance of the idea by Egypt's President Gamal Abdel Nasser. But there seems to be more to the picture than just that.

Overtones Of Worry
In reports from Damascus and Cairo, sketchy as they have been, the detailed plans for this union, there are many overtones of worry.

Union of Syria and Egypt, apart from its aim of electrifying the Arab East's nationalists and bringing heavier pressures against other Arab governments, also implies a measure of insurance both for Egypt and Syria against growing Communist influence in those areas.

Abolish Political Parties
By joining with Egypt, the Syrian regime indicates it is willing to abolish all its political parties and join Cairo in a monolithic "national union" which will govern the united countries. This would mean the Communists in Syria would have to forego their open political activity.

The Communists are outlawed in both Syria and Egypt, despite the involvement of the two regimes militarily and economically with the Communist bloc. In Egypt, Nasser has been fairly successful in keeping his home-grown Communists in jail or underground. In Syria, however, the Reds have been operating openly under the sham of cooperation with a "national front."

Steel Output Down

WHEELING (AP)—The president of the Wheeling Steel Corp. has told the firm's board of directors that steel production last year was less than in 1956.

FRIGID VIGIL—These eight bargain hunters began an icy stand Tuesday to be in line for four 99-cent used cars and four for \$99 that will be sold at 9 a. m. tomorrow at a Flint, Mich., used car lot. Relaxing in the chair (background) is James Steward who holds No. 1 spot and gets first choice. He lined up at 11:30 a. m. Tuesday. The others followed late that day. Mrs. Sandra Hollingshead is the only woman. (AP Photos)

U. S. To Release Soviet Science Data To Public

PHILADELPHIA (AP)—The government has decided to let down all the bars and release for immediate public use more than 50,000 Soviet scientific documents a year, an authoritative source revealed today.

Every agency in the government which now translates such Soviet literature has agreed to take part in the plan, he said. "No longer will the documents be stamped 'secret' and left to gather dust in the files," he said. "From now on, all this important scientific material is going to be distributed to the nation's scientists just as fast as it can be handled."

The sharp reversal in government policy was revealed by a source close to the government who is here as a delegate to the conference of American Abstracting and Indexing Services. He asked not to be further identified. The bulk of the Soviet literature will be made available by the Central Intelligence Agency and the Air Forces' Air Information Division. The Air Force set up its own intelligence agency to handle Soviet documents some years ago. It has been using the facilities of the Library of Congress.

The material to be released first is current literature which has been received and translated within the past year. A backlog estimated to contain hundreds of thousands of documents will be released in small batches so the flood of literature doesn't swamp the country's scientists. Most of the material has been "secret" only insofar as this country is concerned. All has been published openly in the Soviet Union, or in such European countries as East and West Germany and France.

Dior Fashion Accents New Trapeze Line

PARIS (INS)—The trapeze line was introduced today to a jam-packed audience of fashion editors and buyers in the first showing at the famed House of Dior since the founder's death last year.

The collection is the work of 21-year-old Yves Saint-Laurent, the only apprentice designer and assistant that the great Christian Dior ever had.

The designs on which this shy and serious young man has staked the future of the world's best known fashion house stress an equilibrium with hats worn straight on the head and a balanced silhouette within two bases of the trapeze.

The trapeze lines resembles a cone with the point cut off. It swings from the shoulders or from a low waistline.

Daytime skirts are very short and many of the dresses are scooped low in the back. Many of the skirts are heavily pleated. Favorite materials are lawn and organdie.

Saint-Laurent's first showing has been the talk of fashion week in Paris. More than 2,000 requests were received for the 300 seats in the salon during the past few days.

Trade Extension Asked

WASHINGTON (INS)—President Eisenhower asked Congress today to extend the Reciprocal Trade Act five years and authorize tariff reductions to meet a Soviet economic challenge which he said presents "the gravest risk to our way of life."

Hero Describes

(Continued on Page 2)
ped. I ran to his truck. Then I saw the girl run from the collision car to Deputy Sheriff Bill Romer's car.
"Then he sped away."
"I had no idea who the fellow was. I only knew that he had a gun and was going to kill me."
Sprinkle said he drove into Douglas, returned the rifle to Romer and returned to his home in Casper.

Sprinkle, a Navy veteran, and his wife Pat recently observed their first wedding anniversary. The car he stopped behind belonged to Merle Collison, 37-year-old shoe salesman from Great Falls, Mont. Collison was the dead hurt. It's one of 29 stimulating man behind the wheel. The girl articles in February Reader's Digest—on newsstands now. Get your copy today!

Space Battle Due To Erupt In Congress

Civilian vs Military Experiments Control Stirring Controversy

WASHINGTON (AP)—Congress appears headed toward a showdown battle over civilian vs. military control of outer space experiments.

A decision by Secretary of Defense McElroy to set up a Pentagon Advanced Research Projects Agency brought open opposition today to over-all military direction of space developments.

McElroy said the ARPA, which is to work on antimissile and outer space projects, will be officially set up "in a day or two." He said he wants it in existence before funds are voted for it.

While they did not immediately challenge McElroy's decision, Chairman Russell (D-Ga.) and other members of the Senate Armed Services Committee said the secretary's action is not going to be accepted by them as any final determination of who will supervise the race to space.

"This is a matter on which Congress must have full information," Russell said. "This is too vital a matter to be disposed of by some administrative order."

Sen. Kefauver (D-Tenn.) proposed a separate Cabinet-level department, saying, "The peaceful conquest of space is highly important and must not be overshadowed by military projects."

McElroy has contended he already has sufficient authority to establish the ARPA.

Senate Will Push Education Funds

WASHINGTON (AP)—Indications mounted today that the Senate may take the lead this year in trying to pass a federal aid to education program.

In the last two years the House has carried the ball on President Eisenhower's school construction bills while the Senate worked on other legislation. The bills were beaten on close votes in the House in both 1956 and 1957.

But Sen. Till (D-Ala.), chairman of the Senate Labor Committee, told a reporter today his group "is going right ahead" this year on a big education bill. This year's administration plan is designed to increase science education. It does not include funds for school construction.

Sen. H. Alexander Smith (R-N.J.), senior Republican on the committee, said in a separate interview he believed "it would be very wise for us to take the lead this session."

Some House leaders have said that they expect difficulty in getting legislation through that body. Hill himself arranged with Rep. Elliott (D-Ala.) to introduce bills today calling for a three-billion-dollar, six-year program of federal aid to education with emphasis on science and technology.

The program would be much larger than the billion-dollar, four-year proposal sent to the Capitol by President Eisenhower Monday. Smith introduced that measure Tuesday.

Pandora was the first woman on earth, according to Greek mythology.

Older Worker Class Defined

WASHINGTON (AP)—The U.S. Labor Department has an answer to a touchy question: When are people classed as older workers?

"When the only difficulty they encounter in looking for a job is that of their age."

According to Mrs. Alice K. Leopold, head of the women's bureau of the Labor Department, that is the official view.

She gave it in response to a query at a news conference yesterday.

SRC To Give 12-Year Road Work Report

General Assembly Will Be Told Exact Status Of Program

BALTIMORE (AP) — The State Roads Commission will give the General Assembly in the next week or so a detailed report on its survey of Maryland's 12-year highway program.

Roads Chairman Robert O. Bonnell said yesterday the report is being rushed together by 10 secretaries so it will be ready when legislators convene next week. The report will cover four items, using five-color maps and charts:

1. Progress during the first four years of the 12-year roads program, through Dec. 31, 1957. This will include projects completed, under construction, awarded, not started, advertised, and not yet awarded.

2. Roads originally considered for rebuilding which now can be maintained with normal repair work.

3. Roads remaining to be built as projected through 1966—including those left over from the first four years.

4. New projects the commission wants added to the original list.

The report on the commission's "sufficiency survey" was completed after meetings with county commissioners and delegations from each county in the General Assembly.

The report is one of three which Bonnell said his commission is preparing for the General Assembly.

A second will cover only work done in the first four years of the 12-year program, work which is scheduled for completion in 1958 and work which will then remain undone.

The third report will concern administrative changes made in the roads commission.

Tax Plan Amazes Shore Delegate

SALISBURY (AP) — An Eastern Shore legislator says he is "amazed and appalled" at Gov. McKeldin's proposal to raise the state income tax.

Del. Cannon (D-Wicomico) said in a letter to the governor yesterday he will vote against the tax hike.

Cannon urged McKeldin to find other sources of revenue "if you can't find it within your conscience to cut any deeper the requests of your various departments."

McKeldin will ask the General Assembly in his opening day speech next week for increases in the State income and sales taxes.

Cannon, chairman of the House of Delegates committee on banking, said increased State taxes coupled with higher federal taxes would mean "the people will not have enough money to buy the necessities of life and still pay their taxes."

Public Service Firm To Expand Facilities

BALTIMORE (AP) — The Public Service Commission has authorized the Eastern Shore Public Service Co. to issue 2 million dollars in bonds and 20,000 shares of common stock to raise money for expanded facilities.

Sale of the securities will be made to the Delaware Light and Power Co.

GIVEN POST—Gen. Sir Richard Gale, 61, World War II commander of British airborne troops, has been named deputy supreme Allied commander for Europe. He will succeed Field Marshal Viscount Montgomery, 70, next September 21.

Runaway Boat Confiscated By Patrolmen

ANNAPOLIS (AP) — The thrills were something like the action in a TV western when a Maryland patrol boat recently corralled a runaway boat abandoned by three hooligans.

And to top it off, officers found the confiscated craft was named the Sagebrush, a character they met up with a year ago.

It was another saga in the story of Virginia oyster fishermen vs. the Maryland Tidewater Fisheries Commission. Robert Lee Shores, chief inspector of the TFC, said it happened this way last Monday night:

The Maryland patrol boat Honga River spotted two Virginia dredge boats operating off the mouth of Rostler Creek near Colonial Beach, Va.

Since dredging is outlawed in the Potomac, the patrol went after the boats, which sped for the Virginia shore.

With the patrol craft gaining, the faster dredge boat came alongside the other one. Three crewmen from the slower craft hopped aboard, leaving their boat like a runaway colt.

But TFC officers overlooked the Sagebrush and found it was the same boat, now rebuilt, which fell apart and sank near Potomac Beach, Va., Jan. 17, 1957.

The same as this time, it was trying to escape from a TFC patrol boat. The skipper claimed it had been rammed by a patrol craft.

Four bushels of oysters were confiscated along with the boat in this latest incident. Shores said an investigation is continuing.

Diplomat Expelled

CAIRO (INS) — A spokesman for the Yemeni government announced today the expulsion of a senior British diplomat from the little Arab kingdom. He gave no further details.

Highway Advertising Control Bill Sought

BALTIMORE (AP) — The State Roads Commission plans to try again next month to obtain legislation controlling advertising along Maryland's major highways.

SRC attorney Joseph D. Buscher released a proposed bill yesterday which the commission plans to submit to the General Assembly when it convenes next week.

The measure would in effect control access highways and expressways. Roads Chairman Robert O. Bonnell said the State has spent millions of dollars on excellent highways and "there ought to be some protection so the motorist won't have to drive along them through a canyon of billboards."

In the American colonies, any man who could raise a company of 50 men could win a captaincy in the Army, according to the Encyclopedia Britannica.

Maryland Man Dies In Wreck

TRAMMELL, Va. (AP) — A Maryland man was killed yesterday when the car he was driving crashed on Va. 64 two miles south of here in Dickenson County.

He was identified as Carroll F. McKay, 74, of Rocky Ridge, Frederick County, Md.

Silence For Gandhi

NEW DELHI (INS) — Indians observed two minutes of silence today in commemoration of the death ten years ago of Mahatma Gandhi.

State Jobless Payments Set Record

BALTIMORE (AP) — Payments to unemployed Marylanders set a record last week, but State officials say they believe the worst is over.

Robert B. Kimble, executive director of State Employment Security, said yesterday he was encouraged by a decrease in the number of new claims last week.

Kimble noted that the number of checks issued totaled 526 more than the week before. In the three previous weeks the number of new checks had gone up 3,682, 7,162 and 5,683. Last week's total was 46,166.

The State paid \$1,369,548 to the unemployed last week, a new record, but only \$17,389 higher than the week before.

The total payments went up in previous weeks by \$83,789, \$214,806 and \$176,939.

New claims dropped to 7,289 from 8,402 the previous week. Kimble said these figures indicate "a definite slowdown in the economic downturn which became apparent the latter part of 1957."

He noted that the figures, though heartening, "neither offer a substantial enough change nor do they cover enough period to permit a forecast."

OUR COUNTRY
The union of hearts, the union of hands and the flag of our Union forever.—Morris.

Grip Of Tyranny

IN ALL THE HUBBUB over Soviet achievements in science and education relative to our own, one aspect of the matter hasn't had the attention it probably deserves. Since the dawn of tyranny, men have been saying that arbitrary government is the enemy of free thought and hence of genuine progress in science and all other fields of education. What the Russians have accomplished, and are continuing to accomplish, seems to contradict this long-held notion. For it is doubtful if any tyranny in history was more rigid than the Soviet version which now imposes its grip upon millions of square miles of the earth's surface.

IN THIS VAST arena of human terror, the expression of ideas is controlled with ruthless efficiency. Departures from the Communist line of the moment are penalized as unforgivable heresy. Yet within this oppressive atmosphere, the Soviet Union has astonished free men by achieving results in science and technology that the free world has not matched. How have they managed what so many have said was impossible in a dictatorship? For one thing, the Soviet Communists do not apply their controls to the realm of the physical sciences now so vital to the creation of new military weapons and materials. In this zone of thought, Russian scientists are free to explore with all the ability and energy at their command.

ON TOP OF THIS, any Russian exhibiting any talent at all for science is exhaustively schooled in its disciplines and kept on the science track no matter what. We all know now that we don't have enough people in science and some that get into it are sidetracked by the draft or drawn away from pure scientific research into other fields. In the Soviet Union, by the very fact of its dictatorship, there is no such deflection of talent. It is clear from the events of recent months that among the many things we no longer can take comfort from is the idea that men in the Soviet Union can't think well. Not only can they, but when they demonstrate it their government won't let them do anything else. The way of compulsion is not for us. But we'd better find some approach which will make our way of freedom produce better results.

Ideas To People

THE LATEST People to People Bulletin reports progress under the heading of "Hobbies." The Stamp Committee of the Hobbies Committee of the People to People campaign is submitting hundreds of letters received by organizations which can correspond in the same language. And a Pets Committee, it is noted, will hold an organization meeting. The Coin Committee is getting 25,000 Peace Dollars from the Mint. These will be put on sale at face value, the idea being that they will serve as good luck charms. It is to be hoped that these Peace Dollars are not put on sale as good luck charms in countries where many working people do not earn the equivalent of a dollar a day, or even of a dollar a week. The important thing to be doing is to emphasize that the world crisis concerns the kind of future mankind will have. It is a power struggle and, at the same time, a struggle of ideas. While efforts are made to exchange letters about stamps and pets, and to sell Peace Dollars as charms, what do we do in the field of ideas? What is done to let men of talent and ideas speak from America to the world? Major activities go largely neglected, and minor ones are given free play. Khrushchev does not care how successful we are in the stamp collecting and in the discussion of pets if he can go along the main roads, zooming ahead at the expense of freedom and dignity. Those responsible for the People to People campaign should do some thinking about that, and so should we all.

IT IS JUST AS well that a move to have the one-time Brooklyn Dodgers play in the Rose Bowl fell through. Imagine the bellicose Bums occupying a field with such a genteel name!

Sam Van Winkle . . . Finally Awake

Doris Fleson

Another Young Demo To Try For Senate

WASHINGTON — Another promising young liberal Democrat from the House has decided to take advantage of his party's bright prospects next November and reach for a Republican Senate seat. He is Representative Eugene J. McCarthy of St. Paul, whose formal challenge of Senator Edward J. Thye is due next week end.

McCarthy may have some primary opposition from pro-Kefauver elements in the party or others, but it has long been said in the state that the Democrat-Farmer-Labor nomination was his for the asking. The reason offered was that "everybody likes Gene," who is a soft-spoken former professor of economics and social science.

Senator Thye is no pushover.

Peter Edson

Dellay May End As Man Without Party

WASHINGTON — (NEA) — The first U.S. congressman to switch from Republican to Democrat since Sen. Wayne Morse of Oregon did it three years ago is Rep. Vincent J. Dellay of New Jersey's 14th district, across the Hudson River from Manhattan.

Representative Dellay has now made his switch official by moving across the aisle of the House. He has been accepted as a member of the Democratic caucus. He has resigned as Republican member of the House Merchant Marine Committee. Speaker Sam Rayburn has now reassigned him as a Democratic member of the Merchant Marine, Postal and Civil Service committees.

The next question which Representative Dellay has to decide before the March 6 closing date in the 1958 New Jersey primaries is whether he'll run for re-election, and if so on what ticket?

There are two versions on why Representative Dellay did what he did. One is Dellay's story. The other is what New Jersey Republicans have to say about him.

DELLAY, 50, was born to Italian parents in West New York, N. J. His father died when Dellay was a boy and he educated himself in evening high school and at American Banking Institute.

He became an assistant bank controller in New York. For 20 years he was a field auditor for New Jersey treasury department.

TEN YEARS AGO
January 30, 1948

State headed by Playford Aldridge swept every office in annual election of Local 1874. Textile Workers Union of America.

Fire destroyed Always Inn, one mile outside of Ridgeley; damages estimated at \$10,000.

THIRTY YEARS AGO
January 30, 1928

Allegany High School basketball team defeated Penn Avenue, 56-19.

Branch of Maryland League for Crippled Children formed here.

however. He was once Governor and a good one; he is a farmer who, after 12 years here, still lives and thinks close to the grass roots.

Minnesota Democrats have been running for some time against the Eisenhower Secretary of Agriculture, Ezra Taft Benson, but so has Thye. Thye is also rebelling against the Eisenhower budget bans on water, power and welfare projects.

IN THIS HE has the company of most farm state Republican candidates. They complain very frankly that there is little nourishment for their campaigns in a spending program concenated on missiles, foreign aid and reciprocal trade.

Their loud gripes account in part for the partisan outburst of the assistant to the President, Sherman Adams, at the Republican fund-raising dinner in Minneapolis last week.

In another gesture of party confidence in its farm belt future, Wisconsin Democrats are pressing Governor Vernon W. Thompson to call a special election to fill the House seat left

vacant by the death of Republican Lawrence H. Smith last week.

SENATOR William Proxmire carried Smith's district heavily when he won his upset victory last fall over Republican Walter Kohler, former Governor. The district combines a stoutly Republican county with industrial cities like Racine and Kenosha, which lean to the Democrats.

The Proxmire supporters are sure it can be won again. They attribute the Governor's delay in announcing a decision about filling it to national Republican fears of another morale-shattering defeat in the farm belt.

PROXMIRE's victory unquestionably shook the GOP. The late Representative Smith held his district 17 years and it, too, would attract plenty of notice if it should be lost now to the resurgent Democrats.

Wisconsin sources also suggest that Mrs. Smith, a forceful and attractive woman, may be the Republican candidate to succeed her husband. The leading Democratic aspirant is Jerry Flynn of Racine, who once tried and failed to unseat Smith.

(United Feature Syndicate, Inc.)

He's on leave from that job now, while serving in Congress. He got into politics early. And because he was a Republican in an old Hague machine Democratic stronghold, he went up fairly fast.

He first ran for Congress in 1934 and lost. Undaunted, he decided to try again in 1936 and the GOP organization let him have the nomination.

Few Republicans thought he had a chance against 300-pound Democrat T. James Tumulty, nephew of Woodrow Wilson's former secretary.

Dellay says he asked and got no support from the GOP organization and that he ran largely as an independent. But he supported Eisenhower and backed the President's liberal program right along with New Jersey Sen. Clifford P. Case.

BY A POLITICAL miracle which has also been described as a political fluke, Dellay won, 61,000 to 53,000. This reversed a 53,000 to 32,000 Democratic victory by Tumulty in 1934.

The Republican headquarters version of what happened next is that they suggested several patronage appointments which Dellay might make. He chose instead to appoint several members of his family to his staff, taking up in this manner some \$30,000 of the \$50,000 worth of jobs he had to bestow.

Dellay says the organization

vacant by the death of Republican Lawrence H. Smith last week.

SENATOR William Proxmire carried Smith's district heavily when he won his upset victory last fall over Republican Walter Kohler, former Governor. The district combines a stoutly Republican county with industrial cities like Racine and Kenosha, which lean to the Democrats.

The Proxmire supporters are sure it can be won again. They attribute the Governor's delay in announcing a decision about filling it to national Republican fears of another morale-shattering defeat in the farm belt.

PROXMIRE's victory unquestionably shook the GOP. The late Representative Smith held his district 17 years and it, too, would attract plenty of notice if it should be lost now to the resurgent Democrats.

Wisconsin sources also suggest that Mrs. Smith, a forceful and attractive woman, may be the Republican candidate to succeed her husband. The leading Democratic aspirant is Jerry Flynn of Racine, who once tried and failed to unseat Smith.

(United Feature Syndicate, Inc.)

tried to force other appointees on him with whom he could not work. When the 1937 New Jersey gubernatorial race came along, Dellay went to Republican Candidate Malcolm Forbes and suggested certain lines for the campaign in the 14th district. Forbes chose instead to work with the regular GOP organization.

At the height of the campaign, Dellay issued a statement saying that though he still supported President Eisenhower, "I cannot support the candidacy of the Republican nominee for governor, State Senator Forbes. After a good deal of soul-searching, I shall vote for the re-election of (Democrat) Governor Meyner."

DELLAY SAYS today that his switch was caused by three principal factors, to which he gives about equal weight.

One was his disapproval of the Republican machine organization and tactics in Hudson County, N. J.

Second was his preference for Meyner over Forbes.

Third was his belief that Eisenhower's principals could be carried out and are in fact being carried out better by the Democrats in Congress than by the Republicans.

The Republican organization's reaction to all this is that having broken with them in New Jersey, Dellay has no chance for the GOP nomination. He is therefore said to be turning to the Democrats as his only hope for political survival.

Teen-Agers

A TEEN-AGER should not be permitted to have his own car, but should be allowed to use the family automobile if his conduct warrants it. This is the opinion of a veteran juvenile court judge, Albert A. Waldman of Cleveland.

"Most teen-agers want their own car," says Judge Waldman, "but to get it is usually just the beginning of trouble for the family. Soon the boy is spending all he can spare to tune the vehicle up. His studies are neglected and his marks at school begin to drop. Then he begins to lose interest in his classes."

"His whole life seems to revolve around his hotrod. He begins to need money to buy equip-

Glancing Sideways

NEW YORK—There is a man named Frank Shaw who lives up in Dedham, Massachusetts, whose amiable job in life is to be president of a greeting card company.

Frank Shaw sent down word the other day that if I wanted to see the most expensive Valentine in the world, I should visit any substantial store dealing in these fancy items and I'd find his company had made it.

This one has yards of lace, some hand-painting and imbedded in its innards is a wafer-thin Swiss music box that plays "Let Me Call You Sweetheart," and according to Frank it runs some \$15, retail.

I'LL QUARREL with Frank on two scores: the most expensive Valentine I ever heard of was a 22 kt. diamond ring a local tycoon once forced on his wife on February 14th, but of course that wasn't a stock Valentine, and the second demer is that I'd find it in responsible, substantial stores which could afford to stock that kind of item. I tried four and they didn't have it, and two had not heard of it.

Will Frank Shaw please assign Chambers, Wiswell, Shattuck, Clifford and MacMillan of Boston, his mouthpieces, to be more specific about addresses?

BOYS, YOU might as well face up to it: your girl is going to look wild. I have it straight from the dead center of information. The "wild look" is the new thing in hair-do's and that soigne, whatever that is, appearance is out the window.

The Guild of Professional Beauticians, who don't sell or manufacture anything but always know what women are going to do next, advises that within a few months, or even weeks, up-to-date women will have the I-just-fell-out-of-a-tree look. This bird's nest effect, which some males confidently believe women achieve by whisking an egg-beater through their hair, is the thing for 1958 and by spring 60,000 associated American beauticians believe most women of chic will achieve it.

INFLUENCE of the chemise gown, for one thing, demands a hair-do looking like something Jules Verne ran through in bare feet. But women, they say, also need be wary: Not all women will look attractive with hair that looks like an explosion. Also, a secret: you can have it both ways.

The Wild Look is a sort of Hard-Top Convertible. The hair is cut in short, irregular lines

(McNaught Syndicate, Inc.)

Frederick Othman

It's Matter Of TV Ethics

WASHINGTON — On Monday next congressional investigators will devote themselves to the embarrassing problem of the nine-pound ham. You remember that one.

Years ago a leading bureaucrat here announced his own rule of ham insofar as it concerned gifts from industrialists with whom he did government business. A nine-pound ham he accepted; he considered that a gift of no importance. A 12-pound ham he sent back because he felt maybe that might be a bribe.

NOW THE question is color television sets in the homes of Federal Communications commissioners, plus speeches by some of them for — orator's term — honorariums. The Special Subcommittee on Legislative Oversight will look into these charges next week at open hearings which seem to have been preceded by considerable yakety-yak-yak.

My own sympathies are with the commissioners. They needed color TV sets so they could see glorious color on their 21-inch screen, as this was part of their business.

These color programs are broadcast mostly at night, so the lead men in charge of America's broadcasting regulations wanted the sets in their homes so they could watch the proceedings with their shoes off.

SO FAR, FAIR enough. The ethics of the thing became a little complicated when the National Broadcasting Company, which

ment to make his car go faster. He competes with his friends to see who has the best looking and fastest automobile. If he can't afford to buy deluxe hubcaps or other articles, he sometimes will steal them. And he becomes involved with the police for disregarding traffic laws."

What are parents to do? Judge Waldman would make some concessions to the spirit of the times. One is to permit teen-age children to drive the family car if their conduct and school grades warrant it. The judge considers four times a month to be suitable for youths of 17 and over to be out with the car, and twice a month for the 16-year-olds.

Judge Waldman's views on this subject provoke thought. There is little chance, however, that they will be widely accepted, much as many parents would welcome this solution for a difficult problem. We could not do without automobiles, but many parents must sometimes wish that they had never been invented.

and, when first set, the waves are prim and conservative. All you need to transform yourself into a hoyden is a flick of your comb. Run it through once with a flourish and your hair looks like a busted sofa.

THERE IS AN actor in New York who weighs 250 wistful pounds and his name, so far as anyone can reliably discover, is Iggle Woffington. He is the product of a long line of Philadelphia show-folk.

Since the days of the brougham and the carriage they have been showing vehicles to the well-holstered citizens of the Main Line. Every Sunday morning after his Saturday night performance in "The Music Man," he rushes down to Philadelphia to congratulate all his kinsmen on being in the automobile business and sticking to it.

He became an actor in 1939, when Orson Welles strode through Philadelphia dragging a Shakespearean onlet called "Five Kings" behind him. He scarcely had learned how to walk on a stage without falling down before Uncle Sam snagged him for war purposes and threw him into the 102nd Division where, once in battle, he became known to all, high and low, as the Fightin' Fat Boy of the 102nd.

ENOUGH OF a fighter to receive a battlefield commission, the Bronze Star for Valor and other medals which contain Oak Leaf Clusters. I am not up on my medal verbiage, so I can't list them all. At the moment, in a small office scarcely large enough to contain him and a pack of cigarettes, he is interviewing other actors about jobs in Palm Beach beginning February 3rd at the Royal Poinciana Playhouse. When otherwise disengaged, he is to be found slumped in a gigantic chair in the lobby of the Algonquin Hotel, otherwise known as Equity Inn. From these shadowed depths he surveys a passing world with less than automatic pleasure and approval. He is not at all certain that all the human race has earned the right to survive. Most of it, but not all.

FOLLOWING up the bubble-car story: Had a ride in a Heinkel, a wheeled bubble of unusual smoothness and git. It is like riding in a crystal egg on small wheels, but it has snap and decision. It will seat four to the BMW Isotta's two — but let them be four built as in the Hammerstein lyrics in "South Pacific," where they're "narrow as an arrow."

Reporter's Notebook

NEW YORK — Sidewalk scrawls of a

Pavement Plato:
Victorian England saw the rise of societies for the alleviation of the poor. What is needed in America today is a society for the amelioration of the millionaire.

For the millionaire, once the symbol of wealth, might and the wastrel life, has fallen upon sad times. Now he is more to be pitied than censured.

The reason is simple: Money being what it is today, a simple millionaire no longer can afford to make much of a splash. He is no longer really rich, merely well-to-do, living on the plush side of poverty, so to speak.

MANY PEOPLE who envy a millionaire do not realize his true plight. He is like a man who stands on the doorstep of Valhalla, hearing the music and singing, but who can't quite get inside.

A man with only one million dollars is really a pitiable figure, when you get right down to it. He has the reputation of being rich, but none of the pleasure that goes with really being rich.

Suppose he wants to conserve his capital and live off his income. What can he do? To begin with, he invests in some kind of bonds—no income taxes—at 3 per cent. That means his income will be a mere \$30,000 a year.

That sounds like a lot of money to the ordinary breadwinner, and it is—to him. But if you want to live like a millionaire it is pretty small potatoes.

Shouldn't a millionaire have a place in Palm Beach, a penthouse on Park avenue, and summer home at Newport or Bar Harbor?

Shouldn't a millionaire have a yacht? Shouldn't a millionaire have a chauffeur, a butler, a gardener, a cook, a maid, a housekeeper and at least one secretary?

HE SHOULD, indeed, be able to do all these things—if he could afford to live up to the public's idea of a millionaire.

But if he did his million bucks wouldn't last him long—not at today's prices.

Four chorus girls and five years later our millionaire would be bankrupt, standing at the corner holding out his last sterling silver cup for a pittance from passers-by. He would be too poor even to hire a servant to beg for him.

The millionaire today is merely the symbol of a faded glamor. He is a creature of a sorrow known only to himself—a guy too poor to be rich and too rich to be poor.

And I, for one, wouldn't trade places with him—except for a million dollars.

(Associated Press)

George Dixon

Washington Scene

WASHINGTON — Ladies were present at the press conference the other day when Postmaster General Arthur E. Summerfield announced his craving to raise the postal rates. No one anticipated that offensive language would be used, but apparently it was. The Postmaster General looked shocked to the core, and four assistant postmasters general, who were perched in a row, quailed like stricken doves.

At first I could not comprehend what horrid thing had happened. The news conference opened decorously enough, with the P.M.G. standing before us, one of those little microphones hooked around his neck, like Doris Day about to burst into song. It all seemed so modern and proper.

We did not even wince when Mr. Summerfield averred that if mail service is not to go to hades—which is outside his postal zones—he must charge five cents for out-of-town letters and four cents for local.

THERE WAS nothing in this, however, to sully the fairest shell-like ear, and our Washington newspaperwomen have the must shell-like ears east of Pebble Beach. But then a male reporter asked:

"How will the proposed increase affect junk mail?"

This set off a chain reaction through the post office echelons.

Postmaster General Summerfield blanched.

Assistant Postmaster General John M. McKibbin flinched.

Assistant Postmaster General Hyde Gillette gulped.

Assistant Postmaster General Ormonde A. Kiech choked.

Assistant Postmaster General Eugene J. Lyons shuddered.

It was painful to behold their agony. I sort of wished I had the delicacy to turn my head. The postmaster general finally found his voice and cried, aghast:

"Junk mail!"

The offending questioner nodded dumbly. All the Assistant Postmasters General glared at him. The Postmaster General repeated:

"Junk mail? I presume you are referring to third class mail?"

The offender looked as if he would like to sink away and wash out his mouth with soap.

I was baffled, so when the conference ended, I went up to Mr. Summerfield and said:

"Is the expression 'junk mail' one that should not be used in mixed company?"

"We do not use it here in the Post Office Department," replied the P.M.G. "It is strictly taboo."

"You do not even whisper it among yourselves?" I persisted. "Not even out of ear-shot of the ladies?"

"Not at any time," declared the P.M.G.

"We take the position that third class mail, as we call it, performs some worthwhile functions — although I will admit that it is badly abused."

THE POSTMASTER General, who is an auto dealer by trade, said that he never uses junk—pardon—throwaway—double pardon—third class mail, in his private business. He said he feels too many recipients toss it into the wastebasket unread.

"But," he added, "I will not tolerate any of our postal services being referred to as 'junk.'"

Later, I contacted Harry J. Maginnis, spokesman for the Associated Third Class Mail Users, and he agreed with the P.M.G. that the word should not be used in either mixed, or unmixed company.

"Americans," he said, "send out approximately two billion Christmas cards a year. About half of them are sent unsealed, as third class mail. Do you think one billion Christmas cards should be classified as junk?"

I said I did not care to answer rhetorical questions, but that if he and the Postmaster General recoiled from the word I would never again use it in the drawing room.

So They Say

I think that if Congress would supply money to the universities with no strings attached, they could find the best way to train scientists and improve science.

—Dr. Laurence H. Snyder, president of the American Assn. for the Advancement of Science.

Trio Ordered Held On Drug Violations

FAIRFAX, Va. (AP)—A Fairfax County couple and a New York City man were ordered held for grand jury action today on charges of possession and manufacture of narcotics valued at half a million dollars.

The couple, Mr. and Mrs. Vincent J. Todaro of Herndon and George J. Nobile of New York, were arrested last week in what narcotics agents said was the biggest opium seizure in the area in years.

County Court Judge J. Mason Grove refused to lower the \$100,000 bonds set for Todaro and Nobile and they were returned to their cells after the four-hour hearing.

Mrs. Todaro remained free under \$15,000 bond.

The Greek physician Hippocrates, who was born in 460 B.C., performed skull surgery with a small instrument resembling today's circular saw, reports the National Geographic Society.

EQUAL RIGHTS — Pretty businesswoman, Miss Edythe Rein is challenging the sanctity of an all-male smoker's club. Miss Rein, of New York, filed a formal complaint with the Civil Aeronautics Board against United Air Lines for not permitting her to board its daily "executive flight" from Chicago to New York.

Marlow Likes Trade Idea Of U.S., Soviet

President Agrees To Exchange Plan With Soviet Union

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—Life would be simpler and maybe safer if nations of people could act like individual people. For instance, in visiting one another.

This week the United States and the Soviet Union signed an agreement for exchanging visitors — delegations from industry, agriculture, the arts, and so on — but it took effort ever since 1955 to get around to it.

The idea started that year at the summit conference in Geneva. Some visits were exchanged. But in the fall of 1956 the Soviet Union crushed the Hungarian revolt and this country on Dec. 3, 1956, called a halt to the exchange program.

State Department officials represented President Eisenhower as believing the program should not be resumed until the Soviet Union showed it believes in the right of neighboring countries to coexist under governments of their own choosing.

The Soviets haven't demonstrated any such thing but nevertheless, the new exchange program was agreed to this week.

In fact on April 12, 1957, the Eisenhower administration tentatively agreed to resume the program.

Gets Boost

During this time some small exchanges were taking place. But the idea got a boost—or a needle—on June 2, 1957, when Nikita Khrushchev, Communist party boss, appeared on millions of American TV screens in a filmed interview made by the Columbia Broadcasting System the previous month.

Among other things Khrushchev called for wider exchange of cultural delegations. At his news conference June 5 Eisenhower rather brushed aside the Khrushchev performance.

But the Soviets followed up. On June 6 they sent their ambassador to Washington, Georgi N. Zarubin, to the State Department. He spent more than two hours there, urging expansion of cultural exchanges.

On June 24 this government urged the U.S.S.R. to allow Soviet and American leaders to speak directly to each other's people in a series of uncensored radio and TV programs.

Red Proposal

The State Department, in making this offer, acknowledged the timing was influenced partly by Khrushchev's appearance on TV here. The Soviets on July 26 proposed a conference with this country to try to get agreement on exchanges.

On Aug. 16 this government said it was willing to talk. On Oct. 28 Zarubin walked into the State Department with 52 proposals.

The two main American suggestions turned out to be these: agreement by Moscow to stop

Dr. Willis H. White Succeeds Dr. Spitznas

BALTIMORE (AP)—A shuffle of principal in Prince Georges and personnel in the State Department of Education has sent five Maryland educators to new posts.

Dr. Willis H. White of Talbot County was named State director of instruction, succeeding the late Dr. James E. Spitznas. Associated with the department since 1932, White taught in Anne Arundel County, and was a high school principal in Calvert, Dorchester, Prince Georges and Baltimore counties.

William S. Sartorius of Worcester County will succeed the late Dr. John J. Seidel as assistant state superintendent in administration, finance and research. Sartorius joined the state department in 1932 after teaching, and serving as principal and superintendent in Worcester, Baltimore and Cecil counties.

Herschel M. James was appointed director of the division of vocational education. James has also been state supervisor of industrial education since 1946. Before 1941 he was a high school teacher and supervisor of industrial education in Allegany County.

Assisting James will be Paul Huffington, a native of Wicomico County. Huffington has been state supervisor of high schools since 1945. Earlier, he was a high school principal in Prince Georges and Talbot counties and served as registrar of the State Teachers College in Salisbury.

Dr. Wesley N. Dorn, assistant superintendent for business affairs in Washington County, was appointed state supervisor of instruction. He was born in Baltimore.

Dr. Caldwell said he would enter the May 20 Democratic Primary. He is best known for his activities as a national director of Pony League Baseball, Inc. He is also chairman of the Wicomico County Youth and Civic Center education since 1946. Before 1941 he was a high school teacher and supervisor of industrial education in Allegany County.

Miscellaneous News From West Virginia

By The Associated Press
Mountain State miscellany:

West Virginia University's student affairs division has announced that more than 150 high school students from throughout the state are expected at the seventh High School Leadership Conference at the university Feb. 28-March 2.

Dan J. Bisher of Moundsville was elected general chairman of the West Virginia Region Antique Automobile Club of America at a recent meeting in Charleston, while the organization set May 17-18 as a tentative date for its spring auto meet at Wheeling's Oglebay Park.

The Fayette County Bar Assn. has elected William R. Laird III, a Fayetteville attorney, as its president.

Prices paid for 6,940 feeder calves marketed through two state and 14 regional demonstration feeder calf sales in 1957 were the highest since 1952. Joe Emch, extension animal husbandman at West Virginia University, reported. He said 4,083 steer calves sold for an average of \$23.91 per hundred weight and 2,857 heifer calves brought an average of \$19.22 per hundred weight.

Junichi Nakamura of Japan combined a speaking engagement at a St. Albans church last week-end with a visit to renew old friendship with a Charleston man.

Jamming voice of American broadcasts in Russian, and regular exchange of uncensored radio-TV comments on world events.

The negotiations, which started with Zarubin's visit last October, agreement signed Monday. The were finally turned into the agreement signed Monday. The United States didn't get its two main requests. The Soviets didn't get all they wanted, either.

For example: the Soviets, who have jet airliners, wanted direct Moscow-New York air service, which would probably mean Soviet jets landing in this country twice a week. The Soviet proposal wasn't turned down flatly.

This country may agree to this when it has jet airliners in operation too.

Only instance of impeachment proceedings against a member of Congress was in the case of William Blount, Tennessee senator, in 1798. The charges were dismissed.

NLRB Ruling Against AFL

WASHINGTON (AP)—The NLRB in a 2-1 decision has held that the Parkersburg Building and Construction Trades Council, AFL-CIO, and its constituent locals were not entitled to force or require assignment of certain road work to its members.

The dispute arose during a construction project on approximately five miles of U.S. 21 between Williamstown and Vienna.

The contractor was Howard Price & Co., and Coal, Inc., was the subcontractor. The review of the case said that the building trades union, because of past contractual relationships with the employer and players, sought to have its members assigned to the work, rather than the members of a United Construction Workers, a United Mine Workers affiliate, who were employed by the two companies.

In the final order, the NLRB held that the law did not permit the trades union to force Price to assign the work to its members, rather than its own employees, who were members of the UMW. It did, however, decline to dismiss the case.

Honored Sousa's Visit

Austria, in 1955, issued a special medal in honor of the 50th anniversary of the visit of John Philip Sousa and his band to Vienna in 1905.

Martin To Run For Senate Job

CHARLESTON (AP)—Sen. Clarence E. Martin Jr. of Martinsburg filed today as a candidate for Democratic renomination for the State Senate from the 16th District.

Martin is completing his second four-year term in the Senate and since the start of the 1957 Legislature has been Senate majority leader and chairman of the Judiciary Committee.

The 16th District includes six Eastern Panhandle counties.

Bowling Green Homemakers Starting Needle Point Class

Mrs. Harrison Shanholz presided at the meeting of the Bowling Green Homemakers and opened with the thought for the month and a brief sketch on the life of the author—Disraeli. The collect was read in unison and the history of the hymn of the month, "Hail To The Lord's Anointed," was given by Mrs. Lakin Root and song by the group. It was held at St. Matthew's Church hall.

Roll call was answered by 12 members "telling how cheese is used in your family meals." Mrs. Lakin Root, food and nutrition chairman, gave a demonstration on "More Dairy Foods For You," by preparing a casserole, mixed green salad and the salad dressing, which she served to the group.

Mrs. Shanholz made several announcements concerning future demonstrations. Mrs. H. C. Utterback was appointed publicity chairman. Other chairmen appointed were Mrs. William Yeager, clothing; Mrs. F. B. Krichbaum, family life; Mrs. Lakin Root, food-nutrition; Mrs. Garland Chaney, health and safety; Mrs. J. E. Tritt, home furnishing; Mrs. William Watson, home management; Mrs. Coit Speicher, home and yard beautification; Mrs. George Hansel, music; Mrs. Helen Assif, reading; Mrs. Ralph Isminger, recreation and parliamentary; Mrs. Edwin Heavner, citizenship; and Mrs. Dewey Thompson, membership.

The club has decided to start a needle point class, as its first project for this year. Mrs. William Watson will instruct the group and all who are interested will bring canvass, yarn and needle to the February meeting.

A white elephant sale will also be held next month to help build up the treasury. The meeting was adjourned with group singing. Present were Mrs. Shanholz, Mrs. Chaney, Mrs. Isminger, Mrs. Watson, Mrs. Yeager, Mrs. Tritt, Mrs. Russell Beck, Mrs. Hansel, Mrs. Root, Mrs. Assif, Mrs. Edwin Heavner and Mrs. Utterback.

Mrs. Edward Fahey, is convalescing at her home, 408 Columbia Street, after a fall January 19.

Mrs. Mary Jane Mink was hostess to members of the Civinette Club at her home on Lynn Street, with reports from the business session. Mrs. Martha Moore presided and announced that the club gave two musical rocking chairs to the pediatric department of Memorial Hospital and two pillows to Sacred Heart Hospital.

Concluding the evening a social hour was held, cards were played, and refreshments were served. Others present were Mrs. Mary Margaret Rowan, Mrs. Elsie Nave, Mrs. Mary Ellen Serf and Mrs. Doris Kolb.

The meeting February 27 will be held at the home of Mrs. Rowan, 603 Maryland Avenue.

McKinley Chapter 12, Order of Eastern Star, will meet in Masonic Temple, tomorrow at 8 p. m. Mrs. Rebecca A. Duff, worthy matron, and Donald G. Paulman, worthy patron, will preside at the business meeting.

A card party will follow in the Assembly Hall. Mrs. Dorothy Tase and her committee will be in charge of the refreshments.

Cotton Kerchief Adds Glamor To Head

Wear a little charm insurance on your head when out sports-riding this fall. A washable cotton kerchief clipped to your coiffure will keep it in perfect shape for activities at the journey's end. For variety, sew a few ruffles to the border.

Kerchiefs should be rinsed in lukewarm soap or detergent suds after each wearing, pressed with a cool iron. Ruffles may be pinch-pressed with your fingers when practically dry.

Beauty Costs More

It is getting costlier to become more beautiful these days. The prices of haircuts, cosmetics and personal care increased 3.2 per cent from July 1956 to July 1957, and chances are the cost will go up another 2.4 by July 1958.

Homemakers Planning For Three Programs

The executive board of the Allegany County Council of Homemakers' Clubs will plan for the annual tour, Achievement Day and observance of National Home Demonstration Week.

Club presidents, county officers and chairmen of Homemaker Clubs will meet February 3 at 1 p. m. at the Cumberland Free Public Library to draw up plans for the events mentioned.

CTP Bowlers Celebrate At Mid-Season

The C. T. P. Bowling League held its mid-season banquet a recent evening at Central YMCA. In charge of the affair was Mrs. Pauline Shaffer, chairman, with Mrs. Barbara Sarver and Mrs. Margie Ziler and Mrs. Tillie Goheli as her committee.

The ladies decided to go to Bowman's Addition hall for the end-of-season banquet on Thursday May 8, and appointed Mrs. Nedra Nixon chairman, with Mrs. Barbara Sarver, Mrs. Mae Mintrop, Mrs. Hattie Carnell, and Mrs. Tillie Leasure as committee. In charge of favors for the event will be Mrs. Virginia Huff, and Mrs. Tillie Goheli, games and Mrs. Mabel Young, cards.

Jingles were exchanged and cards and games played to conclude the evening's entertainment.

Library Project, Dance Discussed By Century Club

Action was taken on the county library project and national Community Achievement contest at the meeting of the LaVale Century Club Tuesday night at the LaVale Methodist Church. Mrs. Floyd Cozad presided.

A petition was sent to the county commissioners asking them "to get state and federal aid for Allegany County, by appropriating \$2 for every \$10,000 assessable property in Allegany County," for a county library.

To compete for the 1958 prize in the national Community Achievement contest, sponsored by Sears Roebuck, the club will send in its scrapbook concerning the remodeling of the old police barracks into a LaVale library.

It was pointed out that it is now valued at \$7,000. The club paid \$500 for it and the remainder was donated by the community citizens through cash or time.

Mrs. William Barger announced the new choral group of the club has been organized and will meet the first and fourth Monday of each month, at LaVale Methodist Church, at 7 p. m.

Mrs. Kenneth Wolfe is pianist and Mrs. Alan Macy will be director. She also introduced two new members, Mrs. George Reuschlein and Mrs. Louis Mould.

Mrs. Paul Stair, program chairman, introduced William Barger, director of Civil Defense, who spoke on "Civil Defense or Common Sense." He also showed movies taken in Allegany County. The club collect was read by Mrs. Kenneth Morgan. Concluding the program, refreshments were served. Hostesses were Mrs. C. N. Sanner, Mrs. William Douglas, Mrs. Richard Schwab, Mrs. Richard Johnson and Mrs. G. W. Duvall. The next meeting will be February 25.

Plans for the third annual dance for the benefit of the library maintenance fund were about completed. It is being held February 12 at the Cumberland Country Club with music by Peck Mills.

Joseph Winters Jr., son of Mr. and Mrs. Joseph Winters, Cresaptown, is a patient in Sacred Heart Hospital, for medical treatment and X-ray.

Personals

Mrs. Lillian Steward and Mr. and Mrs. John Gaul returned to their home in Wildwood Crest, N. J., after attending the funeral of the former's mother-in-law, Mrs. Josephine Steward.

Miss Catherine Nield, Westernport, is a patient in Memorial Hospital for observation.

Mr. and Mrs. Michael Beerman, 815 Braddock Road, will leave for Chicago Saturday to attend the annual Auto Accessories Manufacturing Association show, at the Chicago Navy Pier, February 3 to 6.

Mr. and Mrs. Grady H. Wolford, RD 5, Cumberland, returned from Chicago, where the former attended the National Home Builders Association meeting at the Hotel Sherman, Conrad Hilton and Colesium. They were accompanied by Mr. and Mrs. Ralph Cover, Bowling Green.

Hospitals Given Gifts By Civinettes

Mrs. Mary Jane Mink was hostess to members of the Civinette Club at her home on Lynn Street, with reports from the business session. Mrs. Martha Moore presided and announced that the club gave two musical rocking chairs to the pediatric department of Memorial Hospital and two pillows to Sacred Heart Hospital.

Concluding the evening a social hour was held, cards were played, and refreshments were served. Others present were Mrs. Mary Margaret Rowan, Mrs. Elsie Nave, Mrs. Mary Ellen Serf and Mrs. Doris Kolb.

Troop 13 Tours City Hall And Departments

Approximately 40 girls of Girl Scout Troop 13, with their chaperones toured the City Hall, the Fire Department and Police Headquarters Monday.

The tour through the City Hall was conducted by Gene Mason, recreation director, who introduced them to Mayor Roy W. Eves. They were briefed on many facts about the Fire Department and also visited the court room and jail.

Plans are being discussed by the girls for a mothers Valentine tea which will be held at Holy Cross Church, February 9.

The girls of the troop are also participating in the skating lessons for Girl Scouts at the Cumberland Armory and for the Dancing badge at the Girl Scout House.

The troop held an investiture service and awarded badges followed by a party on December 16.

Dailey-Taylor Team Bridge Winners

The Master's Point game played by the Potomac Valley Bridge Club Tuesday evening at the Woman's Civic Club house, was won by C. William Dailey and Norman W. Taylor. There were 11 1/2 tables in play and the average score for the North-South section was 120, compared to 110 for the East-West section.

Mr. Dailey and Mr. Taylor scored 145 to lead the East-West players. Runners up were Mr. and Mrs. George Boltorf, 137; Robert A. Davis and Mrs. Gerard Everstine, 120 1/2, and Mrs. Norman W. Taylor and William A. Douglas, 115.

Leaders in the North-South section were Miss Alice Stakom and Mrs. Ralph Nevy, 154; Miss Rose Jackson and Mrs. William Snyder, 132; Mrs. Morris Barnes and Miss Louise Zihlman, 129, and Mrs. Joseph Huggleston and Mrs. Raymond Goetz, 123.

A charity game, with proceeds going to the Heart Fund, will be held today at 8 p. m. at the club.

Refreshments were served with a card party. Prizes were won by Mrs. Mrs. Ellen Carroll and Mrs. Glenn Boyd, bridge; Mrs. Mildred McDaniel and Mrs. Francis Sweeney, 500; Mrs. James Orr and Mrs. Alice Beightol, dominoes; Mrs. Arthur Aspey and Mrs. C. W. White, canasta, and Miss Margaret Flurshutz, special prize.

Refreshments were served with Mrs. Nellie C. Kight, hostess, assisted by Mrs. Sweeney, Mrs. George N. Phillippi, Mrs. Mary Koontz, Miss Minnie Dantzic, Mrs. George Geiger, Mrs. Oliver Smith, Mrs. Elizabeth Dunlap, Mrs. Margaret Johnson, Mrs. James Littlefield, Mrs. William Porter, and Mrs. Lula Fink.

Seventy members attended. Mrs. J. Louis Shafferman will be the hostess for February.

The Progressive Young Women's Club will meet February 7, at 8 p. m. at the home of Mrs. Arthur Evans, McMullen Highway. Mrs. K. O. Nelson, home furnishing chairman will give a demonstration.

The 1948 class of Fort Hill High School will meet Tuesday at 7:30 p. m. in room 108 at the school to plan a reunion for the coming summer.

The Happy Valley 4-H Club will meet tomorrow at the home of Rita Daniels at 6:30 p. m. for a business session.

Groups Will Be Guests B'nai B'rith

Members of B'er Chayim Sisterhood, Hadassah and the Women's League of Beth Jacob Synagogue, have been invited to attend the program and meeting of Western Maryland Lodge, B'nai B'rith, today at 8:15 p. m. in the vestry of Beth Jacob. Harry Kaufman will preside.

Charles Zipperman of Takoma Park, an officer of the District Grand Lodge 5 will speak. He is to be accompanied by Milton Seidenman of Baltimore, Israel bond chairman of the district, who will speak on the first B'nai B'rith trip to Israel in February.

At this meeting, too, a slate of officers will be presented, with election set for next month, and installation in March.

Events Briefly Noted

The 1948 class of Fort Hill High School will meet Tuesday at 7:30 p. m. in room 108 at the school to plan a reunion for the coming summer.

The Happy Valley 4-H Club will meet tomorrow at the home of Rita Daniels at 6:30 p. m. for a business session.

The Progressive Young Women's Club will meet February 7, at 8 p. m. at the home of Mrs. Arthur Evans, McMullen Highway. Mrs. K. O. Nelson, home furnishing chairman will give a demonstration.

Groups Will Be Guests B'nai B'rith

Members of B'er Chayim Sisterhood, Hadassah and the Women's League of Beth Jacob Synagogue, have been invited to attend the program and meeting of Western Maryland Lodge, B'nai B'rith, today at 8:15 p. m. in the vestry of Beth Jacob. Harry Kaufman will preside.

Charles Zipperman of Takoma Park, an officer of the District Grand Lodge 5 will speak. He is to be accompanied by Milton Seidenman of Baltimore, Israel bond chairman of the district, who will speak on the first B'nai B'rith trip to Israel in February.

At this meeting, too, a slate of officers will be presented, with election set for next month, and installation in March.

A social hour will conclude the evening, with the Stein brothers as hosts.

Mr. and Mrs. Godfrey Siever, 112 South Centre Street, have returned from Corpus Christi, Texas, where they spent Christmas and the holidays with their daughters and their families, Mr. and Mrs. James Via and Mr. and Mrs. W. E. Palmer.

Barbara Garlitz Honored With Pre-Nuptial Shower; Kienhofers To Entertain

Miss Joan Kienhofer and Miss Joan Garlitz entertained with a pre-nuptial shower honoring Miss Barbara Garlitz, with Mrs. James Garlitz hostess at their home, St. Mary's Avenue.

Miss Garlitz, daughter of Mr. and Mrs. James H. Garlitz, 603 St. Mary's Avenue, will become the bride of Charles Robert Kienhofer, son of Mr. and Mrs. John Francis Kienhofer, 714 Columbia Avenue, Saturday. The ceremony will be solemnized at a solemn nuptial mass in St. Mary's Catholic Church at 11 a. m., with Rev. Lawrence P. Landrigan officiating.

The shower gifts were arranged under an umbrella decorated with dark and light pink mums. A shower cake was decorated with small pink umbrellas and pink mums flanked with pink candles in crystal holders.

Guests were Mrs. Garlitz, Mrs. Kienhofer, Mrs. Harry Robinson, Mrs. Harvey H. Garlitz, Mrs. Robert Connor, Mrs. Mary Spooler, Mrs. James Wolford, Mrs. Frank Kienhofer, Mrs. William Williams III, Mrs. George Garlitz, Mrs. Alice Holland, Mrs. Raymond Self, Mrs. Alfred Sidway, Mrs. LeRoy Garlitz, Mrs. Harold Connor, Mrs. John Stegmaier, Mrs. George Geatz, Mrs. Donald Connor, Mrs. Ernest Wolmen's Club will meet February 7, at 8 p. m. at the home of Mrs. Arthur Evans, McMullen Highway. Mrs. K. O. Nelson, home furnishing chairman will give a demonstration.

Mr. and Mrs. John F. Kienhofer will entertain with a party tomorrow night following rehearsal, at their home, 714 Columbia Avenue, honoring the bride-elect and their son.

The bridal motif will be combined with the spring theme in the decorations. Guests will include the bridal party, families and out-of-town guests.

All friends of the bridal couple are welcome to attend the ceremony.

Charles Zipperman of Takoma Park, an officer of the District Grand Lodge 5 will speak. He is to be accompanied by Milton Seidenman of Baltimore, Israel bond chairman of the district, who will speak on the first B'nai B'rith trip to Israel in February.

At this meeting, too, a slate of officers will be presented, with election set for next month, and installation in March.

A social hour will conclude the evening, with the Stein brothers as hosts.

Mr. and Mrs. Godfrey Siever, 112 South Centre Street, have returned from Corpus Christi, Texas, where they spent Christmas and the holidays with their daughters and their families, Mr. and Mrs. James Via and Mr. and Mrs. W. E. Palmer.

Will Present Hymn Festival

The combined Choirs of Fairview Methodist Church, United Brethren, and the First Christian Church will participate in the "Hymn of the Month Festival" to be presented with the Allegany County Homemakers Chorus of 30 voices, February 23. It will be given in the First Christian Church, Bedford Street, at 7:30 p. m. under the direction of Mrs. Richard W. Trevaskis Sr., assisted by Mrs. Paul Gilford. Mrs. C. G. Burkett will be accompanist.

Hymns selected by the National Federation of Music Clubs will be sung. Rehearsals will be held February 3, 10 and 17.

Legal Barrier Looms For Teacher Pay Bill

By HERB LITTLE
CHARLESTON (AP) — Opponents may try to raise a legal barrier in the path of a 5½-million-dollar teacher salary increase bill that is now on the floor of the House.

It appears probable that, somewhere along the line, an attempt will be made to block the measure on the ground that it is not within the boundaries laid out by Gov. Underwood in his call for this 20-day session of the Legislature.

The only item in the call on the subject of public schools reads: "Legislation to provide incentives to encourage the counties to raise additional funds for the support of free schools."

No such features are in the bill, which was up for routine first reading in the House today. It simply would earmark a portion of the state school aid appropriation for a salary increase for public school teachers.

The money would be distributed to the counties on the basis of the number of full-time teachers employed in each. The bill would provide raises of \$40 a month for teachers with college degrees and \$25 a month for non-degree teachers.

Should the bill be held to be outside the scope of the call, a two-thirds vote by both houses would be necessary to permit its consideration. That such a vote could be mustered seemed improbable.

The House Education Committee, headed by Del. Vennari (D-Ra.), sent the bill to the floor yesterday as a substitute for a more ambitious school support bill recommended by the West Virginia Education Assn.

Even if the bill passed the House, there seemed little prospect that it would win Senate approval in its present form. However, some senators said there is sentiment in that chamber for some improvement in teacher salaries by this Legislature, perhaps by means of a more modest bill than the one before the House.

The bill is in position to come up for a passage vote in the House Saturday if there is no interruption in its progress up the bill calendar.

The House, which met at 1 p.m., had at passage stage a bill to let West Virginia University establish and operate self-supporting, off-campus graduate centers in science and engineering. One such center is contemplated for the Charleston industrial area.

Although the House bill was at passage level in that chamber, it appeared likely that it would be sidetracked to permit the House to act instead on an identical graduate center bill which was unanimously approved by the Senate yesterday.

The Senate adopted by the required two-thirds majority yesterday a resolution to permit introduction of two tax bills to raise

an estimated \$2,350,000 a year for the WVU Medical Center.

The measures would extend the soft drink tax to powder and syrup preparations that are not now covered and increase the insurance premium tax from 2 to 3 per cent.

On the theory that the bills are outside the governor's call, the resolution was considered necessary in the Senate to permit their introduction. The resolution now goes to the House, where a two-thirds vote again would be needed for approval.

However, a bill to increase the insurance premium tax, with proceeds earmarked for the medical center, already has been introduced in the House without the prior formality of an authorizing resolution.

The controversial question of how much money West Virginia has in sight for highway purposes is the immediate future, subject of a hearing before the Senate House Roads Committee Tuesday, was to be explored in the House again today.

At 2 p.m. the House was to resolve into a committee of the whole to hear and question Road Commissioner Patrick C. Graney and his aides and possibly Cecil L. Bower, district engineer for U.S. Bureau of Public Roads.

Disagreement was disclosed at the hearing Tuesday as to how much is and will be available for road construction, including state matching funds required to take up federal grants for road-building. The committee's figures were more optimistic than Graney's.

The arrangements to air the matter before the full House membership were made on a motion by Minority Leader Seibert (R-Ohio).

The Senate, which met an hour later than the House today, had one minor bill up for passage.

A bulky bill to rewrite and modernize West Virginia's outdated coal-mining laws was passed by an 88-8 margin in the House yesterday and sent to the Senate. In contrast with the previous day, when prolonged argument marked the bill's course through amendment stage, its passage aroused no debate.

Casting the eight votes against the measure were Dels. Belpnap (D-Braxton), Blue (D-Hampshire), Dyche (R-Morgan), McCormick (R-Putnam), Morford (D-Calhoun), Row (R-Barbour), Sayres (R-Taylor) and Stevens (R-Mason).

McELROY HONORED — Secretary of Defense Neil McElroy is shown receiving an honorary Boy Scout badge from twin Cub Scouts Jerome Brooks, left, and John Brooks of Alexandria, Va. The informal ceremony was held at the Pentagon in connection with the 48th anniversary of the founding of the Boy Scout movement. (AP Photofax)

Eisenhower And Adams Inconsistency Denied

WASHINGTON (AP) — Maryland's Gov. McKeldin contends there is no inconsistency in the statements of President Eisenhower and Sherman Adams on the subject of politics and national defense.

McKeldin said in a speech last night that Adams in a recent talk criticizing the Democrats was simply engaging "in the old and honored robust manner of American politics."

The Maryland Republican spoke at a banquet of the leadership training school of the Young Republican National Federation.

He alluded to the recent blowup between Republicans and Democrats over apparently contradictory statements by President Eisenhower and his assistant, Adams.

While the President was delivering a speech at a GOP dinner deploring the use of national security as a political issue, Adams in another speech was criticizing the Truman administration's long-range missile program.

"Mr. Adams was delivering in all frankness a political speech in the old and honored robust manner of American politics," McKeldin said.

The governor also said that the United States could not go on indefinitely building great weapons, then scrapping them in favor of new ones, and so on.

This, he said, was extremely expensive in terms of fiscal resources and wasteful of our intelligence, manpower and natural resources.

McKeldin advised the young Republicans that the long-range goal of politicians should be to establish a philosophy or climate of peace in the world.

Governor To Aid Orchestra Event

BALTIMORE (AP) — Governor McKeldin, who rarely turns down an invitation to speak in public, admits he isn't enthusiastic about an appearance he'll make Sunday.

The governor is joining the Baltimore Symphony Orchestra in a production of Aaron Copeland's "Lincoln Portrait." Against a musical background, McKeldin will narrate parts of Lincoln's Gettysburg address, his second inaugural address and his thoughts on slavery, democracy and freedom.

Calling it "my debut on the concert stage," the governor said he "wasn't enthusiastic."

"But they told me it wouldn't take much time," he said. "I decided I'd do it if I could be helpful. It's my first appearance in anything of the kind."

Sen. Butler To Support Rep. Devereux

BALTIMORE (AP) — U.S. Senator John Marshall Butler says he will back Rep. James P. S. Devereux, his fellow Republican, in the coming election for governor.

Butler went on to say yesterday that the Second District congressman would make the run and have the full support of the Republican Party.

Denying reports that public announcement of Devereux's candidacy has been withheld at Butler's insistence, the senator said "I told Jim five or six months ago that if he ran for governor, I'd back him."

Devereux was frequently mentioned as a "stop Butler" candidate in the senator's 1956 bid for renomination. Denying there was any ill will created by the 1956 campaign, Butler said "I'm the kind of man who forgets about those things."

Garrett Removed To VA Hospital

CLARKSBURG (AP) — Wade H. Garrett, Democratic member of the House of Delegates from Harrison County, has been removed from a Gassaway hospital to the Clarksburg Veterans Hospital for further treatment of injuries suffered in an automobile accident.

Garrett was involved in a car wreck on U.S. 119 about 11 days ago near Gassaway. His condition, first reported critical, has improved but no visitors are permitted, hospital attendants said.

Support Noted

ANNAPOLIS (AP) — The Maryland Rockfish Protective Assn. says it has the support of most salt water anglers in its bid to require annual fees for fishing in Chesapeake Bay and bay tributaries.

Divorces Granted In Circuit Court

Three divorces have been granted in Allegany County Circuit Court.

William H. Harmon obtained a divorce from Daisy Pearl Harmon, who was given custody of an infant daughter; Theresa L. Buskirk was granted a divorce from Virgil J. Buskirk and the right to resume her maiden name of Theresa L. Stoll; and Marie L. Gowan obtained a divorce from Richard E. Groves and was granted the custody of an infant daughter.

Lloyd Expected To Be Replaced

LONDON (AP) — The London Daily Mirror said today Selwyn Lloyd is likely to be replaced as foreign secretary when Prime Minister Harold MacMillan returns from his Commonwealth tour.

The independent but laborite-leaning newspaper said conservative members of Parliament had been agitating for several months to have the foreign secretaryship taken away from Lloyd.

The Mirror suggested Lloyd would be succeeded by either Home Secretary R. A. Butler or Colonial Secretary Alan Lennox-Boyd.

More Poultry Study Asked

WASHINGTON (AP) — A poultry industry advisory committee wants the Agriculture Department to expand its research on poultry diseases.

Meeting with department officials here recently, the committee pointed particularly at the disease known as avian leukosis complex. It causes formation of tumors, paralysis and leukemia in poultry.

The committee also recommended research designed to help maintain tenderness in frozen poultry meats.

Eight Chickens For Each Person

WASHINGTON (AP) — Broiler chicken production in the top 22 producing states last year was equivalent to nearly 8 birds for each consumer.

The Agriculture Department reported total production in these states at 1,295,281,000 birds, an increase of 8 per cent over 1956. Georgia was the leading state with 261 million birds. Arkansas was second with 110 million and North Carolina third with 105 million.

Producer prices last year averaged 13.9 cents a pound compared with 19.5 cents in 1956.

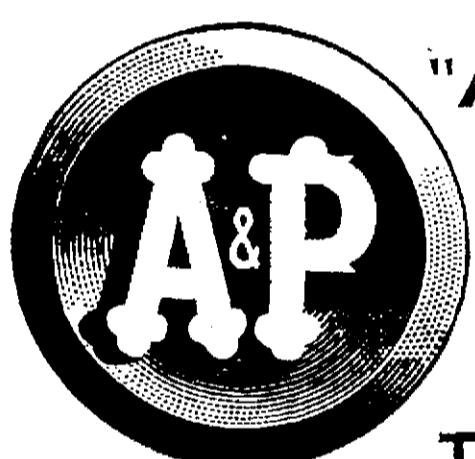

Keedysville Man Wins Top Position

NEW ORLEANS (AP) — Ruritan International yesterday elected Rome F. Schwagel of Keedysville, Md. president.

Schwagel was vice president of the civic organization.

Washington was selected for the 1959 convention.

World's largest bright leaf tobacco market center is Wilson, N. C., which has 19 auction warehouses.

Westernport
Mayor Serves
Final Term

WESTERNPORT—Mayor Okey E. Michael, who is completing his third two-year term as head of the town government, announced at the regular council meeting last evening that he will not be a candidate for re-election at the biennial municipal election Tuesday, May 27.

The new filtration plant erected on Chestnut Street was accepted by the Mayor and Council during the "business meeting." Before final action was taken town officials, Lee Haines, engineer of Glace and Glace of Harrisburg, Pa., and Harry Richards, inspector, visited the plant.

The final bill of the George Brothers Contracting Company, general contractors of the job, for \$6,178.84 was ordered paid as well as a final bill to Glace and Glace for \$434.62. The total of all costs amounted to \$37,078.46.

Arnold G. Clark, local building contractor, conferred with council, also a "hello girl" at the oil concerning the purchase of telephone exchange and a grade to be resold by him to the town of Beall High School.

Residents of Brophytown and Franklin. Some of the lines will have to be renewed and he plans to lay a four-inch line and put in water meters. The town would sell Clark the water used from the master meter.

Alvin Pence, water commissioner, warns that the reservoir on Westernport Hill is down seven feet. This is believed to be due to persons letting spigots run during cold weather.

Following the recommendation of Commissioner Pence, council decided to cancel the order for 25 water meters previously ordered from the Rukwell Manufacturing Company. The meters have not been received.

Ronald Grove requested that a street light be placed near his residence on McKinley Street in the vicinity of Boundary Alley. Mayor Michael advised him it would be done.

A letter from Horace P. Whitworth Sr. was read by Mrs. Katherine Dailey, town clerk, stating a portion of the will of the late Claude W. Greitzner gave the Town of Westernport the opportunity to buy a portion of land which adjoins the town garages on Front Street for \$3,500. The town has six months to accept or reject the offer. No action was taken.

A January 29 letter from Harry Hackett, an extra police officer, stated that he was resigning.

Some time ago residents of the Savage River Valley were advised that on and after February 1 the town will provide them with raw water only if they sign an agreement stating that Westernport would not be responsible for any ill effect from the water.

After that date the town will not chlorinate the water in the Savage River Dam area as it has built a filtration plant on Westernport Hill for local citizens. It was ordered that William B. Reid, water superintendent, be instructed to notify all persons in that area who have not signed an agreement to shut off their water. Only 11 have signed the agreement.

Custodian Honored

LONACONING—Wilson S. Marshall, custodian at Central Elementary School, was honored recently on his birthday by the cafeteria staff. Mrs. George R. McIntyre, Mrs. Fred Metz, Mrs. William Abbott and Miss Rose Loar served a birthday cake, ice cream and other refreshments.

Benjamin Franklin was the only American who signed the four fundamental documents of American freedom: Declaration of Independence, treaty of alliance with France, treaty of peace with Britain, and Constitution of the United States.

Defense Plan
Outlined By
W. Va. Solon

CHARLESTON — A plan to interest defense industries in establishment of underground manufacturing facilities in West Virginia was outlined by Gov. Underwood at a news conference yesterday.

The program would center about protected limestone areas in the state's mountains, particularly in Randolph, Preston, Monongalia and Tucker counties.

Facilities would be available, Underwood said, for peacetime production, but they could be converted to defense purposes without interruption even in the face of enemy bomb or long-range missile attacks.

The four-county area in particular, Underwood said, is ideally situated from a geological standpoint because the limestone strata is sound, largely horizontal and for the most part more than 100 feet thick. A facility built into the rock, even with a ceiling height of 30 feet or more, would not only have protection in the strata above and a solid floor below, but also additional coverage from the mountains overburden, he explained.

Underwood said that his administration, through the Industrial and Publicity Commission, has established direct contact with a number of industries which might be interested in this type of development. "There are prospects," he said, noting that there are other limestone areas in such counties as Pocahontas, Greenbrier, Monroe, Pendleton, Grant, Hardy, Mineral, Hampshire, Morgan, Berkeley and Jefferson.

Outside of the most favorable four-county section, however, Underwood said the limestone either is covered by substantial amounts of earth or that the deposits slant back into the ground instead of existing on a horizontal plane.

The governor's explanation pointed to the mountainous central area of West Virginia as well located for peacetime manufacturing facilities intended to serve the eastern and mid-western markets.

The governor said details of the plan for new industrial payrolls would not be disclosed because he felt the state shouldn't reveal its strategy to many active competitors in the same field.

Bloodmobile

Visit Feb. 4

PIEDMONT — The Johnstown bloodmobile unit will be at Piedmont Presbyterian Church on Tuesday, February 4, from noon to 6 p. m. for donors of the Tri-Towns, according to Miss Bella Toney, Westernport, Red Cross chairman.

Mrs. Paul Cueva, Luke, chairman of the bloodmobile program for Luke and Westernport, and Mrs. Carleton Bell, field worker for Piedmont, are co-chairmen. Doctors will be Drs. Thomas E. Bess of Keyser, James H. Wollerton Sr. and Dr. Paul R. Wilson, both of Piedmont.

Recruiting will be conducted by Mrs. Ormond Ledlow, Mrs. Joseph Alongi, Mrs. Russell Adams, Mrs. P. E. Berry, Mrs. Lyman Beckner, Mrs. Harry McCulloh, Mrs. Robert Kimmel Jr., Mrs. Thomas Appel, Mrs. Marvin High, Mrs. Bond Pence, Mrs. J. E. Murray, Mrs. Harry K. Drane, Mrs. E. J. Shaver, Mrs. Walter McVicar, Mrs. Edward Barnard, Mrs. Ernest Cowell, Mrs. John Dick, Mrs. Joseph Prado, Mrs. Floyd Newlon, Mrs. George Failing, Mrs. Joseph Nelson and Mrs. Cecil Wilkes.

Secretarial — Mrs. Foster Daniels, Mrs. Benjamin Mamolen, Mrs. Charles McGowan Jr., Mrs. Arnold Clark and Miss Frances Ott; hostesses — Mrs. Benjamin Mamolen, Mrs. Marvin High, Mrs. Thomas Appel and Mrs. John Seymour Jr.; canteen — Mrs. Clarence Weisenforth, Mrs. Glenn Smith, Mrs. Eugenia Johnson, Mrs. Theodore Kimble, Mrs. Owen Rhodes and Mrs. John McBee; transportation — Mrs. E. J. Shaver, Mrs. Ormal Hooyer and Mrs. Elmo Clower.

All persons who wish to donate a blood may notify either Mrs. Alongi at 29120, or Mrs. Ledlow, 28901. Free parking facilities are being arranged by town officials.

Boy Scouts of the Tri-Towns will distribute information concerning the bloodmobile visit under the direction of Alton Fortney and Edward Seaman.

For Rent: 2 apartments 4 and 5 rooms. Phone Frostburg 516-J. Adv.—N-T-Jan. 30.

Final CLEAN SWEEP SALE

OFF FROSTBURG

TOPPED THEM ALL—The big 1,150-pound Angus, "Smokey," won the grand championship at the annual Tri-County Baby Beef and Lamb Show in Hatfield, Pa. The proud owner is Rex White, 11, of RD 1, Emmaus, Pa. A triple winner, "Smokey" at one time was part of the herd owned by the Green Meadows

Farm of the Jenkins brothers, William and Jonathan, in the Frostburg area. The animal, which brought a record price of \$3.80 per pound, also won the Angus breed championship and the Lehigh County title. For all 1,150 pounds of the Angus, that meant \$4,370.

Mineral County
Blood Program
Nets 127 Pints

KEYSER—A total of 127 pints of blood was collected here Tuesday during the visit of the bloodmobile unit. The amount fell slightly short of the 150 pints previously set as the quota.

J. Kenna Burke, chairman of the program, said that in addition to the blood collected, 12 donors were rejected and 10 appeared after the bank had closed.

He added that the quota would have probably been met had the college been in full session. However, it was the lull between semesters and only about half of the student body was on campus to register.

Since the campaign resulted in a near a quota, Burke said, the blood program will be continued in the area with the hope that the makeup can be met when the unit visits here later in the year. The next visit is tentatively set for the latter part of April.

Appeal Successful

Tactics of an Elk Garden man in appealing a huge fine for having an overweight truck from Justice of the Peace Court to Circuit Court have proved successful.

Charles William Dawson was fined \$724.50, plus costs by Justice of the Peace Madalyn Bazzle recently for having a truck heavily overloaded with pulp wood.

Dawson appealed to Circuit Court on the theory that he would be allowed time there to pay the huge fine, whereas law requires that all fines assessed in Justice of the Peace Court be paid immediately.

He pleaded guilty at a hearing before Judge Ernest A. See who assessed the identical fine and court costs. However, Dawson was allowed time to pay the fine and costs. Under the court order he is to start March 1 paying \$45 per month until the fine and costs are paid.

In addition, he posted \$1,450 bond for the release of his truck which had been impounded since his arrest.

Brief Mention

Ross W. Prysock, South Main Street, has returned to his home from Potomac Valley Hospital where he was a surgical patient.

KC Meeting Planned

PIEDMONT — A meeting of Piedmont Council 663, Knights of Columbus, will be held Saturday at 7 p. m. in the K of C home, according to Raymond Beckner, grand knight. Thomas McGannon, Wheeling, will attend.

Judges For Somerset Maple
Queen Contest Announced

MEYERSDALE — A board of scholarship offered by the Pennsylvania Grocers' Association, to select Pennsylvania's Queen Maple XI Wednesday, February 5, at Cochran Junior High School auditorium in Johnstown.

In making the announcement, Herman E. Basehore, general chairman of the Somerset County Maple Festival, declared: "I feel this is one of the finest group of judges ever assembled to select any state agricultural queen." Those who will consider 11 contestants for their beauty, poise and personality and talent are:

Herbert J. Martin, personnel and public relations director of the Johnstown zone of Acme Super Markets, Johnstown; John L. Rainey, director of the Bureau of Markets of the Pennsylvania Department of Agriculture, Harrisburg; Ira Park, president of the Pennsylvania Grocers' Association, Brookville; Mrs. Elizabeth Schrader Kimberly, assistant to the head of the Department of Drama, Carnegie Institute of Technology, Pittsburgh; Miss Carolyn Kennedy, assistant professor of music education, Carnegie College of Fine Arts, Carnegie Institute of Technology, Pittsburgh; Russell G. Wichmann, professor of music and chairman of the Music Department of Chatham College, Pittsburgh; and Jerome S. Wenker, assistant professor of drama at Chatham College, Pittsburgh.

Master of ceremonies for the event will be Will Ketter, general manager of radio station WVAM in Altoona. Mrs. Ralph A. Rosenberger of Meyersdale will be guest organist, and Mrs. Mary Lou Null and Miss Jean Cassale of Johnstown will be chief scorers and timers for the contestants.

The contestants will first meet the judges at a tea in the afternoon where they will be observed and scored on personality. In the evening program the contestants will appear on stage in evening gowns for their beauty and poise competition. Later they will be considered in a talent number and finally on a personality test on the stage.

Winner of the coveted state title will receive a state senatorial scholarship award and an opportunity to compete for the \$1,000

Earl Corcoran
Named Tucker
Teacher Of Year

PARSONS — Earl Corcoran, 52, principal of Parsons High School, has won the honor of being selected Tucker County's "Teacher of the Year."

The selection of the "Teacher of the Year" is sponsored by the General Federation of Women's Clubs. The winner of the national contest will receive a crown and be honored during the national convention in Detroit, June 1-6.

Corcoran was selected from a group of six county teachers whose names were presented to a committee from the Parsons Woman's Club by the civic organizations in the county.

Names of the district winners will be sent to the State Education Association chairman. A state committee winner will be presented at the state Woman's Club convention at the Greenbrier Hotel in White Sulphur Springs in March.

Brief Mention

Mrs. Mary Green is a patient at Sacred Heart Hospital. Thomas Birmingham is a medical patient at Miners Hospital. Court Theresa 537, Catholic Daughters of America, will sponsor a social tomorrow at 7:45 p. m. in St. Patrick's hall.

The Sodality of the Blessed Virgin Mary will receive Holy Communion at the 7 a. m. mass Sunday in St. Patrick's Catholic Church.

George Bowers, son of Mr. and Mrs. Colin C. Bowers, is a medical patient in Washington County Hospital, Hagerstown. He was stricken with a heart attack while driving to work there.

Frostburg Church

Trustees Elect Heads

FROSTBURG — Newly elected trustees of First Presbyterian Church have named the following officers to serve for the coming year:

Francis Richardson, president; Ralph M. Race, vice president; William T. Park, treasurer and church finance officer, and Harry E. Miller, secretary. Other members of the board are Walter Anthony, Fred M. Wilson and William B. Prichard.

Plans were outlined for the centennial building program to continue over the next three years, as well as for the 100th anniversary celebration the end of 1958.

Robert Hunt returned from Memorial Hospital and is reported improving at his home on Paradise Street.

Mrs. Mary B. Diller is able to be out following an illness. Mrs. Frank Blair is improved at her home on Big Lane. Mrs. Mary Cullen, Church Hill, is ill at the home of relatives in Baltimore.

PTA Supper
Slated Feb. 13
At Mt. Savage

MT. SAVAGE — The Parent-Teachers Association of Mt. Savage School will hold a supper Thursday, February 13, in the school cafeteria for the purpose of raising money to purchase more playground equipment for pupils.

A meeting will be held next Thursday at 8 p. m. in the school auditorium. After the business meeting there will be a program by the Boy Scouts sponsored by the PTA. There will be the presentation of the charter and troop flag, a candlelight ceremony and Scout craft demonstration. Stewart Church Sr. is scoutmaster.

Refreshments will be served with birthday tables set up for Founder's Day. The following are in charge of tables: January — Mrs. Earl Boore, Mrs. Hobart Bennett; February — Mrs. John Wingert, Mrs. Harry Schritche; March — Robert Herbold-Sheimer, Mrs. Richard Rizer; April — Mrs. Francis Trimble, Hubert Radcliffe; May — Mrs. John Finkel, Mrs. James Holt, Mrs. John Rowley; June — Mrs. Percy Sampson, Mrs. R. J. Crump; July — Mrs. Howard Morris, Mrs. Donald Trexler; August — Thomas Lewis, Mrs. Robinette, Mrs. Robert Crouch; September — Mrs. Louis Arnold, Mrs. Richard Swene; October — Mrs. Thomas Harvey; Mrs. James Turley; November — Mr. and Mrs. Wilson Swene; December — Bing Elliott, Mrs. R. L. Himmelwright.

Plan Card Party

The Ancient Order of Hibernians will hold a pre-Lenten card party in St. Patrick's hall Wednesday, February 5, at 8 p. m. Five hundred and setback will be played. Prizes will be awarded and refreshments served. Mrs. Thelma Green is chairman of the affair and Mrs. Edith Lancaster is co-chairman.

Club Entertained

The New Row Card Club met recently at the home of Mrs. Joseph Crowe. Mrs. Rita Cunningham was the hostess. Cards were played and prizes won by Mrs. Mary Deffenbaugh, Mrs. Irma Miller and Mrs. Elizabeth Jenkins. The next meeting will be held at the home of Mrs. Mary Deffenbaugh.

Caper-Sauce Idea
Add a little of the vinegar from the capers, along with the capers themselves to a cream sauce for fish. In England, this caper sauce is served with boiled mutton.

Just right for two: add a teaspoon of cocoa and two teaspoons of sugar plus a few drops of vanilla to a quarter-cup of heavy cream. Beat with a rotary beater until just thick. Serve over slices of sponge cake for a delicious dessert.

Banana Variant To Applesauce
A delightful new variant of applesauce is banana applesauce. In this dish, chilled applesauce is served over sliced, mellow, fully ripe bananas to make a notable new dessert.

Quick and easy, yes, new and different, your family will enjoy this dish.

Fruit Desserts Are Popular

By CECILY BROWNSTONE
Associated Press Food Editor

Americans are taking to fruit desserts, if we can judge from the frequency with which we encounter them at dinner parties.

One of the best of these sweet and nutritious endings to a meal, is this combination of bananas and grapes in a spicy syrup. The fruit is delicious "as is," but if you wish to gild the lily, you can accompany it with a fluff of whipped cream (barely sweetened and scented with vanilla ice cream or a creamy custard).

If you have a chafing dish that performs well, or an electric skillet, you can prepare this dish in front of your guests and add interest to your supper party. There's something about watching a dish being cooked that enchants an audience and keeps it in suspense!

To do this, combine the fruit juices, grape syrup and sugar in the chafing dish or skillet and place on a tray with the grapes, unpeeled bananas, spices, butter pat, measuring spoons and a long-handled spoon for basting and serving. Then when you are ready for dessert, peel the bananas and complete the preparation at the table. An attractive new set of spices is fine to use for table cookery; it comes in a feather-weight plastic box in four colors — pink, red, turquoise and yellow — and has a card file giving the answers to questions about which spices go with which foods.

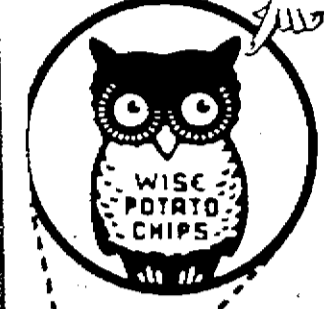

A SWEET SPICY SYRUP adds a touch of glamor to this banana and grape dessert.

Separate ground beef during when making chili, browning preparing the meat for spaghetti cooking with a potato masher/meat for casserole dishes or for sauce.

How To Bake In Glass Dishes

Glass bakes food faster than shiny metal pans.

A good rule to follow when baking in glass ovenware is to lower the temperature of the oven about 25 degrees F. below that used for baking in metal pans.

Thus if an old-time recipe (not tested for glass) says bake a cake at 350 degrees F., set the oven for 325 degrees F. for baking in heat-resistant glass.

Mrs. M. V. Filbert

New discovery gives sweeter, fresher taste to margarine

Superior flavor from secret recipe... no increase in price

It's true. An exclusive recipe discovery gives the new Mrs. Filbert's Margarine a flavor never before possible... the real true taste you look for in the most expensive spreads. You'll realize you can't buy a finer spread, no matter what you pay. The Filbert family guarantees you'll be pleased, or double your money back.

Family Dinner

Oven Pork Chops
Sweet Potatoes
Green Peas
Salad Bowl
Bread Tray
Fruit and Nuts
Beverage

Oven Pork Chops
Ingredients: 4 thick (about 1½ pounds) loin pork chops, ½ cup pineapple syrup (leftover from canned fruit), 1 teaspoon salt, ½ teaspoon ginger, 4 slices orange (unpeeled).

Method: Remove excess fat from around chops with sharp knife. Melt a small piece of the fat in a heavy 10-inch skillet; add chops and brown rapidly on both sides. Arrange chops in shallow baking dish. Mix pineapple syrup, salt and ginger, pour over chops; top with orange slices. Bake in moderate (350 degrees) oven until tender—about 1 hour. Makes 4 servings.

Hints To The Hostess

The proper cooking of the meat is of great importance to the carver. It should be neither overdone nor underdone for the best carving results.

PIEDMONT GROCERY CO.

Ham, Chicken Featured In Markets This Week

By The Associated Press

Ham and chicken get the feature treatment, with larger type and smaller prices, in many supermarkets and neighborhood groceries this week.

Ham and other varieties of pork are expected to be somewhat cheaper in the months ahead. The U. S. Department of Agriculture says hog producers plan a 6 per cent increase over last year in 1958 spring farrowings. This should result in a crop of 36 million pigs, or 6 per cent more than a year ago.

Chicken Output Soars
Output of chicken also is expected to top 1957, when a record 1,400,000,000 birds were sent to market.

Prices for sirloin steak and rib roast are reported two to six cents a pound higher this week, which accounts for the scarcity of beef offerings in the stores. Those that are featuring beef have selected chuck roast.

Hamburger, once regarded as a low price regular, is selling in the higher brackets. Ranchers whose herds were depleted by drought are rebuilding them and corn belt farmers are increasing their feeding operations. Consequently, packers have a hard time getting the lean, lower grade cattle used for hamburger meat.

Another factor is that Americans eat a higher proportion of their beef as hamburger. Meat men estimate the figure at 24 per cent compared with about 12 per cent before World War II.

Potatoes rank as the best buy among vegetables, although onions also are a good bet. Carrots in plastic bags are a little lower.

Lettuce is trending higher, but is still rated as a good buy. New cabbage from Texas and California fields supplements the diminishing supplies of storage cabbage. Others in the good buy cate-

gory include broccoli, brussels sprouts and celery.

Beans, peppers and egg plant generally show a wide range in quality and condition. Yellow and green squash are moderate.

Peas In Bargain Class
Canned and frozen peas are in the bargain class as processors strive to unload big inventories from last year's crop. Canned stocks are reported up 31 per cent over a year before and frozen 8 per cent higher.

California oranges and lemons are abundant and attractively priced, along with avocados and limes. Supplies of Florida citrus are increasing steadily, with prices tending lower, market men say. Oranges and grapefruit are not as good a buy as last year, but getting better all the time.

Rump Roast Provides Steaks

Have your meat man cut two 1½" steaks from your next rump roast.

Tenderize steaks and roast thus: Sprinkle evenly on all surfaces with meat tenderizer; pierce deeply with sharp fork; let stand at room temperature 1 hour.

Wrap roast and freeze for later use; broil steaks for tonight's dinner—each rump steak serves two.

Braised Beef Rice Ring

Wonderful eating is ahead for those who serve braised beef cubes coated with a rich dark gravy and surrounded by a ring of fluffy white rice.

Friday Fare

Golden Fried Fish Fillets
Broiler Mashed Potatoes
Broccoli with Lemon Butter
Sauce and Pimiento
Seedless Grapes
Beverage

Ingredients: 4 medium-sized potatoes (about 1½ pounds), ½ cup light cream, 1 tablespoon butter or margarine, salt, white pepper, grated cheddar cheese.

Method: Pare potatoes; cut into even halves or quarters; cover with boiling salted water and boil until tender—about 25 minutes. Drain and put through ricer or mash another way so there are no lumps. Heat cream and beat into hot mashed potatoes with butter and salt and pepper to taste. Turn into a shallow baking dish—an 8-inch pie plate is fine; sprinkle with grated cheese. Place under broiler and broil slowly until very hot and cheese melts. Makes 4 servings.

Brighten Up Rice

Brighten up that cooked rice to serve with chicken or ham! Add sliced pimiento-stuffed olives, minced parsley or green onions, strips of green pepper and pimiento or a little chili sauce or catsup.

Eggs Help Add Flavor To Chicken

Stewing chicken is a time-still here. They are no longer honored favorite on America's reserved for special occasions dining tables. We all hold fond memories of that special chicken in our markets the year 'round, dish that our mothers or grandmothers served when there was company for dinner. Life has changed since those days but stewing chickens are methods and tastes.

Grandmother always had a casserole on her table to hold the family's favorite seasonings and herbs. If you have a casserole in your attic resurrect it. It makes an attractive decoration when filled with flowers.

Chicken With Whole Eggs
1 stewing chicken, 4 to 6 lb.
ready-to-cook weight, cut up giblets and neck
1 quart water
1 quart chopped onion (about 4 large)
1/4 cup chicken fat
2 cups hot chicken broth
2 teaspoons chili powder
3 teaspoons salt
1/2 teaspoon ground pepper
1/4 cup lemon juice (2 lemons)
1/4 cup red wine
1/2 teaspoon ground ginger
1 teaspoon crushed tarragon
6 hard-cooked eggs, whole

Simmer chicken, giblets and neck in the water until thickest pieces are fork-tender, about 2 1/2 hours. Remove chicken. Spoon off fat from broth. Measure 1/4 cup fat and 2 cups broth. Reserve remaining fat and broth for future cooking. Cook onion in the 1/4 cup chicken fat in skillet until soft but not brown. Add 1 cup of the chicken broth, chili powder, salt and pepper. Simmer, uncovered for 5 minutes. Add lemon juice, wine, ginger and tarragon and second cup of chicken broth. Place chicken, hard-cooked eggs and eggs in the sauce. Cover and simmer about 30 minutes or until chicken and eggs have absorbed some of the color from the sauce. Serve hot with fluffy rice if desired. Makes six to seven servings.

Leftover Meat Dish
That leftover sliced meat will look attractive on a platter with cauliflower, peas, carrots and green beans. The meat may be heated in natural gravy, the vegetables separately. Or they may be served cold with tartar sauce.

**Anise Cakes
Batter Dries
In 12 Hours**

This recipe for old fashioned "Anise Cakes" will make about 50, one and a half-inch cakes. It is taken from a popular, well-known cook book.

Sift: 1 cup sugar.
Beat until light: 3 eggs.
Add the sugar gradually. Beat these ingredients until they are creamy.
Add: 1/2 teaspoon vanilla.
Sift before measuring: 1 1/2 to 2 cups flour.
Resift with: 1 teaspoon any baking powder.
Add: 1 1/2 teaspoons crushed anise seed.
Beat the batter well. Drop it from a teaspoon well apart on greased tins. Permit the batter to dry for 12 hours. Bake the cakes in a slow moderate oven 350 degrees until done.

**Cocoanut Bars
Will Keep Well**

These bar cookies keep well.
Date Cocoanut Bars
Ingredients — 1 1/4 cups sifted cake flour, 1/2 teaspoon double-acting baking powder, 1/2 teaspoon salt, 2 eggs, 1 cup light tarragon and second cup of brown sugar (firmly packed), 1 tablespoon butter or margarine and eggs in the sauce. Cover and simmer about 30 minutes or until chicken and eggs have absorbed some of the color from the sauce. Serve hot with fluffy rice if desired. Makes six to seven servings.

Method—Sift together the cake flour, baking powder and salt. Beat eggs until they begin to get thick; gradually beat in brown sugar. Mix in melted butter, dates, lemon rind and coconut. Add flour and water; mix thoroughly. Turn into buttered 9 by 9 by 2-inch pan; bake in oven about 35 minutes. Cool in pan and cut into bars. Store in lightly covered container.

One ounce of wheat germ cereal gives the adult about 20 per cent of his daily recommended allowances of iron. Iron is essential to formation of hemoglobin and red blood cells. It is necessary to normal complexion.

How To Turn Cake
After you have turned a cake out on a cooling rack, place another cooling rack over the bottom of the cake and invert. Turn cake again on rack to have top side up.

Celery, Tomatoes Mix Well
Add diced celery to stewed tomatoes for a crisp touch. The tomatoes may be served hot or cold and they're especially delicious with meat loaf.

Have you tried Imperial yet? Here's a wonderful chance to save money and get to know Imperial, the new super-spread that combines the best qualities of both kinds of table spreads. Yes, Imperial gives you the easy spreadability and consistent quality of margarine. PLUS the real natural taste and natural aroma of the other spread. So if you're one of the millions of women who today buys two kinds of table spreads, you'll love Imperial, the spread that combines the best of both. Try it on toast for breakfast tomorrow and see for yourself. Your complete satisfaction is unconditionally guaranteed by Lever Brothers, or your money back.

P.S. To protect Imperial's fine ingredients, keep it in your refrigerator

Two Murder Cases Go To Grand Juries

Two murder cases will be brought before the grand juries of Bedford and Somerset counties in nearby Pennsylvania when they convene on Monday morning.

William Showalter, 40, of Clearville, Pa., north of Flintstone, has been lodged in the Bedford County jail since the November 14 fatal stabbing of his wife, Mrs. Hilda Showalter, 35.

In the other murder case, Melvin Leroy Boden, 36, of Rockwood, Pa., and his brother, Harry Boden, 48, have been lodged in the Somerset County jail since the death of Mrs. Mary (Growall) Boden (wife of Melvin Boden) on November 17 at their home.

Both of the men were charged with murder and arson, authorities said. Mrs. Boden died in Somerset Community Hospital of third degree burns and shock about two hours after a fire was discovered in a sleeping room on the first floor of the Boden home in Rockwood.

An investigation by authorities revealed evidence which included two insurance policies taken out on Mrs. Boden shortly after her marriage in August.

A post-mortem revealed that the victim also sustained contusions and lacerations of the right eye.

Judge Thomas F. Lansberry will deliver the charge Monday to the grand jury in Somerset County. Criminal trials will begin on February 21.

The charge to the Bedford County grand jury will be delivered by Judge Richard C. Snyder.

Showalter was admitted to Bedford County Memorial Hospital when he presumably attempted to take his life after stabbing his wife and setting fire to their home on November 14.

MRS. WILLIAM J. GUNTER

Heart Sunday Leader Named

Mrs. Louisa Gunter, 739 Washington Street, widow of William J. Gunter, local attorney, has been appointed Heart Sunday chairman for the 1958 "Heart Fund Crusade," according to F. Allan Weatherholt, president of the Allegany-Garrett Heart Association.

The Heart Sunday drive, scheduled for the afternoon of February 23, is intended to have a volunteer heart worker contact every family to tell the story of the fight against heart disease and to solicit funds.

In Allegany and Garrett counties last year about 700 volunteers raised a total of \$17,531. This year the number of volunteers is expected to exceed 1,000 in the two counties.

February has been designated as "Heart Month." In Maryland, the kick-off meeting of the statewide campaign was held yesterday at the Emerson Hotel in Baltimore.

Mrs. Gunter and Mrs. Ora Mae Lewis, local Heart Association executive, represented the Allegany-Garrett Association.

Man Gets Suspended Term In Theft Of Demolition Ball

A local man received a suspended sentence here yesterday on a charge of petty larceny in a case involving the theft of an 1,100-pound demolition ball and a bulldozer track.

Trial Magistrate Donald W. Mason found Charles Sponaugle, about 26, of 207 Maryland Avenue, guilty but suspended a 90-day jail sentence and paroled the man for six months.

The magistrate was told that Sponaugle and another man looking for junk early in July 1958 found the big demolition ball and bulldozer track belonging to the Hout Construction Company in the Shade's Lane section.

He said Sponaugle reported he took an old man there if the ball and track belonged to anybody and was told the man did not know.

Magistrate Mason said the men then took the car they were using to the city scales to be weighed and then returned to the scene and devised a way to get the ball, which weighed over half a ton, and the "dozer" track into the car.

Then they took the vehicle back to the city scales again to determine the weight of the articles before driving to West Virginia, where they sold them to a junk dealer for \$25.

When the contractor reported the loss to city police, Detective Thomas J. See toured area junk yards until he located the missing articles.

County Investigator Edwin R. Liliya, who prosecuted, said the junk dealer's records showed the ball had been purchased from Sponaugle. They were recovered and returned to the contractor.

Authorities said Sponaugle had left town by that time but was picked up this week when he returned.

The local man pleaded not guilty but was convicted, the magis-

trate said, because he was trespassing and did not know the owner of the property.

Sponaugle was represented by Julius Schindler.

Skating Party Set By Scouts

Scouts of the Cumberland area will continue their skating activities at the State Armory on Saturday morning at 9:30 a. m.

Scouts of District 1, West Side, Bowling Green, Cresaptown and Keyser will participate.

The Brownies will skate from 9 a. m. until noon, with a period set aside for those working on a skating proficiency badge.

Over 200 scouts from this district participated in the skating party in January. Mrs. C. E. Howell, program chairman, is in charge of the activity assisted by troop leaders, a first aider and three instructors from the roller rink.

Scouts who presented parent consent forms in January need no present them again, but girls attending Saturday for the first time must bring their parent consent forms and present them at the door.

Scouts and Brownies of District II will skate on February 8, and those from District III on February 15.

Former University Head Plans To Retire

HUNTINGTON — Charles E. Lawall, former president of West Virginia University, will retire Saturday as a vice president of the Chesapeake & Ohio Rwy.

Lawall, a native of Pennsylvania, became associated with the railway as an engineer of coal properties in 1945 after leaving the university presidency.

Herman Myers Appointed To National Eagles Group

Herman L. Myers, secretary of Cumberland Aerie 245, FO Eagles, has been appointed to the board of pension trustees of the Grand Aerie.

The appointment was announced by Martin J. Mol, Detroit, Mich., grand worthy president, who made an official visitation to the local aerie.

Mol said this is a major committee of the grand aerie. Duties of the board are to supervise pensions of Eagles employees who are eligible to retire at the age of 65. He pointed out the assets include about two and a half million dollars.

Others on the five-member board are Edward Young, Alexandria, Va., Boyd Knight, Monticello, Mich., Thomas Barrett, Pittsburgh, Pa., and Leroy Morris, of Uniontown, Pa.

This is the first time that Cumberland has had a member appointed to a national committee. Myers, who has been secretary of the local aerie since June 1950, has been state FOE secretary since 1952 and is a past eastern regional grand president.

During his visit here Mol observed the operations of the local aerie and urged a stimulation of the aerie program.

Big Savage Refractories, the Kelly Springfield Tire Company, and had been custodian at the home of John R. Fairgrieve Post 2462, Veterans of Foreign Wars, Frostburg, of which he is a charter member.

During World War II he spent about one and a half years overseas.

Myers, who has been secretary of the local aerie since June 1950, has been state FOE secretary since 1952 and is a past eastern regional grand president.

During his visit here Mol observed the operations of the local aerie and urged a stimulation of the aerie program.

Horse, Sleigh Damage Cars In Somerset

A horse and sleigh ran away yesterday afternoon in Somerset, Pa., causing \$300 damage to two automobiles and quite a bit of excitement.

Mr. and Mrs. John Mostaller of Somerset Township were out along the snow-covered roads when their horse suddenly bolted, throwing them to the ground.

The horse pulled the sleigh about half a mile to Somerset and entered the city, galloping along the main street.

During the ride with no master at the reins, the horse and sleigh sideswiped two cars, damaging them about \$300. The horse was finally brought under control by William Barnhardt.

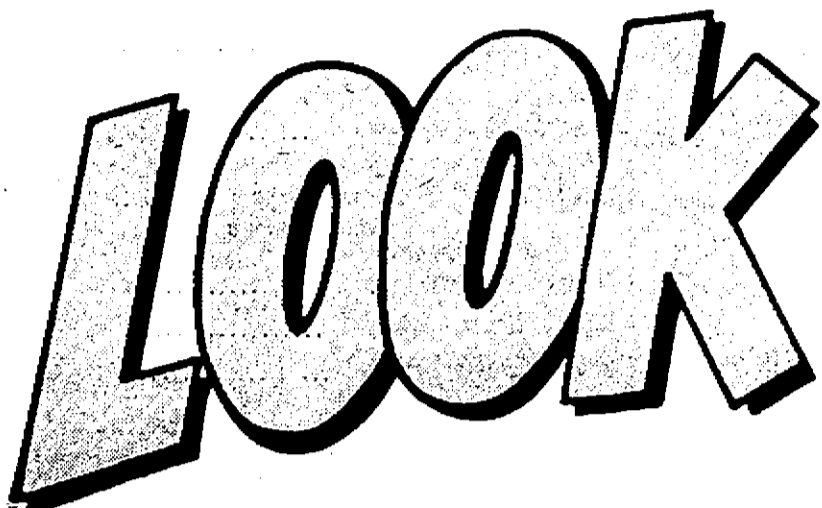

Mr. and Mrs. Mostaller were reported uninjured.

Roads Clerk Will Retire

Ransom B. Nave, 104 West Main Street, Frostburg, records clerk of the Allegany County Roads Department, plans to retire on February 1.

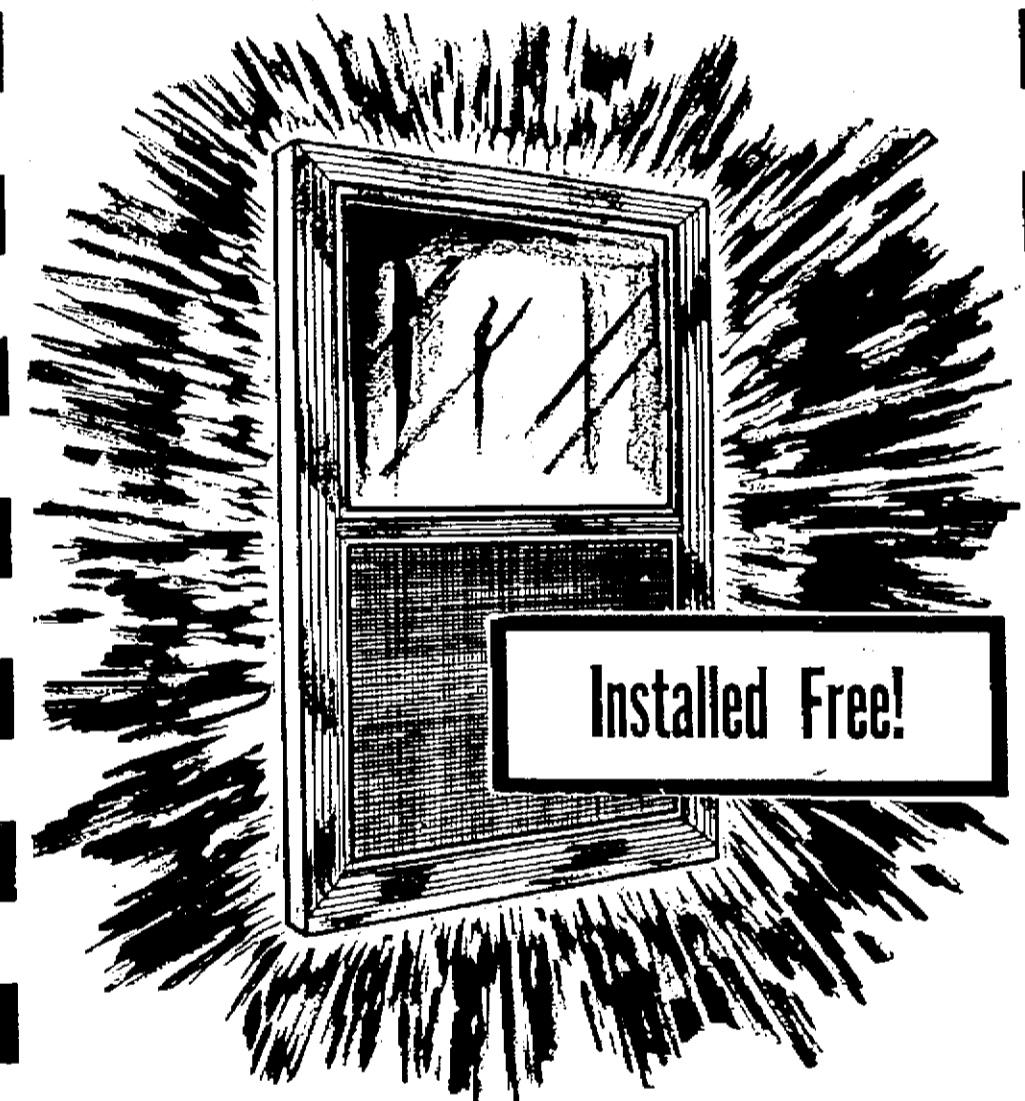

The County Commissioners were notified during a recent meeting, by J. Walker Chapman, roads supervisor. James Stevenson, clerk of the commissioners, was instructed to notify the Civil Service Board.

Nave, who was a businessman in Ohio before moving to Frostburg in 1930, became a records clerk for the county July 1, 1954. Prior to that he had worked at

Teacher Pay Bill Will Get Support

Chances for the school teachers pay raise bill picked up last night as five party leaders indicated they would move to override the governor's veto when the General Assembly meets next week.

Six leaders in the Legislature appeared on a panel forum at Riviera Beach. The presiding officers, majority and minority leaders of both the Senate and House were questioned about the pay raise bill and other matters.

House Speaker John C. Luber (D-Balto 5th) and House Majority Leader A. Gordon Boone (D-Balto County) said they planned to repeat their vote in favor of the measure, which would hike teachers' pay by \$400 a year.

Cites Misgivings
Senate Majority Leader John Grason Turnbull (D-Balto County) said he probably would vote to override, though with some misgivings. Another "probable" vote in its favor came from Senate President Louis L. Goldstein (D-Calvert). However, he pointed out he had abstained from voting on the measure when it was passed last year. He explained he would have preferred to finance a teachers' raise through a sales tax hike rather than a three-cent levy on a pack of cigarettes.

The only panel member who refused to disclose his views was Sen. Phoebe (R-Somerset), the Senate minority leader. His counterpart in the House, Minority Leader Hughes (R-Allegany) said he would vote to override although it would be distasteful to oppose Gov. McKeldin's views.

In other political developments yesterday, more than 400 Allegany County Democrats in an emphatic demonstration of unity endorsed the entire campaign slate headed by gubernatorial candidate J. Millard Tawes, the present State comptroller.

Earlier, Allegany Democratic leaders had announced they would support Tawes and Atty. Gen. C. Ferdinand Sybert for renomination.

Must End Fight
Meanwhile, Democratic National Chairman Paul Butler told a party rally at Marlow Heights that Maryland Democrats must end factional fighting and pull for a November victory.

Among four proposals he offered to assure that triumph was a call for positive plans "to make sure that our party stands for definite ideas and ideals."

The State primaries are set for May 20, and a hot party battle is in prospect at least for the Senate nomination for which seven aspirants have filed to date.

In the Riviera Beach forum, sponsored by the Community Methodist Church and held at a public school auditorium, the legislative leaders also discussed Gov. McKeldin's controversial budget.

It calls for nearly \$1 million dollars in additional spending with the expected \$2.5 million gap in revenue and expenditures to be met through an increase in the sales and income taxes.

Most members of the panel conceded that some kind of major tax hike would be necessary. "But I can assure you," Turnbull said, "that the budget is going to be cut and it's going to be cut as heavily as it can be without impairing any essential services."

Turnbull also said he believed a bill aimed at outlawing jai alai with pari-mutuel betting in Anne Arundel County would not be constitutionally valid if it is passed during the short 30-day session. Under the State Constitution, legislation on local matters must be reserved for the 90-day session held in odd numbered years.

Schwab Not Israel Bond Drive Head
Leonard C. Schwab, 400 Lefevre Road, clarified the fact today that he is not the Allegany County chairman of the Israel Bond Drive, as previously reported.

Schwab explained he had not been contacted to take the position and had no knowledge of it until the information was published in last Thursday's Evening Times.

The Times received the information in a release accepted in good faith from the Baltimore Israel Bond Drive headquarters.

Harmony Slate Backed By County Democrats
More than 400 Allegany County Democrats, representing practically all elements of the party, have endorsed Mayor Thomas D'Alessandro of Baltimore City for the party's nomination for U. S. Senator, and Sen. Louis L. Goldstein, president of the Maryland State Senate, for state comptroller.

The 400 Democrats also reaffirmed their endorsement of J. Millard Tawes for the Democratic nomination for governor, and C. Ferdinand Sybert for nomination for attorney general.

Signers said the endorsement is one of the most unified ever given in the county, and includes practically every segment of the party.

Signers include five of the six members of the Allegany County Democratic State Central Committee.

HUGHES EXPLAINS VOTE — Del. George R. Hughes (R-Allegany) minority leader of the House of Delegates, told an open forum meeting last night at Riviera Beach, Md. that he would vote to override Gov. McKeldin's veto of the teacher salary boost bill. Del. Hughes, a Cumberland attorney, said he had supported the bill originally and intends to maintain that support. Pictured in the background (left to right) are Del. Boone, Del. Luber, Sen. Phoebe, Sen. Turnbull and Sen. Goldstein. The name cards on the table are not directly in front of the legislators.

(AP Photofax)

Services Set Tomorrow For Fire Victim

Services for Mrs. Nettie Liller, 71, of Fort Ashby, who died last night in Memorial Hospital of burns sustained in a fire at her home on Tuesday, will be conducted tomorrow at 1 p. m. at the Scarpelli Funeral Home.

Rev. Alonzo Harmon will officiate and interment will be in the old Pine Baptist Cemetery at Purgitsville, W. Va.

Pallbearers will be John Lemon, Ronald Lemon, Herbert Taylor Jr., Joseph Liller, Lester Sisk and Richard May.

Mrs. Liller, wife of Joseph Liller, suffered burns over 80 percent of her body when a lighted match fell into a quilted duster she was wearing and set it afire.

The accident occurred about 2:30 p. m. Tuesday when Mrs. Liller struck a match to light a cigarette and threw the match away, thinking it was out.

Mr. Liller and his daughter, Mrs. Gaynell Stickley, managed to pull the burning clothes from Mrs. Liller and she was brought to Memorial Hospital by the ambulance from the volunteer fire company.

Mrs. Liller was born in Flintstone and had resided in Fort Ashby for two years. She was a daughter of the late Amos Riley and Mary Virginia (Lashley) Dicken.

Also surviving besides her husband and daughter, are seven other daughters, Mrs. Verna Keltz, Philadelphia, Pa.; Mrs. John Lemon, Garden City, Mich.; Mrs. George Cromer and Mrs. Herbert Taylor, both of Gettysburg, Pa.; Mrs. Robert Heidelberg, Detroit, Mich.; and Mrs. James Ochampouth and Mrs. Harold McKendrick, both of Wayne, Mich.; a son, Raymond Walters, Moorefield, W. Va.; a brother, Bruce Dicken, Keyser, W. Va.; 37 grandchildren and a number of great-grandchildren.

Discussion Set At Beth Jacob
A round table discussion will feature a program in the Beth Jacob Synagogue tomorrow at 8:30 p. m., according to Rabbi Stanley Levin.

The topic will be "The American Jew And Israel". Taking part will be Mrs. Martin Schwartz, Leonard C. Schwab and Rabbi Levin.

The panel will be conducted to explore the issues of "dual loyalty" and aid to Israel. Refreshments will be served.

Two Arrested In Breaking Case
City Police last night arrested two local men in connection with an attempted breaking and entering at the Buchanan Lumber Company at 549 North Centre Street.

Police said a window was smashed at the local company, and that one of the men being held had a couple of small cuts and particles of glass in the cuff of his pants.

Police were notified of the case by neighbors who noticed two men attempting to enter the building.

No charges have been placed against the pair.

Obituary

CONN — Mrs. Anna, 59, Meyersdale. **GARDNER** — Mrs. George, 53, native of Lonaconing.

NEFF — Mrs. Lena, 98, Piedmont. **LEPS** — Dr. Clay, 72, native of Keyser.

REESE — Mrs. Mary, 76, Frostburg. **STEWART** — Miss Margaret, Frostburg.

WAYBRIGHT — John E., 83, of RD 1, Kerens, W. Va.

Mrs. Robert Morrison
PEDMONT — Mrs. Bertha E. Morrison, 74, wife of Robert L. Morrison, 9 Childs Street, died this morning in Potomac Valley Hospital where she was admitted on January 20. She had been in ill health two months.

A native of Flintstone, she was a daughter of the late Charles and Nancy (Dickens) Smith. She was a member of the Presbyterian Church of Piedmont.

Besides her husband, she is survived by three daughters, Mrs. Eldred Green, Piedmont; Mrs. Grace Braughman, Piedmont; and Mrs. Marguerite Arnold, Westernport; a son, George Morrison, Dayton, Ohio; three sisters, Mrs. Jessie Knight, Baltimore Pike; Mrs. Grace Brown, Flintstone; and Mrs. Effie Hartsock, Bedford; nine grandchildren and two great grandchildren.

The body is at the Fredlock Funeral Home here.

Services will be conducted on Saturday at 3:30 p. m. at the funeral home by Rev. Robert M. Campbell, pastor of Piedmont Presbyterian Church. Interment will be in Philo Cemetery.

Mrs. Anna Conn
MEYERSDALE — Mrs. Anna Conn, 59, a teacher in Meyersdale Grade School, died yesterday at Meyersdale Community Hospital shortly after being admitted.

A lifelong resident of Meyersdale, she was a daughter of the late John T. and Mary (Zimmerman) Bryan and the widow of Ira Conn. Mrs. Conn taught school in Meyersdale for the past 33 years.

She is survived by two children, Miss Patricia Conn, a school teacher with the Government School on Okinawa, and Michael Conn, at home; two sisters, Mrs. Millicent Myers, St. Petersburg, Fla., and Mrs. Theodore Dickson, Pittsburgh, and a brother, Beryl Bryan, Akron.

The body is at the Price Funeral Home where services will be conducted tomorrow at 2:30 p. m. by Rev. Dr. E. Wilson Kelley, pastor of Meyersdale Methodist Church. Burial will be in Union Cemetery.

Mrs. Mary Reese
FROSTBURG — Mrs. Mary Alice Reese, 76, of 134 East College Avenue, died yesterday at her home. She had been in ill health for some time.

Mrs. Reese was the daughter of the late Alfred and Rebecca (Hayes) Thomas and the widow of Robert Reese. She was a member of the Methodist Church.

(Continued on Page 20)

Earsom Faces Sentencing Tomorrow

J. E. Earsom, 49-year-old local man convicted on Monday by a jury in Allegany County Circuit Court on a charge of obstructing justice will be sentenced tomorrow at 10 a. m. by Judge Morgan C. Harris.

Earsom was convicted of obstructing justice by corruptly influencing two girls to leave Allegany County so that they would not be able to testify before the October grand jury.

The girls were Doris Ralston, 20, and Betty Lou Pryor, 19, both of this city. They had been summoned as witnesses in the charges of sale of whisky to minors filed against the license holders of the Cadillac Lounge, Inc. and Al's Chateau.

The girls testified they were driven by Earsom to Baltimore on October 7, the day before they were to have appeared before the grand jury.

Det. Joseph H. Stichter, suspended police officer, was found not guilty this week on a charge of obstructing justice in connection with the same case.

Judge Harris also will sentence James Porter of Mt. Savage Road, who was found guilty earlier this week on a morals charge.

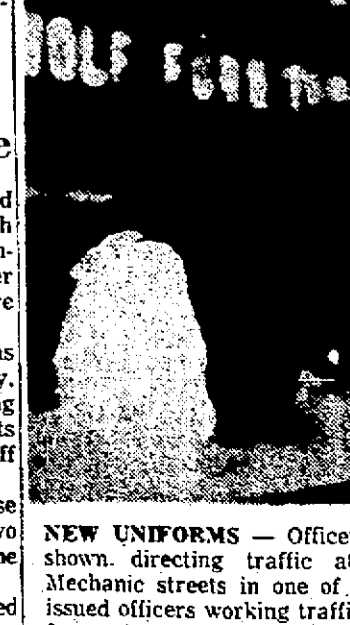

Sentences For Three Suspended
Two local youths were found guilty contributing to the delinquency of a 16-year-old boy this morning in Juvenile Court.

Juvenile Magistrate Fred H. Anderson also found the 16-year-old boy guilty of being a delinquent minor.

Magistrate Anderson sentenced the two youths to six months each in the Maryland House of Correction, fined them \$25 each and ordered they to make restitution of \$8.25 each to the owner of Powers Service Station. He suspended the jail sentences.

The trio was arrested Monday night in connection with a breaking and entering at the Henderson Avenue service station. Approximately \$25 in cash was taken, police said.

The local magistrate sentenced the 16-year-old boy to the Maryland Training School for Boys, State Route 136 three miles east of Westernport. Gordon was pinned under his car in the accident and was taken to the institution by a passing motorist.

NEW UNIFORMS — Officer John Chaney is shown directing traffic at Baltimore and Mechanic streets in one of the new uniforms issued officers working traffic details. The uniforms feature a white hat, white belts and white gloves. The belts have been treated so they will reflect at night. Police Chief R. Emmett Flynn said this morning that all officers working traffic will wear the white additions to the uniform.

West Virginia Gas Hearing Set Next Week

PSC Will Consider Application For Rail Express Route

CHARLESTON — The Public Service Commission begins hearing next Wednesday of a new rate increase petition filed by Cumberland and Allegheny Gas Co. and affecting 16,541 West Virginia customers.

C & A wants new rates sufficient to add \$667,390 to its annual revenue to offset increased gas purchase costs and higher labor and material expenditures.

The company serves a north-central West Virginia area which includes such communities as Buckhannon, Elkins, Keyser, Kingwood, Parsons and Piedmont.

Suspended To April 22
It filed the proposed higher rates last Nov. 21 to become effective Dec. 23, but the PSC suspended use of them until April 22 of this year, unless otherwise ordered, to permit hearings. Already on file are protests from half a dozen individual C & A customers.

The proposed new charges would include a \$2.25 monthly minimum for the first 500 cubic feet or less of gas used, except that the minimum would be \$3.25 for consumers other than industrial customers who use gas as the sole or primary source of space heat.

The eight-step scale would range down to 48 cents per 1,000 cubic feet for all over 20 million cubic feet of gas used monthly.

Coming up Tuesday will be hearing of a Railway Express Agency, Inc. request for permission to operate motor truck service from the vicinity of Luke, Md., through Shaw and Blaine in Mineral County, Gorman in Grant County, and Thomas and Parsons in Tucker to Elkins.

Express Case Tuesday
The service generally would parallel the route of the Western Maryland Railway between Cumberland, Md., and Elkins. The railway recently was given PSC authority to discontinue its last remaining passenger and express service between those two cities, and Railway Express plans the truck route as a substitute.

Review of the PSC order, however, has been asked in a petition now pending before the State Supreme Court. The protest against discontinuance of the passenger train was filed on behalf of the city of Elkins and others.

Marine Gets Shooting Award
Pfc. Robert L. Goller, USMC, had been awarded the Leatherneck Rifle Marksmanship Award from the Marine Corps Magazine "Leatherneck" for firing a score of 239 out of a possible 250 with a M-1 rifle.

Goller fired the score at the Marine Corps Air Station in Cherry Point, N. C., when C. J. Berland's Sixth Special Infantry Company was undergoing summer training.

Goller was a member of the local reserve unit for a year and half before enlisting in the regular Marines last November. He is now undergoing basic training at Parris Island, S. C.

The local Leatherneck attended Fort Ashby High School and is a son of Mr. and Mrs. Vernon Goller of RD 2, Keyser.

Accident Victim Said 'Satisfactory'
Attaches at Potomac Valley Hospital, Keyser, today reported Harry Gordon, 24, of Piedmont, in "satisfactory" condition.

Gordon was admitted last night with leg injuries suffered when he was thrown from his automobile when it went out of control on State Route 136 three miles east of Westernport. Gordon was pinned under his car in the accident and was taken to the institution by a passing motorist.

Former 'Cowboy' To Retire From Postmaster Post

A postal employee, who in the course of a colorful career was a stagecoach driver and cowboy, retires tomorrow after having served 15 years as postmaster at Romney, W. Va.

Retiring is 71-year-old C. J. Powell, who a half-century ago handled the mail as a stagecoach driver between Chinook and Cleveland, Mont.

Succeeding Powell as postmaster will be Claude G. Pownall, who has served as a clerk in the Hampshire County postoffice since 1942.

After his employment as a stagecoach driver, Powell spent a number of years as a "cowboy" in western states.

A former mayor of Romney, he was commissioner of motor vehicles in West Virginia from 1937 to 1941. Powell formerly operated a garage in Romney and also served 20 years as chief of the Romney Volunteer Fire Company.

Snow Threat Hanging Over County Area
Cumberland and the tri-state section received snow flurries and some light snow this morning, with some more of the same predicted overnight.

Northern Garrett County in the Accident section received about a half inch while just west of Frostburg there was a quarter of an inch.

Traces were reported in southern Garrett County, and Cumberland had intermittent flurries during the morning.

At noon it was snowing at Deal and Connellsville along the Western Maryland Railway. However, the Thomas-Davis area was getting no new snow.

The district office of the State Roads Commission here reported Route 40 in the vicinity of Grantsville was 25 per cent bare, but chains were not recommended if caution were exercised.

The main highways were bare east of Frostburg. But the State Department of Forests and Parks said the back roads in Garrett County were very slippery.

The forecast for Allegany, Garrett and Washington counties calls for it to be cloudy tonight with some light snow likely, and a low of between 27 and 33 degrees. Tomorrow is to be mostly cloudy with little change in temperature.

Ballot Battle Won By Ryan
Carl Ryan has been elected vice president of Celanese Local 1874, Textile Workers Union, defeating John Powell in runoff balloting of 239 out of a possible 250 with for the post.

The runoff election was necessitated when none of the four candidates for the vice presidency—Ryan, Powell, William J. Berland's Sixth Special Infantry Company was undergoing summer training.

Goller was a member of the local reserve unit for a year and half before enlisting in the regular Marines last November. He is now undergoing basic training at Parris Island, S. C.

The local Leatherneck attended Fort Ashby High School and is a son of Mr. and Mrs. Vernon Goller of RD 2, Keyser.

Accident Victim Said 'Satisfactory'
Attaches at Potomac Valley Hospital, Keyser, today reported Harry Gordon, 24, of Piedmont, in "satisfactory" condition.

Gordon was admitted last night with leg injuries suffered when he was thrown from his automobile when it went out of control on State Route 136 three miles east of Westernport. Gordon was pinned under his car in the accident and was taken to the institution by a passing motorist.

To See Film
The Virginia Avenue and John's Heights School Child Study Groups will meet at the Virginia Avenue School next Thursday at 1 p. m. to see a movie, "Social Development."

Church To Hold Inquiry Classes
The first in a series of inquiry classes will be held tomorrow at 8 p. m. in the rectory of St. Patrick's Catholic Church, according to Right Rev. Msgr. J. Lawrence Kilkenny, pastor.

The course for converts will consist of 16 classes, Msgr. Kilkenny said, with the lessons being held on Tuesdays and Fridays from 8 to 9 p. m. The course will be completed on the week before Easter, the pastor said.

Rev. John U. Lyness, assistant pastor, will conduct the first half of the course, and Rev. Arthur W. Batress, assistant pastor, the remaining lessons.

Previous inquiry classes have been well attended, Msgr. Kilkenny said, and persons interested can either call the rectory or appear at the first class tomorrow evening.

County Ranks High In Blood Contributions

Red Cross Points To Urgent Need Of Program Support

Allegany County residents will have an opportunity to increase the county's standing in the 30-chapter Johnstown Regional Red Cross Blood Center when the bloodmobile makes two county visits next week.

On Monday, the mobile unit will be at the Eagles Home here, and on the following day the unit will process blood from residents of the Westernport area. Quota for each visit will be 150 pints, and the unit will be in operation from noon to 6 p. m. each day.

Records at the Johnstown center show Allegany County ranked fifth percentage-wise in collections for the first half of the 1957-58 fiscal year.

Total Exceeds Quota
In the six-month period, collections totaled 1,358 pints of blood, compared to a half-year quota of 1,200 pints. The amount was collected during 11 visits for an average of 123.5 pints per visit.

The county ranked fourth in the total number of pints contributed by the 30 affiliated chapters of the Johnstown Center.

Center officials pointed out that the centers exceeding the Allegany County total of 1,358 pints were where the bloodmobile made more visits than the 11 stops in this county. None of the top productive centers ranked as high percentage-wise as Allegany County, it was noted.

The county averaged the 123.5 pints per visit during the first half of the fiscal year and ranked sixth in the average amount contributed by the 30 affiliated chapters.

Donations Fall Short
Again, Johnstown spokesmen pointed out, the leading chapters were where far fewer visits were made and where the amount contributed was much less than that generated by Allegany County residents.

Despite the high standing of the county, officials of the Red Cross Chapter here pointed out more blood is needed.

Blood donated, the spokesmen continued, in many instances does not equal what is used in the county's three hospitals between the visits. Of vital need in the blood program is for new donors to sign up for regular donations.

Despite scheduling "many more" than the required donors chapter spokesmen said the blood program committee must depend on "walk-ins" to keep the program operating in the county.

Depend On 'Walk-ins'
Regular donors are notified far enough in advance when they are to appear for blood donations. It was stated, but few notify Red Cross headquarters if they find they are unable to appear. This forces the chapter to depend on "walk-ins" if the quota is to be met, spokesmen said.

For the last visit of the bloodmobile, only 215 persons were scheduled to contribute blood. The amount processed totaled but 113 pints, and this figure was attained only because 37 unscheduled donors appeared to offer their blood.

That the program has the support of some people is evidenced by the fact that there are 340 members of the Gallon Club, 98 of Two Gallon Club members, and seven Three Gallon Club members.

Church To Hold Inquiry Classes
The first in a series of inquiry classes will be held tomorrow at 8 p. m. in the rectory of St. Patrick's Catholic Church, according to Right Rev. Msgr. J. Lawrence Kilkenny, pastor.

The course for converts will consist of 16 classes, Msgr. Kilkenny said, with the lessons being held on Tuesdays and Fridays from 8 to 9 p. m. The course will be completed on the week before Easter, the pastor said.

Rev. John U. Lyness, assistant pastor, will conduct the first half of the course, and Rev. Arthur W. Batress, assistant pastor, the remaining lessons.

Previous inquiry classes have been well attended, Msgr. Kilkenny said, and persons interested can either call the rectory or appear at the first class tomorrow evening.

Friends Of LaSalle Set Meeting Tonight
The Friends of LaSalle will meet today at 8 p. m. at the Knights of Columbus Home.

Joseph Divico, general chairman of the organization, said the meeting will be held to make plans for a benefit supper on March 9 at St. Mary's Hall.

Board To Meet
The Board of Zoning Appeals of Cumberland will meet today at 8 p. m. in City Hall to take up the appeal of Leo Palmer who wants to build a two-story garage located at the rear of 302 Pulaski Street which is in a Residential B Zoning District.

LaSalle Hi Gets Dates For ESCIT

Brother Paulian, LaSalle High School principal, stated this morning that the undefeated LaSalle quint had received the announcement of the dates for the Eastern States Catholic Inter-scholastic Tournament at Newport, R. I.

Brother Paulian stated, "It is not an invitation or formal application to appear at the event, merely the annual announcement sent to all schools eligible to participate in the tourney."

"Schools interested are to indicate as such, send their records and games remaining on the schedule. Formal announcement of the teams to be chosen will be made sometime late in February or early March," he concluded.

Opens March 26

The four-day tourney, in which LaSalle last appeared in 1946, will open Wednesday, March 26, and run through Saturday, March 29. Games will be played in the new Rogers High School gym, which seats 2,000 and has ample standing room.

Eight teams will participate in the invitation tournament with last year's champion, Trenton Catholic of Trenton, N. J., automatically returning along with host school DeLaSalle of Newport.

It is almost assured that if LaSalle, now unbeaten in 15 games, continues its current pace the Explorers will be among the half-dozen schools yet to be selected for the tourney.

Win Title In 1944

If so, it will be the fifth time the Explorers have participated. They first went to Newport in 1943 and returned the next three seasons, winning the title in 1944 under coach Bill Keegan.

The 1943 club, which also included present LaSalle coach George Geatz, finished third, while the Explorers failed to retain their championship in 1943 when defeated in the finals. The 1946 club, on which Geatz played after he returned from the service, was fourth in the field. Keegan also coached the 1946 quint while Stocum was mentor of the 1943-45 clubs.

LaSalle, now the only undefeated team in the area, has seven more games remaining on its schedule. Clubs to be faced are Ridgeley, Bedford, Northern of Accident and Fort Hill at home, while Bruce of Westernport, Beall of Frostburg and Allegany will be played on foreign grounds.

All of the teams have been played once and whipped by the Explorers. They make their next start Tuesday of next week when being host to Ridgeley at SS, Peter and Paul.

Blue Devils, Cavaliers In Clash Tonight

By The Associated Press
After two weeks of sparse activity due to mid-term examinations, the Atlantic Coast Conference basketball warfare steps up the pace with two games tonight and four Saturday.

Duke entertains Virginia in a league game tonight, while South Carolina visits Furman of the Southern Conference.

Play For Fourth Place
The Duke-Virginia contest will be the fourth place in ACC standings, behind the conference's "big three."

North Carolina, Maryland and North Carolina State, currently ranked No. 7, 9 and 10 in the nation, respectively.

Going into the game, Duke and Virginia share the fourth place spot, each with 500 records. Duke is 2-2 in the ACC and 7-5 overall while Virginia is 3-3 in the league and 6-6 overall.

Terps Play Tomorrow
The South Carolina-Furman contest, usually a game for the supremacy of the Palmetto State, can't help either team much. South Carolina is 4-10 for the season and Furman 1-9.

No ACC games are scheduled for tomorrow night. Saturday, conference games send Clemson to North Carolina State and North Carolina to South Carolina. In non-conference contest, Maryland travels to Navy and Virginia visits Virginia Military.

Betha Cops Dull Nod Over Johnson

CHICAGO (P) — Young Jack Johnson, who isn't young at 29, is fighting under an alias and maybe it's just as well.

His real name is John Storey, and the story goes that his handlers tabbed him with the Johnson moniker because he was supposed to have the build and the style of the former heavyweight great of yesteryear.

Johnson had only two fights in the last two years and the rustiness of the 214-pounder from Los Angeles was glaringly apparent in last night's nationally televised non-hitter at Chicago Stadium.

Through 10 drab rounds, Johnson and Wayne Betha of New York clubbed at each other, pawed arm - wearingly, and clinched while 1,022 ringside customers boomed. Betha, 204, rated the No. 10 contender by the National Boxing Assn. and No. 8 by Ring Magazine, took a unanimous decision.

Pro Football League Eliminates 'Bonus Pick'

Owners Act On Advice Congress In Loop Confab

PHILADELPHIA (P) — The National Football League, acting on advice from congressional investigators, eliminated one of its player selection show pieces last night—the bonus choice.

League owners at their annual winter meeting also reaffirmed their television policy for another year, passed a rule giving further protection to college players and joined with the players association in retaining former all-pro star Bill Dudley to formulate a player pension program.

Elimination 'Surprise'

Elimination of the bonus choice, though reported a possibility by Commissioner Bert Bell, came as somewhat of a surprise. Instituted in 1947 at the suggestion of ex-pro coach Curley Lambeau, this out-of-the-hat drawing had become a bright feature of the annual player draft.

The Chicago Bears won the first bonus 12 years ago and picked Bob Fenimore, an Oklahoma A. & M. back. Since then, such stars as linebacker Chuck Bednarik of the Philadelphia Eagles, end Leon Hart of Detroit, end-back Kyle Rote of the New York Giants, and quarterbacks Harry Gilmer of Washington and George Shaw of Baltimore were products of the bonus draw.

The bonus choice preceded the start of the regular draft and gave the lucky team negotiating rights to any eligible college player in the country. The Chicago Cardinals last Dec. 2 were the last of the 12 pro clubs to get the bonus, choosing Rice quarterback K. N. G. Hill.

Commissioner Bell was told during his appearance before a congressional committee investigating sports that the out-of-hat system bordered on an illegal lottery. So, the owners, unable to come up with a satisfactory substitute, decided to please Congress and toss out the bonus altogether. Lambeau's original idea was to give each NFL locality a chance to obtain over the 12-year cycle, one of the top college players of the year.

Continue TV 'Blackout'

Bell announced that the NFL would continue to black out telecasts of its games within 75 miles of the scene of a game. He reiterated that under no conditions, including playoffs and championship games would the league deviate from this policy, approved by a federal judge several years ago after long and costly litigation.

In connection with this decision, the players association issued a statement backing Bell 100 per cent. The association, through its president, Bill Howton, star end of the Green Bay Packers, said, "In maintaining the blackouts, Bell was acting in the best interests of the players. In the event Bell permitted hometown television future gate attendance could suffer and proportionately reduce the player's share."

In order to forestall any charge of tampering from the colleges, the owners passed a rule forbidding any NFL team from signing a college or high school player or coach who starts full training with a school team. This stops the pros from attempting to acquire high school or college talent in the middle of a season.

Scholastic Scores For West Virginia

Diplomats, Columbians Bag Shuntout Victories

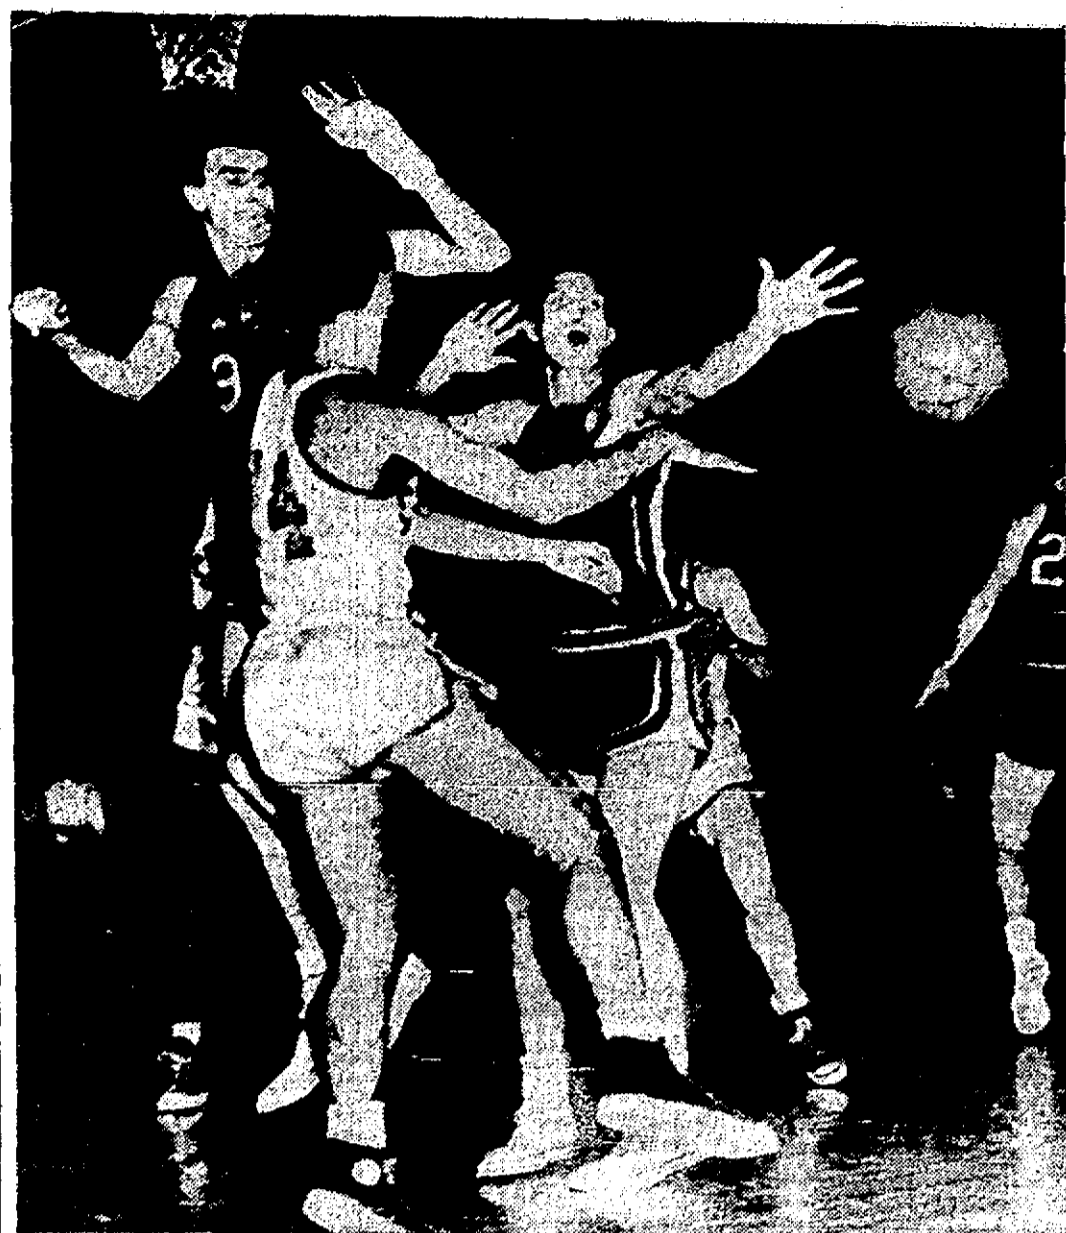

Diplomats blanked Nationals, Columbians shut out Ambassadors and Capitols downed Shenandoahs, 2-1, in B&O Ladies CTP Bowling League action.

Lillie Dentinger of Columbians was the week's star with a 153 game and 431 set. Others with top scores were Nora Doerner, 125-338, Ambassadors; Virginia Huff, 121-341, Diplomats; Mary Mallozzi, 114 and Phoebe Knoll, 320, Nationals; Tillie Gobel, 422-318, Capitols, and Anna Morin, 152-366, Shenandoahs.

McKay Paces Spa To 3-0 Liquor Win

Eddie McKay's 211 game and 539 set paced front-running Spa Bar to a 3-0 victory over King's Tavern in the South End Liquor Dealers Bowling League. Harp Harper's 189-493 led King's.

Wonder Bar defeated Niner Restaurant and Frank's Tavern won over Racey & Lynn in 2-1 matches. "Ace" Drew was Frank's best with 189-500. Joe Grimm had 203-477 for Wonder Bar. Bud Dentinger fired 160-448 for Racey & Lynn and Blackie Priddy posted a 185 game and B. Hiner a 498 set for Niner's.

COUSY MAKES A PASS — Bob Cousy (14) of the Boston Celtics lets go a pass as Bob Pettit (9) and Jack Coleman, both of the St. Louis Hawks, look on with amazement in second period of their National Basketball Association game at Boston Garden last night. Boston won, 111-101.

period of their National Basketball Association game at Boston Garden last night. Boston won, 111-101.

Frankies Fall To Marshall At Foul Line

HUNTINGTON (P) — Marshall prepared today for the Saturday invasion of Florida State after upending St. Francis (Pa.), 100-96, thanks to its unerring accuracy at the free throw line.

The Big Green is tops among the nation's college teams when it comes to canning free throws. It lived up to its national reputation Wednesday by making 30 of 36 free throws as compared to 20 of 29 by the visitors. St. Francis held the edge in goals, 30-34.

Byrd, Greer Star
It was the one-two scoring punch of Leo Byrd and Hal Greer that enabled the Big Green to win the eighth out of its last nine games and stretch its season record to 10-4.

Greer pumped in 23 points and Byrd 34, changing their rankings in the nation's top 10 scorers for major colleges. Byrd, now with a 25.5 average, moved from eighth to a sixth-place tie. Greer, who had been in sixth place, now has a 25.0 average and is ranked ninth.

St. Francis overcame a 47-42 halftime deficit to lead throughout most of the second frame until Byrd hit to give Marshall a 93-92 edge with 1:22 remaining. St. Francis countered with a bucket but Greer drove between two Frankies to give Marshall the lead for good.

Allen Sparks Drive
Substitute Sonny Allen, 5-10 junior from Moundsville, came off the Marshall bench to lend a needed helping hand in the final minutes by stealing the ball on numerous occasions.

Marshall hit on 50 per cent of its shots from the floor. Wib Troesch, the Frankies' 6-8 center, scored 41 points.

Florida State will play here Saturday after a Friday clash at West Virginia University. The Seminoles own a 6-8 record.

Byrd Moves Up In Scoring Race

By The Associated Press
Marshall's scoring aces were the only two members of the top ten in action last night but only Leo Byrd took advantage of the opportunity to improve his standing in college basketball's individual scoring race.

Scoring 34 points in Marshall's 100-96 victory over St. Francis of Pennsylvania, Byrd moved into a tie for sixth place with Archie Dees of Indiana at an average of 25.5.

Hal Greer, Marshall's other high scorer, tallied only 23 points and saw his average drop to an even 25.

Scoring leaders through last night: Oscar Robertson, Cincinnati, 32.8; Wilt Chamberlain, Kansas, 32.4; Elgin Baylor, Seattle, 29.7; Don Hennon, Pitt, 28.5; Bailey Howell, Mississippi State, 25.6; Byrd, Marshall, 25.5; Dees, Indiana, 25.5; Jack Kubiszyn, Alabama, 25.2; Greer, Marshall, 25.0 and Hubert Reed, Oklahoma City, 24.7.

Independents Score

Independents shut out Republicans, 3-0, and Lions grabbed two of three from Eagles in the Frostburg Tenpin League.

"Gib" Winner was high for Independents with 245-689 while "Beck" Bradley posted a 191-260 for Republicans. Larry Shavers 244-573 set the pace for Lions and Bob Porter had a 236 game and John Kreitzburg a 549 set for Eagles.

Cousy Tallies 39 As Celtics Stay 'Invincible' At Home

By The Associated Press
The Boston Celtics are a tough club to beat on any National Basketball Assn. court. But they're virtually invincible at home, particularly when Bob Cousy is on the beam.

Just when it appears that the Celtics are going to drop back to the rest of the Eastern Division pack, they're in Boston Garden to pick up another victory.

Last night, they rallied in the second half to whip the St. Louis Hawks 111-101 in the night's only NBA action. That made it 17 straight home victories for Boston which lifted its first place margin over idle Syracuse to 6½ games.

With Boston trailing by 13 points at the half, Cousy got his team rolling in the third quarter. He scored 11 points in a row during one stretch and reduced the Hawks' margin to a single point.

Then with St. Louis leading 89-88, Boston put together 13 consecutive points, including seven by Cousy, to pull away for good. Cousy wound up with 39 points, Bob Pettit led the losers with 22.

Dutchmen End With Easy Win

SS. Peter and Paul closed out first-half action in the Catholic Youth Basketball League last night with a 54-38 victory over St. Peter's of Westernport on the SS. Peter and Paul boards.

Bill "Rabbit" Stakem paced the Flying Dutchmen with 26 points while Billy Davis shoved in 22 for the St. Peter's quint.

St. Mary's was the first-half victor in the race with a 9-0 record.

The second half will get underway Sunday with a double-header on the SS. Peter and Paul court between St. Michael's of Frostburg and St. Peter's at 2 p. m. and St. Patrick's and St. Joseph's of Midland at 3 o'clock.

The SS. Peter and Paul at St. Mary's game, originally set for Sunday, will be played on Monday at 7:30 p. m.

Mangrum, Hebert Tourney Choices

PHOENIX, Ariz. (P) — With pre-tournament rounds as a yardstick, veteran Lloyd Mangrum and youthful Lionel Hebert measure up as the golfers to beat in the \$15,000 Phoenix Open.

A field of 155 tees off today in the first round of the 72-hole tournament over the narrow, tree-lined Phoenix Country Club course.

Mangrum and Hebert, 30-year-old trumpet player from Louisiana, both posted 5-under-par 66s yesterday to share top money in the \$2,500 pro-amateur preliminary.

Undefeated Redmen At Pitt Tonight In Big Test

By ED WILKS
The Associated Press

What had figured to be the beginning of a chance at prestige could tonight be the beginning of the end for St. John's of Brooklyn, last of the unbeaten in major college basketball.

St. John's (9-0) took over the undefeated list when West Virginia, top-ranked for six weeks in The Associated Press poll, was knocked off Monday at Duke.

"Big Man" Missing
But now the Redmen, rated 13th, have lost big man (6-6) Lou Rostel to injury for tonight's road game against Pittsburgh. He'll still be missing Saturday at Philadelphia against 11th-rated Temple.

After that, it's West Virginia at Madison Square Garden a week from tonight.

Only one of the top 10 was busy last night. Eight-ranked Kentucky belted Georgia 74-55 and reclaimed full share of the Southeastern Conference lead. The Wildcats (13-4), in the midst of a three-game road schedule, fell into a tie for the top with Georgia Tech when the Engineers upset 'em Monday.

Halon Paces Cats
Vern Hutton led Kentucky scoring with 20 points against Georgia, but it was the second half sharp-shooting of reserve Earl Adkins that got the job done. Adkins scored 14 points, all in the last 20 minutes.

Notre Dame, whipped by 11 at Louisville, peppered the Cardinals 73-53 at South Bend. Dayton defeated Xavier of Ohio 74-59. A balanced attack brought Duquesne an easy 66-58 decision over St. Francis of Brooklyn.

St. Joseph's (Pa.) defeated Lafayette 98-97, and NYU ended Fordham's winning streak at four, 90-73. Army eased home for a 76-65 victory over Siena, the Air Force defeated Creighton 63-52, Brown defeated Northeastern 91-77, and Montana, the Skyline leader, was beaten 72-63 by Montana State in a non-conference game. Marshall whipped St. Francis (Pa.) 100-96.

Aussie Again Batters Mark In Mile Run

MELBOURNE (P) — Australian Herbert Elliott tonight ran the mile in 3:58.7—the second time in five days he has been clocked under four minutes.

Elliott beat Merv Lincoln in the invitation mile race at Olympic Park here. Lincoln's time was 3:59.

Eagles Continue Pistol 'Climb'

Eagles continued their climb in the Western Maryland Pistol League by posting a pair of wins over Falcons and Hawks to draw into a deadlock for second place with Falcons. Eagles are only two games away from a tie for the lead.

Hawks notched a close two-point victory over Owls in the Gallery course and Falcons won over Owls in the 20-shot slow fire test. Leo "Dead-Eye" Leasure was top gunner for the evening in the Gallery match with 276 for Eagles while Glenn Kuebler topped Eagles with 173 in the slow fire.

Norm White was tops for Hawks with 274 and 177, Bill Whitson was best for Owls with 266 and 167 and Howard Nethken of Oakland led Falcons with scores of 239 and 175. Summary:

Match 19-30 Shot Gallery Course	Slow Time Rapid Tot.
Leasure	88 55 93 276
Kuebler	87 86 86 259
Kuebler	75 63 83 221

Triandos, Nieman Okay Bird Terms

BALTIMORE (P) — Gus Triandos and Bob Nieman, the Baltimore Orioles two long ball hitters, signed their 1958 contracts today.

Triandos and Nieman finished one-two respectively on the Orioles in home runs and runs batted in in 1956 and 1957.

Although Triandos batted only .254 last year, he hit 19 homers and drove in 77 runs. The big catcher compiled a fielding mark of .992.

Nieman's batting average dropped from .320 in 1956 to .276 last season. He hit 13 home runs and had 70 RBIs. The outfielder has a lifetime average of .269.

The signings brought to 17 the number of Orioles who have agreed to terms for the 1958 season.

ONE of the Los Angeles Dodgers' pitching hopefuls, Larry Sherry, 22, with Fort Worth in 1957, led the Texas League in strikeouts with 146.

Ready For Bid

LaSalle Wins Again In Stinging Hornets

If only 15 wins are needed for LaSalle High's cagers to get their first bid to the Eastern States Catholic Inter-scholastic Tournament at Newport, R. I., since 1946, the Explorers made it last night.

Invading Pennsylvania, the North Centre Streeters preserved their undefeated streak with a 74-50 victory over Hyndman and also made a sweep of the Hornets in their two-game series. The Keystone States had been dropped, 78-43, on the SS. Peter and Paul boards earlier in the month.

Bag 17th Straight
The triumph was the 15th in a row this campaign for coach George Geatz's charges and their 17th straight over a two-season span. The Explorers had bagged their last two starts of the 1956-57 season.

Three opponents now have dropped a pair of games to the LaSalle cagers this season. Valley was taken across twice, 61-50 and 55-44, while Mt. Savage bowed in a pair, 74-42 and 59-43.

Ridgeley, a 58-45 victim of the area's only unbeaten club, will be next in line for LaSalle, the Hawks playing on the SS. Peter and Paul court next Tuesday night.

Imes Snaps Deadlock
The lead switched hands three times last night in the early minutes of the contest before Charles "Chazz" Imes, leading scorer in the city, slammed home a fielder to crack a 6-6 deadlock and LaSalle was never behind.

The spread rose to as much as 28 points for LaSalle with Hyndman being able to narrow the final gap to 14 points with a 27-point outburst in the final period. LaSalle was on top, 19-11, 36-21 and 56-33 at the quarter marks.

Three cagers, marking the first time this season for the Explorers, hit for 20 or more points in a single game. Van Parsons dunked in 23 tallies on eight goals and seven penalty pitches. Dick Garlitz and Imes both had nine goals and two free throws for 20 counters.

Maynard Diehl led Hyndman with 18 points with the Hornets getting an 11-point performance from Royce Waltman while Charles Twigg and Ed Thompson shared 20 markers.

LaSalle's Jayvees, who had won their first 11 games, snapped a two-game losing streak in the preliminary by taking the Hyndman JV's across, 43-40.

LaSalle's JV's, who had won their first 11 games, snapped a two-game losing streak in the preliminary by taking the Hyndman JV's across, 43-40.

'Shoe' Needs One First For 3,000th Win

ARCADIA, Calif. (P) — Jockey Willie Shoemaker had seven trips at bat today to hit or pass the 3,000 mark for winning races.

The 26-year-old riding star reached 2,999 yesterday at Santa Anita Park with a pair of victories — the last in the eighth race.

Willie The Shoe will become the sixth jockey in United States history to reach the 3,000 mark.

Ahead of him are Johnny Longden, with 5,090; Eddie Arcaro, second with 3,994, and trailing behind in order, Ted Atkinson, Johnny Adams and Ralph Neves.

Longden, Arcaro, Adams and Neves have been riding for 20 or more years.

Shoemaker scored his first victory less than nine years ago — April 20, 1949.

Bavasi To Give Walker Chance For Campy's Job

LOS ANGELES (P) — Tragedy has thrust the opportunity of full-time employment to Al (Rube) Walker, a catcher with little to do during the last six baseball seasons.

Schaus Hopes To Start New Win Streak

By DICK LEONARD
MORGANTOWN (AP) — Add the role of prophet to the talents of Fred Schaus, West Virginia University's young and handsome basketball coach.

At the start of the season, Schaus told the Associated Press that long winning streaks were practically a thing of the past as far as college basketball teams are concerned.

"You play too many games with too many good opponents and one of them is bound to come up with a hot shooting night," he explained.

Clip Carolina String
Right after his prophetic remarks, the WVU Mountaineers proceeded to clip North Carolina's 37-game winning streak and embark on one of their own.

The Mountaineers stretched the streak to 14 straight when they ran into Duke last Monday and had it snapped, 72-63.

Today, Schaus is laying plans to hatch another victory streak, starting with Friday's invasion by Florida State. The Mountaineers haven't been setting the basketball world on fire. They own an indifferent 6-8 record, including a loss to Furman — the team WVU wallowed twice this season, 105-67 and 109-84.

Schaus doesn't discount the Mountaineers, however. "They've won three of their last four games," he said. "They have several players back from last year."

Then comes St. John's. After Florida State comes the trip to New York and the game with St. John's University in Madison Square Garden next Thursday. The Redmen presently are the only major unbeaten college quint in the nation.

Schaus would like to end their nine-game winning streak but there is a good chance that Pitt or Temple may turn the trick before WVU gets a crack at it. The Redmen play Pitt tonight and Temple Saturday.

As for the Duke loss which has been called by some as the "greatest upset of the season," Schaus has a simple explanation. "We just lost the ball too many times before we got a chance to take a shot," he said. "We lost it on bad passes, on fouls, on violating the three-second rule and on taking too many steps."

"Could Beat Duke"
Schaus maintains his team could beat Duke.

"I'd just like to get another crack at them," he said. "I feel sure we could beat them. Make no mistake about it, though. Duke deserved to beat us. They were a better ball club that night. We threw the ball away too many times."

WVU is scheduled to play Duke next Dec. 19 at Morgantown. But Schaus is not worried about that yet. He still must get his team ready for the 10 remaining games on the WVU schedule plus the Southern Conference tourney at Richmond this season.

Frank's Posts Shutout Win

Frank's Team posted a 3-0 shutout in the Ladies City Bowling League over Southern and picked up a game on pacing Pyrofax Gas. The pacers were held to a 2-1 win over Old Germans while Capitals edged Diamonds 2-1.

Jo Alderton scored a double with a 228 game and 528 set for Old Germans, both high for the matches.

Other team leaders were Kay Leighty, 182-455; Pyrofax: Elsie Morton 177 and Rockline Elias 465; Frank's: Hazel Diehl, 182-391; Southern: Elizabeth Roe 160 and Vivian Chase 438; Capitals: Margaret Robinson, 190-470; Diamonds: Standings:

Pyrofax 42 15 Diamonds 21 20
Frank's 42 15 Old German 16 41
Capitals 21 36 Southern 11 46

Links' Winning Streak Snapped

Links had their unbeaten string snapped as Shackles took a 2-1 win over the Ball and Chain Mixed Bowling League pacesetters. Links have won 10 and dropped a pair.

Balls posted a 3-0 shutout over Chains in the other match.

Pacing their teams were Betty Cagle, 151-335, and Jim Coleman, 138-381; Links: Freda Shipway, 151-342; Harold Bartlett 173; and Leroy Read 404; Shackles: Ann Coleman, 126-341; and Herb Sarver, 147-412; Balls: Jerry Read, 102-266; Bill Cagle 124 and Harlen Chaney 332; Chains: Standings:

Links 10 2 Balls 6 6
Shackles 7 3 Chains 11 11

Watts Deadlock Amps For First

Watts deadlocked the race in the Potomac Edison Mixed Bowling League with a 2-1 win over Cyclops while Amps were falling into a tie for the lead in being shut out, 3-0, by Ohms.

Pacing their teams were Ruth Snyder, 126-345, and Hayden Phillips, 196-511; Watts: Betty Deter, 137-296; Bob Don 164 and Troy Marks 447; Cyclops: Nina Hemmis, 137-294; Melvin Emerick 176 and Arnold Hurling 384; Amps: Mary Jane Frye, 164-419, and Ed Meier, 166-390; Ohms: Standings:

Watts 33 18 Ohms 32 19
Amps 33 18 Cyclops 24 27

Western Maryland Skiing Tourney Opens Saturday

With top-notch entries from four states and the District of Columbia, the Maryland State Ski championships scheduled for this Saturday and Sunday are assured of first-class competition. They are sponsored by the Western Maryland Ski Club of Cumberland.

Skiers who have entered meets in Austria, Switzerland, New England, the Rocky Mountains and collegiate ranks are among the featured entrants in the expert Slalom and expert downhill events.

Marsh Mountain, located at McHenry on the west side of Deep Creek Lake, will be the site of the events and presents a most formidable test. At the top of the 1,600-foot slope the first 400 feet drops off sharply at a grade of over 40 per cent. Expert contestants will race the length of the course, while intermediate and junior skiers will start at a lower point on the hill.

To date, 43 have entered in the total of 76 events. Leading the group of contenders are such established skiers as Erich Scherer, of Washington; Ben Greystad, Indian Head, Md.; Joseph Hutchins, Pittsburgh; John C. K. Parker, Baltimore, and Herman Dupree, Seven Springs Farm, Pa. The leading lady entrants include Marilyn Greystad, Indian Head; Norma Gentle, Washington.

Musial Joins Williams In \$100,000 Bracket

By BEN OLAN
The Associated Press

Ever since they have been in the major leagues, Stan Musial and Ted Williams have bettered one baseball record or another.

Now Musial has added another one to his long list. Put it under "highest annual salary, National League" — \$100,000. The St. Louis slugger signed for that figure yesterday.

Ted To Get \$125,000

Stan's salary is not a major league mark only because Williams is expected to hit \$125,000 when he comes to terms with the Boston Red Sox.

Musial's contract represented a \$20,000 boost over 1957. The 37-year-old veteran earned it with his league-leading .351 average coupled with 29 homers and 102 runs batted in.

Williams, 39, who is more concerned with fishing than baseball at the moment, should have no trouble reaching a salary agreement with the Red Sox. Ted's .382 batting performance of last season is a good "line" and \$125,000 is excellent "bait."

Almost from the start of Musial's career in 1941 baseball fans have been arguing whether he or Williams is the better hitter.

Keep Running Battle
At the moment, Williams leads in lifetime batting average—.350 in 340; home runs—436 to 361; and runs batted in—1,639 to 1,572.

Musial shows the way, however, in batting titles with seven to Ted's five and in Most Valuable Player awards, three to two.

Right-handed pitcher Murry Dickson, 41, who was Musial's teammate for many seasons until he was unconditionally released last fall will try for a 1958 comeback with the Kansas City Athletics. He was signed on the recommendation of his old teammate, catcher Walker Cooper.

Another veteran, Mickey Vernon, also moved on. He was sold by the Red Sox to the Cleveland Indians in a straight "waiver deal." Vernon, 33, is a two-time American League batting champion.

Headquarters Co. Wins Rifle Match

Headquarters Company, 1st Battalion, National Guard, defeated "D" Company in a 22-calibre rifle match at the National Guard Army range in Frostburg, 1,298 to 1,199.

Sgt. "Stud" Crabtree of the local shooters led all competition with an aggregate score of 282. Cpl. Loar was high for Frostburg with a 253. Summary:

SAO PAULO, Brazil—Paulo De Jesus, 156, Brazil, awarded decision over Woody Wilson, 131, Los Angeles, (Wilson disqualified in fourth round for hitting).

LITTLE SPORT

Campy Shows Improvement, 'Still Critical'

GLEN COVE, N.Y. (AP)—Dodger catcher Roy Campanella continued to improve today, but he still hasn't shaken off the paralysis which struck him from chest to toes in an auto accident.

The burly, 36-year-old baseball veteran has regained some feeling in his hands, arms and upper chest.

Legs Paralyzed
The hospital also said there had been an indication of strength and some movement in his hands. But his legs remained paralyzed.

He still is on the critical list. Campanella, three times the National League's Most Valuable Player with the Brooklyn Dodgers, was injured early Tuesday. His car skidded hit a telephone pole and turned over.

Campy suffered a broken neck. He has been in a form of traction since a 4½-hour operation to relieve pressure on a nerve.

His wife Ruth spent 2½ hours at his bedside yesterday, but he slept through the visit. The Campanella's have six children.

The 215-pound catcher has been taking fluids through the mouth, but has been fed intravenously.

Picture "Encouraging"
Doctors still consider the overall picture encouraging but admit it may be months or years before he returns to normal. They are hopeful the paralysis eventually will disappear.

There is little hope that Campy ever will be able to return to baseball as a player. Not only would there be physical danger because of the injury, but at 36, even Campy probably would not be able to come back.

He already had signed for 1958 with the Los Angeles Dodgers, although taking a cut in an estimated \$36,500 after a poor year last season.

Wesleyan, Tech Retain Perfect Marks

By The Associated Press
It's beginning to look more and more like West Virginia Wesleyan and West Virginia Tech will continue unbeaten in West Virginia State Conference basketball competition until next week when the two teams collide at Montgomery in the first of their two showdown battles.

Tech practically eliminated Morris Harvey from the conference title race, 109-97, and Wesleyan continued unabated by downing Glenville State, 85-64, in Wednesday action.

Wesleyan Holds Lead
Wesleyan holds the league leadership with a 15-0 record. Tech is in the runnerup spot with a 13-0 mark. Bluefield State is next at 5-1 followed by Morris Harvey at 4-2. No one else is close.

There are only two conference games on tap tonight. Fairmont State (9-4) will play Beckley (2-5) at Sophia, and Alderson-Broadhead (7-9) will meet West Virginia State (6-5) at St. Albans.

Wesleyan was in command throughout most of the tilt at Glenville. The Bobcats moved to a 48-26 halftime bulge and held a 27-point lead once during the second half. Glenville's Rudy Poole topped all scorers with 26 points. Ken Remley, 6-10 Wesleyan center, netted 24 tallies and his team mates, Bill Smith and Gary Hess chipped in with 21 and 18 respectively.

Tech Raps Eagles
Tech, the nation's leading college scoring quint with a 106-point average, outran and outshot Morris Harvey. The Golden Bears a-head at the half, 52-42, and at one time held a 25-point lead over the Golden Eagles. Six Tech players finished in the double scoring figures with sub Wayne Dawson's 22 points tops. Ace Cook and Don Stover each snared 29 tallies to lead Morris Harvey.

Tech, the nation's leading college scoring quint with a 106-point average, outran and outshot Morris Harvey. Six Tech players finished in the double scoring figures with sub Wayne Dawson's 22 points tops. Ace Cook and Don Stover each snared 29 tallies to lead Morris Harvey.

Tech Continues Offense Leader

BECKLEY (AP)—Morris Harvey was the only newcomer among the West Virginia Intercollegiate Athletic Conference statistical leaders this week. West Virginia Tech continued to lead in three departments.

Tech increased its points-per-game output to 106.3 in 20 contests through last week. The Golden Bears also lead in rebounds and goal shooting. Tech has averaged 82.4 rebounds, and has made 48.9 per cent of its shots from the floor.

Morris Harvey took over the free throw shooting leadership from Tech. The Golden Eagles moved into a 63.4 per cent record with 238 successful free throws in 429 attempts.

Bluefield State held on to its defensive rating. The Big Blues have allowed 13 opponents an average of 66 points per game.

Pointers On Points

Third of a series by college and professional coaches and star players written for MEA Service and the Cumberland Times.

By ED CONLIN
Syracuse Nationals
I try to keep moving all the time to make it tough on the man guarding me.

Usually I'll come out of the corner (dark circle) and come off around the pivot man on the high post by the foul line.

I can use him for a screen and take the pass from a guard (dot) tied line.

I then have three basic shots—a two-handed set, a jumper and a drive.

If my man doesn't come after me behind the play, I'll set.

If he does I'll either try to drive around him or, finding trouble there, go with the jumper.

NEXT: Archie Dees of Indiana.

Murphy Will Renew Offer To Buy Nats

WASHINGTON (AP)—Insurance man H. Gabriel Murphy is expected to renew tomorrow his bid to buy control of the Washington Senators for \$1,375,770.

Murphy, who owns about 40 per cent of the American League club's stock, said yesterday he would place his offer before the annual stockholders' meeting. But it appears likely he will get nowhere.

Family Not Interested
The family of the late Clark Griffin held 52 per cent of the outstanding stock under a trust. And Senators' President Calvin Griffith said he and other members of his family are "not interested in selling the Washington club, either in part or its entirety."

Long a critic of the club's present management, Murphy yesterday offered to buy 2,274 shares—and control of the team—for \$605 a share, an unprecedented price. Recent quotations have been about \$150 a share.

Wants To Get Winner
Murphy, who paid \$8 a share for his own stock several years ago, said he wants control of the team "to produce a winner and to end their constant threat of moving the franchise to some other city."

In recent years the Senators have been in the league's second division. Last season, they finished last in the standings, and in home attendance, too.

Coney Leaders Score Victories
Front-running Eichhorns and the runnerup Groves marked up 2-0 victories in Lonaconing City League bowling action on the Lefty Grove alleys. The pacesetters downed Republican Club and Groves rocked White Way Inn. Stakems topped Liberty Trust, 2-1, in the other match.

Three bowlers went over the 300 mark in sets. Andy Steele of Eichhorns showing the way with 578. His best game effort was 234. Bill Murphy had 185-506 for Groves and Hen Smith, 184-500, for Republican Club.

LAUREL LEADER
BALTIMORE (AP)—Laurel led Maryland tracks in attendance and wagering in 1957.

SENATORS, ESQUIRES AND CHIEFS SCORE
Senators topped Pages, Chiefs downed Senators and Esquires won over Knights in K of P Mixed League bowling matches this week.

Men and women leaders were Alter McKee, 160-426 and Mrs. Jordan, 143-337. Senators: Vince Showmaker, 132-421 and Angela Wade, 137-358. Pages: Clyde Comer, 148-432 and Linda Owens, 122-335. Chiefs: Robert Wade, 161-395 and Katherine King, 125-320. Senators: Harris Dickerhoff, 152-399 and Freda Shipway, 117-327. Esquires, and Robert Wade, Sr., 173-448 and Charlotte Mudge, 144-385. Knights: Standings:

Bosox Roster To Have Few New Players

Sixth of a Series on Rookies

By JOE REICHLER
NEW YORK (AP)—With one or two exceptions there won't be a new face in the Boston Red Sox spring training camp next month.

The roster lists a dozen rookies but with the exception of pitchers Clarence Churn and Gary Blaylock, infielder Joe Tanner and outfielder Albie Person, all have been up before.

Those back for a second or even a third inspection include pitchers Jack Spring, Frank Baumann, Bob Smith, Leo Kiely and Al Schroll; catcher Haywood Sullivan and outfielder Marty Krough. Second baseman Ken Aspromonte and pitcher Murray Wall were called up by the Red Sox late last season.

Churn Relief Artist
The most interesting new addition may turn out to be Churn who, along with Kiely, established quite a reputation for themselves as relief artists in the Pacific Coast League. Churn worked in 67 games with San Francisco and turned in a 2.78 earned run average while posting a 9-7 record. In addition, the 26-year-old Virginian, who stands 6-3 and weighs 205, appeared in five games for Pittsburgh early last season. He was drafted from the "Pirates" farm club last December.

Kiely returns after a tremendous season with San Francisco. The 28-year-old southpaw won 21 and lost six although used almost exclusively in relief to rank as the coast league's top winner. He turned in a remarkable 2.22 earned run average.

Baumann, the \$100,000 bonus southpaw, was only 10-11 at Oklahoma City but has the support of Red Sox Farm Director Johnny Murphy, a fine judge of pitching talent.

Baumann Ready
"Baumann, in my opinion," said the former ace fireman of the New York Yankees, "is ready to become a regular starter and a consistent winner."

The Red Sox have reason to believe they made a good deal when they purchased Wall, a 31-year-old right-hander once the property of the Milwaukee Braves. He was obtained from Dallas last September on the strength of a 16-7 mark and 1.79 earned run average. Brought up

Kraft Show 'Ridiculous' Critic States

Wally Cox, Berle Slated For Rare Appearances On TV

By JACK O'BRIAN
NEW YORK — (INS) — You'll have to travel back beyond silent pictures to find a more ridiculous gangster nonsense than last night's Kraft Theatre.
The oaf who howled mirthlessly in Sid Caesar's audience received recent reviews from all the critics, plus a roasting in Variety, which put the guffaws somewhere among Sid's writers.
The British TV version of the "64,000 Question" flopped.
Ethel Barrymore stars in an upcoming filmed Playhouse 90.
The Brand of Jesse James, playing Jesse's grandmama.
Wally Cox, luxuriating on a huge NBC pension, works off some of it on the Feb. 6 Bob Hope show.
The Dean Martin show Sat. dropped color.
Tex & Jinx extend their daily interviews to a full hour next Monday under a new title, "The Tex & Jinx Jury," controversies explored before a "jury" of three different women each day; among early topics its jury will decide will be "Mistresses for Men."
Carol Haney's return to TV (The Big Record) proved she's as lithe, talented and terrific as ever.

A flock of new movies will be ready to pour into TV this year...
Lonnie Satin (Paar Show last night) sang up a tuneless storm...
Paul Hartman is a very dependable character actor, although he was stuck in a hunk of junk on last night Kraft Theatre.

Benny Goodman and Xavier Cugat got famous during the old NBC Saturday night dancing party, but what ever happened to the third band starred on same — Kefauver's?
The very funny eight little lads who sing an outrageously funny rock-roll song ("Ch-Hugh, Oh, Yeah") in the Broadway musical "Body Beautiful," will do it for TV on Ed Sullivan's catchall Feb. 9...

CBS-TV will make a low howl to the memory of Mohandas K. Gandhi Mar. 16 with an hour-long valentine in its "20th Century" series. It will be written by the former American correspondent for the Hindustan Times, owned by Gandhi's son...
"The Real McCoy's" was renewed for another 26 weeks and keeps beating its competition, however drab its "comedy."

Sir Cedric Hardwicke, starring in the upcoming "The Magnificent Montague," created by Bill-inventor Nat Hiken, once was described by George Bernard Shaw as "The world's fifth greatest actor."
Curious as to his 5th billing, Sir Cedric asked who were the first four, "The Marx brothers," GBS replied.

Millon Berle's Feb. 19 Kraft theatre roll will be a pure tragedy...
It's one of two NBC appearances a year Uncle Millie owes NBC (three to go thereafter), then he can sit back and collect \$2,000 a week for nothing...

Anderson Named To Forestry Board

Fred H. Anderson, magistrate for juvenile causes, has received his appointment and commission as a member of the Advisory Board of the State Forestry Camps from Gov. Theodore R. McKeldin.
Associate Judge Neil C. Fraley of Garrett County is chairman of the advisory board and Chief Judge George Henderson of the Fourth Judicial Circuit also is a member.

Marriage Licenses

William Karl Ringer and Mary Ann Leister, both of Glenwood, Pa.
Carl Richard Brant, 234 Elder Street, and Shirley Louise Heller, 552 Fairmont Avenue.
Calvin Gordon Ferrebee, Burlington, W. Va., and Dorothy Mae Michael, Martin, W. Va.

Local Union Reaches Full Membership

The membership in Western Maryland Local 2109, Communications Workers of America, AFL-CIO, reached 100 per cent this month.

Michael L. Lindner, president, told the local that membership now includes all non-supervisory full-time C and P, Telephone Company employees, excepting operators in Allegany and Garrett counties.

Operators are represented by the Maryland Traffic Union, independent.

John R. Brown, Robert W. Knisley, Joseph A. Crabtree and Blair Ullery were named to a committee to encourage participation in the Red Cross blood program.

Local 2109 has received an honor award, it was announced, from the AFL-CIO Committee on Political Education program for oversubscribing its "Dollars for COPE" quota in 1957.

The local's Register and Vote committee, John Klosterman reported, is concluding a successful drive and has nearly 90 per cent of eligible members registered for state, county and federal elections.

Lindner and James C. Flanagan, vice president, will attend a National Local Union President meeting in Chicago in mid-February, when national bargaining for 1958 will be discussed.

Thomas E. Smith represents Local 2109 on the Western Maryland Central Labor Council, AFL-CIO here.

Plans are being made by the local for participation in the annual CWA convention to be held this year in Miami, Fla.

Local 2109 is one of 10 locals in the Maryland Bargaining Unit of the CWA, which comprises 700 workers with a membership of 278,000 in the communications industry.

Romanian Secretary To Cabinet Dismissed

VIENNA (INS) — Radio Bucharest announced today the dismissal of Petre Velea, secretary of the Romanian cabinet, from the government for "incompetence."

He was replaced by Florea Tila.

All television program listings are supplied by the broadcasting stations themselves, and are subject to last-minute changes without notice.

Head of VFW Auxiliary Is Traveler

Mrs. Raymond Reynolds, 420 Maryland Avenue, who is serving this fiscal year as state president of the Department of Maryland, Veterans of Foreign Wars, Ladies Auxiliary, has completed official visits to all 17 districts of Maryland VFW, has visited national headquarters in Kansas City, Mo., and has traveled a total of 13,500 miles in the interest of the organization's affairs.

Since being installed as state president last June 20 in Baltimore, Mrs. Reynolds has devoted practically all her time to the office.

Membership in the auxiliary in Maryland is far ahead of last year, and all units have adopted more active programs in working with their posts and in their work with hospitalized veterans, she stated.

At Christmas, for example, VFW auxiliary members visited patients in Maryland's three veteran hospitals and distributed gifts and cheer packages. Mrs. Reynolds supervised and assisted with the wrapping of 1,600 Christmas gifts for hospitalized veterans. This task was undertaken at Perry Point Hospital, she said, and was completed in a single day by a committee of 12 people.

Mrs. Reynolds called attention to the success of the Maryland campaign for the multiple sclerosis fund, which was endorsed by the Veterans of Foreign Wars and its auxiliary. A total of \$75,000 was raised to help combat this disease.

A lifelong resident of Cumberland, Mrs. Reynolds is a member of Kingsley Methodist Church, is a charter member of Navy Mothers Club 514, and has been a member of Henry Hart Unit 1411, VFW Auxiliary for 30 years.

For 30 years, she has been active in the work of the organization, has held every office in her unit, and is a past president of the Past President's Club. She has held every elective office in the state department organization.

Mrs. Reynolds has a daughter, Mrs. Lillian Zimmerman, wife of George Zimmerman, here, who is also a past president of the local auxiliary and is past president of the VFW District Auxiliary 3.

Mrs. Reynolds' son, Paul Reynolds, a veteran of World War II, is a member of Henry Hart Post, and her husband, a veteran of World War I, is a past commander of the post. He is a retired Baltimore and Ohio Railroad Company employee. Mrs. Reynolds is an active member of the Baltimore and Ohio Ladies Co-Operative Traffic Club and is now president of that group for a two-year term.

Amcelle Group Pays \$510,325 To Employees

A total of \$510,325.63 was paid out in 1957 in group insurance benefits to employees of the Amcelle plant of Celanese Corporation of America.

The report revealed that 2,662 claims were paid, including 1,412 hospital claims for employees and their dependents who are covered under the company's insurance plan. Other benefits included accident and sickness weekly payments, surgical expense coverage, life, accidental death, and total and permanent disability payments.

Hudson Nix, personnel manager, stated that all of these claims were serviced promptly on a local basis by the Insurance Department, supervised by C. Bernard Tasker.

The 1957 claims raised the total benefits to \$5,681,705 paid to Amcelle employees since the inception of the group insurance plan in 1944. Coverage has been extended eight times since the plan was established, and the life insurance now in effect totals \$14,325,000. This figure includes the life insurance maintained by Celanese on retired employees.

Changes in recent years have included polo expense benefits in the amount of \$5,000, major extension of hospital confinement and special charges and elimination of the waiting period for new and reinstated employees.

Since July 1947, the entire insurance coverage has been maintained by Celanese without cost to employees.

Card of Thanks

We desire to express our sincere thanks and appreciation to all our friends and neighbors who were kind to us during our recent bereavement at the death of our beloved wife and daughter, Mrs. Temperance Hallett. Especially do we thank Rev. J. F. Sammet, the preachers, those who sent floral tributes, those who donated the use of their cars for the funeral and all others who in any way assisted.

Husband: Mr. Eldis Hallett
Mother: Mrs. Ida M. Lindsay

In Memoriam

In loving memory of our dear father and grandfather, Mr. Julian Laur, who passed away 7 years ago to day, January 30, 1951.

The rolling stream of life rolls on, But still the vacant chair Reminds the love, the voice, the smile, Of one who once sat there.

Beyond the sunset he has gone, Still memories linger on his face, Sadly missed by Sons, Daughters, Grandchildren and Great-grandchildren.

In loving memory of our dear father and mother, Richard Scarlett, who passed away January 30, 1958, and Clara Scarlett who passed away February 2, 1958.

Loving memories never die As the days come and years roll by. In our hearts a memory is kept Of the ones we loved and will never forget.

Loving Children

Your Horoscope

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

For Friday, January 31, 1958.
MARCH 21 to APRIL 20 (Aries)—Doing the right thing at the right time will pay big dividends. Don't be nervous or inwardly excited because others are. Keep calmly tuned to the demands of your position and have faith in the outcome.

APRIL 21 to MAY 21 (Taurus)—This day may be contrary to your expectations but, in the new direction, you may chance upon valuable information, important points to further the work on which you now depend.

MAY 22 to JUNE 21 (Gemini)—It will be wise to control emotions, quick temper, now. You will need all your good judgment and talents to reach the objectives you seek. Be satisfied with reasonable gain, however.

JUNE 22 to JULY 23 (Cancer)—Your prospects are practically a carbon copy of Taurus'. Take sufficient time when you start your program to weigh your capacity to handle how much—and in what time. Don't overdo, fret or worry.

JULY 24 to AUGUST 23 (Leo)—Often you bristle, "do something about it." You can do better by lopping off some of your tremendous enthusiasm and taking a calmer, cooler approach to your reviewing and checking where to go next.

AUGUST 24 to SEPTEMBER 23 (Virgo)—Similar to Gemini, familiar activities, discussions, study, research and the things for which you are naturally talented are highly favored now, along with good ideas.

SEPTEMBER 24 to OCTOBER 23 (Libra)—Pleasant and helpful influences linger from yesterday's fine Venus and Sun positions. It may not be an exciting day, but you can make good headway if doing your best.

OCTOBER 24 to NOVEMBER 23 (Scorpio)—Mars and Saturn suggest that you not be aggressive or easily irritated now. Intelligent persuasion is more effective and calmer gives us the clearer judgment. Finances improve.

NOVEMBER 24 to DECEMBER 23 (Sagittarius)—A splendid Jupiter aspect now, so you are "in the pink." Be mindful of advantages and how to deal with them with your God-given capability.

DECEMBER 24 to JANUARY 20 (Capricorn)—Financial transactions, sound investments favored but, in other matters, you may have to exert your skill, more patience to put across your interests. Often the TRY is sufficient.

JANUARY 21 to FEBRUARY 19 (Aquarius)—Follow your conscience and don't neglect home duties or seemingly unimportant details. You may have to be speedier in matters but take it as a "must" and you won't regret it.

FEBRUARY 20 to MARCH 20 (Pisces)—Planetary aspects are not much to enthuse about but you can make things hum with your eagerness and adaptability, nevertheless. All things managed with your usual cleverness and know-how will respond generously.

Be of good cheer.
YOU BORN TODAY are studious, likely to make unexpected changes and "spring" surprises on family, friends, etc. You may not always be firm about keeping appointments, may neglect important tasks in favor of pleasure. Correct these harmful traits, let your defeat the really fine qualities you possess and should cultivate. When you stay with a project with determination, you usually make a go of it. Birthdate: Franz Schubert, famed composer. (King Features Syndicate, Inc.)

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Pilot Has Key To Car Safety

PHOENIX, Ariz. (INS)—A veteran pilot and design engineer who has researched thousands of "survivable" airplane crashes says America's highway death toll could be cut in half if standard aircraft safety devices were installed in cars.

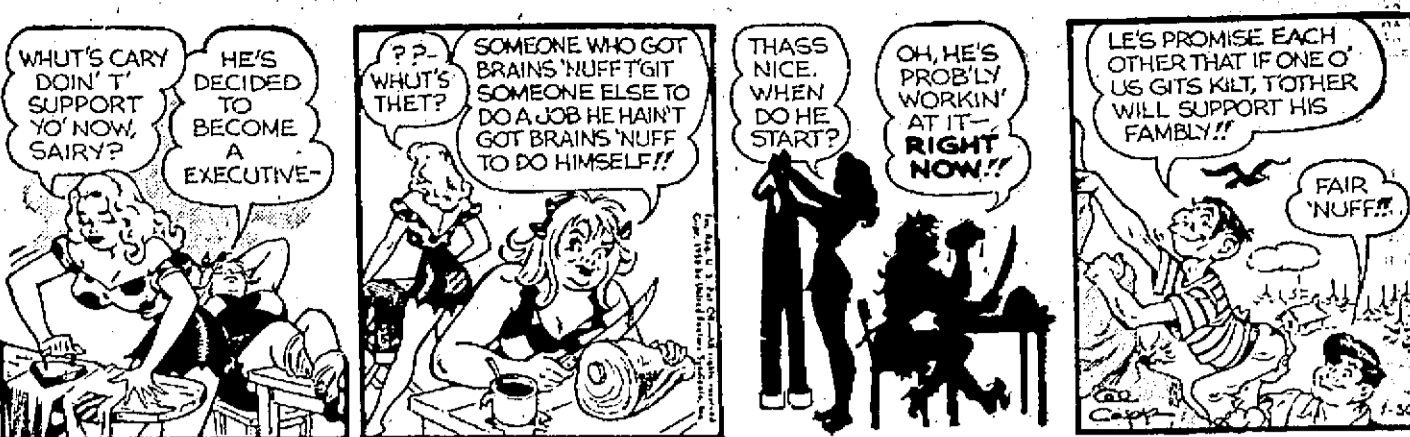

A. Howard Hasbrook, 44-year-old director of Cornell University's Aviation Crash Research project at Phoenix, says safety belts, shoulder harnesses and automobile "delethalization" are the keys to reducing fatalities on the nation's highways.

"In our studies of military and commercial transport crashes in which there were survivors," Hasbrook said, "we found the factor deciding whether a passenger lived or died was how well he was tied down to the airplane."

He explained: "The passenger who walked away from the crash or did not receive dangerous injuries was invariably tied down to a seat with a safety belt and the seat and floor were firmly attached to the aircraft."

Russia Increases Automobile Price

LONDON — (INS) — Faced with the cheery prospects of three-year waiting lists for private automobiles, Russia has boosted new-car prices again, this time by 20 to 25 percent.

The Molotov auto plant's ZIM limousine, a copy of the 1946 Buick, goes up from \$4,000 to \$5,000. Two years ago it sold for \$3,500.

The year-old Volga, a five-passenger car with modern lines, went from \$3,200 to \$4,000.

Its predecessor, the Pobeda, which is still being manufactured, was up from \$2,200 to \$3,000. Two years ago it cost only \$1,500.

Despite previous price boosts, and the requirement that prospective purchasers put down the full price of the car when they order, waiting lists have grown astronomically.

Wonder-Topper

Easy, easy Printed Pattern!

See the diagram — you can sew this stunning topper in so-o little time. Have it in lightweight corduroy, pastel linen, or pique — to star above all your summer fashions.

Printed Pattern 4811: Misses' Sizes 12, 14, 16, 18, 20, 40, 42. Size 16 takes 2 1/2 yards 54-inch.

Printed directions on each pattern part. Easier, accurate. Send FIFTY CENTS in coins; has a long tradition behind it and for this pattern — add 5 cents for each pattern for 1st-class.

For the mailing. Send to ANNE ADAMS, Ankara Opera House, the Turkish care of The Evening Times, 421 New York 11, N. Y. Print plainly NAME, ADDRESS with ZONE, SIZE and STYLE NUMBER.

CARD Sense

Q—The bidding has been: South West North East 1A Double Redbl. 2♥ 3A Pass. You, North, hold: AQJ84 ♠ Q75 ♦ 8 ♣ AQ1092. What do you do?

A—Bid four clubs. Your redouble is minimum in high cards but your distribution is good and there may be a slam. If your partner bids four spades you will pass.

Answer Tomorrow

Bathing Regularly Can Change Outlook

A man or woman who bathes regularly and often feels different, looks different, and acts differently.

He becomes more fastidious about his linen, about his household surroundings, about public eating places, and about possible contamination of food. From personal consciousness about cleanliness grows civic consciousness about sanitation that makes for social progress.

Theatre Tradition

In Ankara, the capital of Turkey with a population of 453,000, there are three theatres and one opera house. The Turkish theatre has a long tradition behind it and is extremely popular throughout the entire country. At the mailing. Send to ANNE ADAMS, Ankara Opera House, the Turkish care of The Evening Times, 421 New York 11, N. Y. Print plainly NAME, ADDRESS with ZONE, SIZE and STYLE NUMBER.

Obituary

(Continued from Page 13)

Mrs. Lena Neff

her of St. Paul's Lutheran Church and the Order of the Eastern Star.
Survivors include a daughter, Mrs. Harold Connor, Frostburg; a son, Joseph Reese, Charlotte, N. C.; four step-sons, George, Harlow, Pa.; and Luther, the late Charles T. Neff Sr., city and Clarence Reese, both of Burwick, Pa.; three sisters, Mrs. Elizabeth Odgers, Cumberland; Mrs. William Horton, LaVale; and Mrs. Samuel Ladata, Baltimore, and a grandson, Richard Connor, Layton, Okla.
The body will be at the Durs Funeral Home after 7 p. m. to day.

Services will be conducted at the funeral home Saturday at 2 p. m. by Rev. William J. Yingling. Interment will be in Frostburg Memorial Park.

The family will receive friends at the funeral home from 2 until 4 p. m. and 7 until 9 p. m.

John E. Waybright
PARSONS, W. Va. — John E. Waybright, 83, of RD 1, Kerens, died yesterday at his home following an illness of three months.

A native of Onego, he was a son of the late Daniel and Christine (Mullennex) Waybright. Mr. Waybright was a retired farmer and had resided in Tucker County for 27 years.

Survivors include his widow, Sophia E. (Clayton) Waybright; six sons, Clifton, Cassidy, Guy, Burl, Montville, Staff; and Edgar Waybright, with the U. S. Army in Tripoli, North Africa; and James and Virgil Waybright, both at home; four daughters, Mrs. Edna Bodkin, Montrose; and Mrs. Jessie Hottle, Baltimore; Mrs. Ethel Carr, Porterwood; and Mrs. Martha Hedrick, Buckhannon; 43 grandchildren and 47 great-grandchildren.

The body is at the Greenleaf Funeral Home here.

Mrs. George Gardner
LONACONING — Mrs. Elizabeth Knippenberg Gardner, about 53, wife of George Gardner, Wheeling, W. Va., died early yesterday in Ohio Valley General Hospital here.

In failing health for some time, she was a native of Lonaconing and a daughter of the late Fred and Maria Pritchard Knippenberg.

Besides her husband, she is survived by three brothers, James and John F. Knippenberg, Akron, and Walter Knippenberg, Los Angeles; and three sisters, Mrs. James Park, Lonaconing; Mrs. Adlee Frye, Orrville, Ohio; and Mrs. DeWitt Friend, Columbus, Ohio.

The body will be brought tomorrow to the Eichhorn Funeral Home here for a service Saturday at 2:30 p. m. Rev. Carl Price of Lonaconing Methodist Church, will officiate and burial will be in Frostburg Memorial Park.

The family will arrive in Lonaconing tomorrow.

Dr. Clay Leps

CHARLES TOWN — Dr. Clay Whitehill Leps, 72, died Tuesday in Charles Town General Hospital. He had been in ill health several months.

A native of Keyser, W. Va., he was a son of the late George Edwin and Susan (Athey) Leps.

Dr. Leps was graduated from the old Baltimore College of Dental Surgery, and practiced in Keyser before moving to Charles Town.

Survivors include his widow, Mrs. Ethel M. Leps; two sons, Clay Whitehill Leps Jr. and George Edwin Leps, both of Charles Town; a daughter, Mrs. Harold Barr, Charles Town; two daughters, Mrs. J. W. Carskadon, Headsville, W. Va., and Miss Fannie Leps, Baltimore; three brothers, C. Harry Leps, Sarasota, Fla. Louis Leps, of Keyser, and Thomas D. Leps, Palo Alto, Calif.; and five grandchildren.

Services will be conducted tomorrow at 2 p. m. at the Strider Funeral Home here by Rev. Carlyle McDonald of the Presbyterian Church. Interment will be in the Edge Hill Cemetery.

Willson Services

Services for Mrs. Estella A. Willson, 87, who died yesterday at the Allegany County Infirmary, will be conducted on Saturday at 2 p. m. at the Scarpelli Funeral Home.

Rev. Archie Provatt, pastor of First Baptist Church, will officiate and interment will be in the IOOF Cemetery at Flintstone.

The family will receive friends at the funeral home from 2 until 4 p. m. and 7 until 9 p. m.

Youngerman Rites

FROSTBURG — Services for Milton Youngerman, 72, of 146 West Main Street, who died Tuesday in Miners Hospital, will be conducted tomorrow at 2 p. m. at the Hafer Funeral Home.

Rev. George L. Wehler, pastor of Salem United Church of Christ, will officiate and burial will be in Frostburg Memorial Park.

Pallbearers will be Walter Close, Jack Hartig, William Youngerman, George McCullough, William Sluss and Allen Rose.

Cashier Indicted On Theft Charge

BALTIMORE — A federal grand jury has indicted a former Navy man on a charge of embezzling \$10,437 from the Patuxent Naval Air Station.

Benjamin F. Long Jr., 46-year-old former chief petty officer, had been employed as assistant cashier in the station's commissary.

He said shortly after he was arrested he vaguely remembered leaving with the money, but recalled nothing after shaving himself the morning of Dec. 21.

Long was reported missing two days after the loss was discovered Dec. 20.

The FBI reported finding \$4,000 of the missing money in Long's home.

Bond Resolution Goes Before House

CHARLESTON — A resolution proposing a constitutional amendment authorizing the issuance of up to 200 million dollars worth of non-revolving road bonds was introduced into the House today.

The proposed amendment would at the same time revoke existing authority to reissue bonds under the 50-million-dollar Good Roads Amendment of 1920. The revocation authority would be effective next Jan. 1.

Samuel Mears Dies

BALTIMORE — Samuel R. Mears, third generation of a family which operated one of the city's oldest funeral establishments, died yesterday at his home. He would have been 75 on Feb. 17.

Bismuth is the poorest heat conductor of the metals.

Uninsured Motorist Law Is Considered

RICHMOND, Va. — Legislation dealing with the problem of the uninsured motorist came before the General Assembly committee today with the groundwork already laid for a bitter floor fight in the House.

Public hearing were set on proposals for a "required responsibility law," an insurance company pool, and a standard endorsement on all auto accident policies covering the policyholder against damage by the uninsured motorist.

Clarksburg Officials Win Damage Suit

CLARKSBURG — A directed verdict for the defendants ended today the \$30,000 damage suit of John Abruzzo of Charleston against city officials and certain others.

The suit alleged a conspiracy on the part of the defendants to deprive Abruzzo from the use of a \$20,000 home he had built in a fashionable district of Clarksburg.

Chick Replacements Up In West Virginia

CHARLESTON — Broiler chick placements of 539,000 in the state in the week ended Jan. 25 were up 9 per cent from the previous seven days and 21 per cent above the comparable 1957 week.

The Federal-State Crop Reporting Service said eggs set for broiler chicks totaled 336,000, an increase of 8 per cent over the previous week but about equal to the comparable 1957 period.

Broiler prices remained steady with the week ended Jan. 18.

Politics Aired By Labor Officials

Top officers of the Maryland District of Columbia AFL-CIO met with Western Maryland labor leaders here last night.

Speakers were W. F. Sirong, Washington, newly elected president of the state AFL-CIO, and Charles Della, Baltimore, secretary.

Sirong was introduced by Joseph V. Burke, secretary of Local 26, Rubber Workers Union, who arranged the meeting at the request of the AFL-CIO officials.

The dinner event held at the Fort Cumberland Hotel served to introduce Sirong to some 20 AFL-CIO leaders here and to provide state officials with a general idea of area attitudes toward candidates in the coming primary election.

Similar meetings are being held in other sections of the state in preparation for the political program of the state AFL-CIO.

Filing Deadline For Exam Listed

MORGANTOWN — State high school seniors expecting to apply for this year's West Virginia University-State Road Commission cooperative highway engineers training program have until Feb. 1.

Prof. H.W. Speiden, head of civil engineering at WVU, announced the deadline today.

The program, administered by the university's civil engineering department, is designed especially for a highway engineering career.

The Pacific end of the Panama Canal is farther east than the Atlantic end.

Births

BROOKLEY — Mr. and Mrs. Charles E. Frostburg, a son last night in Memorial Hospital.

REXROAD — Mr. and Mrs. John S. Baltimore, a son there on Monday. The paternal grandparents are Mr. and Mrs. J. C. Rexroad of 474 Baltimore Avenue.

SHOEMAKER — Mr. and Mrs. Harry W. Sr., Junction, W. Va., a son this morning in Memorial Hospital.

STAUP — Mr. and Mrs. Robert RD 1, Frostburg, a son on Tuesday in Miners Hospital.

THOMAS — Mr. and Mrs. William, Orlando, Fla., a son there on Tuesday. The father is a nephew of Mrs. G. Kear Hosken of Frostburg.

Child Injured

BALTIMORE — Six-year-old Constance Edwards, of Severn, Md., died in a Baltimore Hospital today as a result of a highway accident. The youngster was struck by a truck near her home Tuesday.
